About the conference

Aquaculture 2023 invites all participants from around the world to attend the 14th Global Summit on Aquaculture and Fisheries (GSAF-2023) from December 06-07, 2023 Dubai, UAE. This global conference features quick presentations, oral lectures, poster presentations and exhibits.

With the assistance of an additional 1,000 scientific societies, organizes more than 3,000 international events, including more than 300 conferences, over 500 forthcoming and past symposia, and workshops throughout the United States, Europe, and Asia.

Theme:"Uncovering Innovative Technologies for Better Outcomes in Aquaculture and Fisheries "

Why to attend the conference

This is your finest chance to connect with the largest group of participants in the fishing and aquaculture community, with members from all around the world interested in learning about these industries' advancements. During this two-day event, you can host talks, disseminate information, meet existing and potential scientists, make a splash with new aquaculture advances, and gain name recognition. This conference is known for its world-renowned speakers, cutting-edge techniques, innovations, and updates in aquaculture and fisheries.

Scientists, researchers, academics, students, company owners, and corporations interested in aquaculture and fisheries are expected to attend the Fisheries Conference.

WhatsApp: +44 1138680100 Email Id: contact@europeanmeets.com
