INVITATION

Dear Attendees,

We are glad to announce the **13th World Congres on Aquaculture & Fisheries** to be held in **Tokyo, Japan** on **August 17-18, 2020** organized in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members. **Aquaculture Asia Pacific 2020** aims at sharing new ideas and technologies amongst the professionals, industrialists and students from research areas of Heart Disease and Failure. As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. 13th World Congres on Aquaculture & Fisheries amid August 17-18, 2020 at Tokyo, Japan. This consolidates incite keynote presentations, Oral talks, Poster presentations and Exhibitions.

Sincerely,

Aquaculture Asia Pacific 2020

Organizing Committee

ABOUT US

Our International Open Access Journals

- 700+ Leading-edge Peer Reviewed Open Access Journals
- 21 Day Rapid Review Process
- 50000+ Editorial Board Team, 35000+ Reviewers team
- 30 Million Readers and High Visibility
- 1000+ Scientific Associations Collaborations
- 100000+ Likes
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

Salient Features

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages

Our International Scientific Conferences

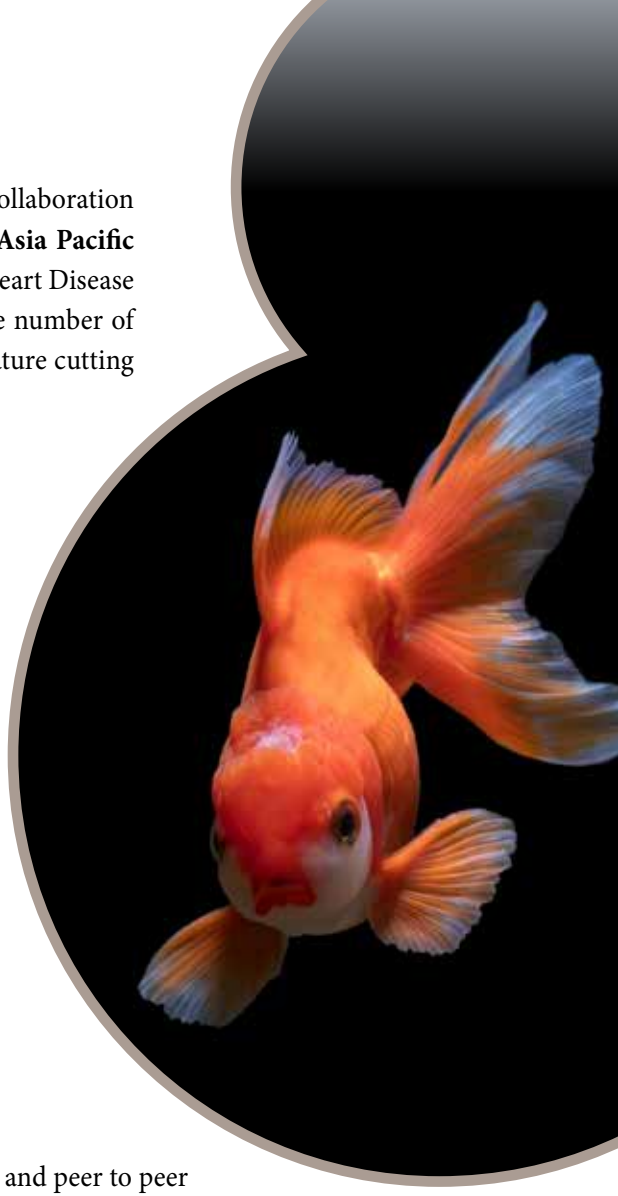

- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

Salient Features

- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manu Scripts in our Open Access Journals

ABOUT CONFERENCES

We are glad to announce the **6th World Heart Congress** to be held in **Tokyo, Japan** on **August 17-18, 2020** organized in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members. **Aquaculture Asia Pacific 2020** aims at sharing new ideas and technologies amongst the professionals, industrialists and students from research areas of Heart Disease and Failure. As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Aquaculture Asia Pacific 2020 salient features

- Meet Academia and Industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, Benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 150+ countries all through the year
- Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientist's representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking

Goals

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goals of the conference is to provide a transformative professional development experience through.
- Bringing together the world's scientific experts to catalyze and advance scientific knowledge about International Conference on Cardiology , present the most recent research findings, and promote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address regional, national and local responses to Elderly Population around the world and overcome barriers that limit access to care and services.

ABOUT CONFERENCES

Objectives

- After participating in this meeting, attendees should be able to
- Discuss emerging issues in cardiovascular diseases
- Discuss and apply recent research findings related to Cardiology and heart diseases.
- Reflect on the place of critical distance in Cardiology Research.

Who should attend?

- Academicians including Professors, PhD Scholars, Students carrying out laboratory and field studies, Industrial Giants, healthcare professionals and the people Associated, Nobel laureates in Cardiology, cardiologists, surgeons, Perfusionists.

Conference Sessions

- Aqua culture and fisheries
- Fresh water Aquaculture
- Marine Aquaculture
- Aquaculture methods
- Aquaculture Nutrition
- Aquatic ecology
- Aquaponoics
- Hydroponics: present and future
- Open Ocean Aquaculture
- Sustainability in aquaculture
- Deep Water & Demersal Fisheries
- Live Stock farming and genetic engineering
- Nanotechnology in Aquaculture
- Integrated multi-trophic aquaculture
- Aquatic Pollution and toxicology
- Aquatic Diseases & Immunity
- Marine Conservation & Management
- Fishing technique
- Traditional and advance technology in Aquaculture and Fisheries
- Marketing and pricing of fishes

About hosting organization

Conference Series is the world's leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ ScientificSocieties. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by CROSSREF.

ABOUT TOKYO

Tokyo is often referred to as a city, but is officially known and governed as a “metropolitan prefecture”, which differs from and combines elements of a city and a prefecture, a characteristic unique to Tokyo. The best place to visit in Tokyo is the Disney world sea and Tokyo has Metropolitan Government administers the 23 Special Wards of Tokyo (each governed as an individual city), which cover the area that was the city of Tokyo. Tokyo has numerous outlying islands, which extend as far as 1,850 km (1,150 mi) from central Tokyo. Because of the islands’ distance from the administrative headquarters of the Tokyo Metropolitan Government in Shinjuku, local sub prefectural branch offices administer them. Tokyo is the best place to visit especially in the month of September to October. If you are thinking of spending your holidays, then Tokyo is the place you must visit. In 2019 this beautiful city will be hosting the combo of 13th World Congres on Aquaculture & Fisheries.

IMPORTANT DATES

Abstract Submission Opens:	**October 21, 2019**
Registration Opens:	**October 21, 2019**
Early bird registration:	**November 18, 2019**
On Spot Registration:	**August 17, 2020**
