INVITATION

Dear Attendees,

We are glad to announce the "Applied Nanotechnology Summit" to be held in Paris, France on December 05-06, 2022 organized in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members.

Applied Nanotech 2022 aims at sharing new ideas and technologies amongst the professionals, industrialists and students from research areas of Nanotechnology and it's Research. As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more discussions, and livelier interaction with focused sessions that will feature cutting edge presentations, special panel industry leaders and experts.

Life is full of give and take. Make it count in your professional life. Applied Nanotechnology Summit amid December 05-06, 2022 at Paris, France. This consolidates incite keynote presentations, Oral talks, Poster presentations and Exhibitions.

Sincerely,

Applied Nanotech 2022

Organizing Committee

ABOUT US

Our International Open Access Journals

- 700+ Leading-edge Peer Reviewed Open Access Journals
- 21 Day Rapid Review Process
- 50000+ Editorial Board Team, 35000+ Reviewers team
- 30 Million Readers and High Visibility
- 1000+ Scientific Associations Collaborations
- 100000+ Likes
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

Salient Features

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages

Our International Scientific Conferences

- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

Salient Features

- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manu Scripts in our Open Access Journals

ABOUT CONFERENCES

Conference Series LLC Ltd. is delighted to welcome you to its "Applied Nanotechnology Summit" (Applied Nanotech 2022) which is going to be held during December 05"-06, 2022 at Paris, France focuses on the theme "Emerging Trends & Research In Nanotechnology".

This Applied Nanotech 2022 is the international platform which brings together the collection of investigators who are at the forefront in the field of Nanotechnology. The scientific program will include oral presentations of sub-disciplines, keynote sessions led by eminent scientists and poster sessions presented interactively by junior scientists and graduate students. This Nanotechnology congress is the ultimate meeting place for all the experts worldwide for new interdisciplinary scientific collaborations and networking.

With its scientific sessions, you are provided assurance to explore the latest technologies and breakthroughs that are specific to your area of work. No doubt the event has a broad scope of topics and continued in parallel sessions relative to the specific area of research.

Applied Nanotech 2022 salient features

- Meet Academia and Industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, Benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 150+ countries all through the year
- Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientist's representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking

Goals

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goals of the conference is to provide a transformative professional development experience through.
- Bringing together the world's scientific experts to catalyze and advance scientific knowledge about International Conference on Nanotechnology, present the most recent research findings, and promote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address regional, national and local responses to Elderly Population around the world and overcome barriers that limit access to care and services

ABOUT CONFERENCES

Objectives

After participating in this meeting, attendees should be able to:

- Discuss emerging issues in Nanotechnology
- Discuss and apply recent research findings related to Nanotechnology.
- Reflect on the place of critical distance in Nanotechnology Research.

Who should attend?

Academicians including Researchers and Faculty, Business Entrepreneurs, Associations and Societies, Academic Professionals, Training Institutes, Nanotechnologist, Nanoscience Engineers, Investors, Exhibitors and Sponsors and many more

Conference Sessions

- Nanomedicine & Nanobiotechnology
- Nano-Electronic Devices and Micro/Nano systems
- Micro/ Nano-fabrication, Nano patterning, Nano Lithography & Nano Imprinting
- Computation, Simulation & Modeling of Nanostructures, Nano systems & Devices
- Bio-Nanomaterials and Biomedical Devices, Applications
- Nanotechnology & Energy
- Nanotechnology Environmental Effects and Industrial Safety
- Nanometrology
- Material Science and Engineering
- Nanotechnology in Water Treatment
- Pharmaceutical Nanotechnology
- Advanced Materials and Functional Devices
- Engineering Materials
- Composite Materials
- Magnetism & Multiferroism
- Optical Materials and Plasmonics
- Energy and Harvesting Materials
- Nanotechnology-Basics to Applications
- Nano Materials
- Nano Structures

About hosting organization

Conference Series is the world's leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ ScientificSocieties.
