Tourist Attractions of Munich

Venue

Munich is the capital and largest city of the German state of Bavaria, on the banks of River Isar north of the Bavarian Alps. Munich is the third largest city in Germany, after Berlin and Hamburg, and the 12th biggest city of the European Union, with a population of around 1.5 million. The Munich Metropolitan Region is home to 5.8 million people. Munich is home to many national and international authorities, major universities and major museums. Its numerous architectural attractions, international sports events, exhibitions, conferences and Oktoberfest attract considerable tourism. It is a leading location for science and research and it is an internationally attractive site for training and research in psychological studies. Munich, Bavaria's capital, is home to centuries-old buildings and numerous museums. The city is a major international center of business, engineering, research and medicine exemplified by the presence of two research universities, a multitude of smaller colleges, headquarters of several multinational companies and world-class technology and science museums like the Deutsches Museum and BMW Museum.
