- Investment in Knowledge for future

Paris Attractions

About Paris

Paris is the capital and most populous city of France, with an estimated population of 2,148,271 residents as of 2020. Since the 17th century, Paris has been one of Europe's major centres of finance, diplomacy, commerce, fashion, science and arts and it is the second most expensive city in the world, after Singapore, and ahead of Zürich, Hong Kong, Oslo and Geneva.

The city is a major railway, highway and air-transport hub served by two international airports: Paris–Charles de Gaulle (the second busiest airport in Europe) and Paris–Orly. The historical district along the Seine in the city centre is classified as a UNESCO Heritage Site, and popular landmarks are there Louvre Museum, Eiffel Tower, Cathédrale Notre-Dame de Paris, Arc de Triomphe, Champs-Elysees, Sacre-coeur, Musee d'Orsay, Palace of Versailles, Montmartre, Moulin Rouge, The Centre Pompidou, Les Invalides, Pont Alexandre III, Grand Palais. It was ranked as the second most visited travel destination in the world in 2019. The city hosted the Olympic Games in 1900, 1924 and will host the 2024 Summer Olympics. The overall climate throughout the year is mild and moderately wet. Summer days are usually warm and pleasant with average temperatures between 15 and 25 °C (59 and 77 °F), and a fair amount of sunshine. Paris is served by three international airports, including Charles de Gaulle and Orly.
