With a focus on Interactivity and Networking, Applied Psychology Congress 2018 Sponsorship offers many opportunities for Global Engagement. Sponsoring at Applied Psychology Congress 2018 summit gives rich ground to Pharmaceutical industry benefits since it provides opportunities to extending definitions of disorders to incorporate an ever increasing number of regions of social and individual difficulty. The pharmaceutical industry without a doubt had an essential impact in setting up drug treatment as fundamental to Psychology, Psychiatry and Mental Health. In US pharmaceutical company benefits the averaged 18.5% of income contrasted and 2.2% for whatever remains of the Fortune 500 organizations. The alliance amongst psychiatry and the medication industry additionally reinforces the more coercive aspects of psychiatry. Considering to make a formidable combination between Psychiatry, Psychology, Mental Health and the pharmaceutical industry we are organizing some of our best conferences in USA.

Eman Ahmed Zaky, Egypt

LOS ANGELES has for quite some time been known as a city of dreams, a place for the seized or frustrated to begin once again and remake their lives. Throughout the twentieth century it developed to be the second-biggest city in the United States and the center point of a five-province metropolitan zone. Los Angeles International Airport, referred to locally as LAX, is situated on the west side of the city. With flights to more than 60 noteworthy urban communities, it is the world's third-busiest air terminal with regards to traveller benefit. The California atmosphere and the charm related with the movie and media businesses, and additionally Disneyland, make Los Angeles one of the country's best vacationer goals. Universal Studios Theme Park has a variety of mind-blowing rides based on movie themes, but is also a working movie studio Griffith Park, in the eastern part of the Santa Monica Mountains, and covering an area of 4,210 acres, is the largest state park in California. The hillside Hollywood sign, Hollywood Boulevard, the Walk of Fame, and the Chinese Theatre can easily fill a day or two of sightseeing. Santa Monica is a unique destination that is both chic and laid-back, with a population that ranges from surfers, skateboarders, and yoga devotees to techies and business people. The Los Angeles Farmers Market first started in 1934 as a very modest affair that sprung from the hardships created by the Great Depression. The Los Angeles County Museum of Art lays claim to being the largest art museum in the western United States, with almost 130,000 pieces spanning from antiquity through to modern times.
