ABOUT US

Our International Open Access Journals

- 700+ Leading-edge Peer Reviewed Open Access Journals
- 21 Day Rapid Review Process
- 50000+ Editorial Board Team, 35000+ Reviewers team
- 30 Million Readers and High Visibility
- 1000+ Scientific Associations Collaborations
- 100000+ Likes
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

Salient Features

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages

Our International Scientific Conferences

- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

Salient Features

- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manu Scripts in our Open Access Journals

ABOUT CONFERENCES

Conference Series LLC Ltd is overwhelmed to announce the commencement of "**12th Global Summit on Aquaculture & Fisheries**" **March 30-31, 2020 @ Hong Kong**. **Aquaculture Summit 2020** will be innovative and skimpy International Conference reflecting the direction of **Aquaculture & Fisheries Sciences** and offers a wide range of diversions to members of all the backgrounds. The conference runs with the theme "**Innovative and Sustainable Aquaculture**". **Aquaculture Summit 2020** emphases on different areas of Aquaculture, This Aquaculture & Fisheries event harvesting will cover the new research systems and concentrate on aquaculture display of new nourishes, welfare, anti-infection agents, instruments presented by the aquaculture fisheries labs. It equally disguises the growth in the obligation for demanding ocean bottom. Aquaculture brings basic and propelled research of Developmental, Toxicological and Transgenic angles.

Aquaculture Summit 2020 salient features

- Meet Academia and Industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, Benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 150+ countries all through the year
- Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientist's representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking

Goals

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goals of the conference is to provide a transformative professional development experience through.

ABOUT HONG KONG

Hong Kong, officially the Hong Kong Special Administrative Region of the People's Republic of China, is an autonomous territory in China, south of the mainland Chinese province of Guangdong and east of the former Portuguese colony and fellow Special Administrative Region (SAR) of Macao Hong Kong has created from a little angling town in the 1800s into a dynamic and exciting 21st-century cosmopolitan city. It is a clamouring seaside city loaded with noteworthy elevated structures and a combination of eastern and western societies. It gladly declares itself to be 'Asia's World City' and remains a key door to China.

Hong Kong is without a doubt one of the busiest intersections amongst China and whatever is left of the world for business voyagers. Aside from gatherings and meetings, it is likewise the best visitor goal in Asia with its draw of shopping and plenty of feasting choices. However, Asia's worldwide city is something other than gatherings, nourishment and shopping. It' s geology and a special mix of East and West introduces a smorgasbord of Chinese conventions and traditions, amusement parks, neighbourhood food and verdant wide open to exciting the guest for a considerable length of time.

It was viewed as the world's best goal for relaxation guests and gatherings in 2012. Hong Kong was voted the "Best FIT Destination of the Year" in the China Travel and Meeting Industry Awards 2012 sorted out by travel magazine Travel Weekly.
