Invitation

Conference Series welcomes you to attend the International conference on Automation and Artificial Intelligence, which is going to be held in London, UK during May 21-22, 2020.

We cordially invite all the participants who are interested in sharing their knowledge and research in the arena of Automation and Artificial Intelligence.

Artificial Intelligence 2020 anticipates more than 200 participants around the globe with thought provoking Keynote lectures, Oral Presentations and Poster Presentations. The attending delegates include Editorial Board Members of related International Journals.

This is an excellent opportunity for the delegates from Universities and Institutes to interact with the world class Scientists.

The intending participants can confirm their participation by registering for the conference along with your colleagues. Avail the delegate early bird offer.

The main theme of the conference is "Innovations and advancements in Artificial Intelligence".

Regards,
Artificial Intelligence 2020
Operating Committee

Tentative Agenda

May 21, 2020

Time	Session
08:30-09:30	Registrations
09:30-11:30	Keynote Forum
	Group Photo
11:30-11:45	Network & Refreshments Break*
11:45-13:00	Artificial Intelligence | Automation `| Automation Tools and Its Applications
13:00-13:45	Lunch Break**
13:45-16:00	Machine learning | Robotics | Human Robot Interaction
16:00-16:15	Network & Refreshments Break*
16:15-18:00	How Robot changes our life | Robotics in Industry | Role of Automation in Robotics

Day Concludes

May 22, 2020

Time	Session
08:30-09:30	Registrations
09:30-10:30	Keynote Forum
10:30-11:30	Cutting-Edge Artificial Intelligence | Big Data to AI | Artificial Neural Networks | Artificial intelligence in Business | Artificial Intelligence and Multimedia Technologies | Quest for Artificial Intelligence: Dreams and Dreamers
11:30-13:00	Optimization and performance issues on clouds | Communication protocols for clouds | Databases for clouds
13:00-13:45	Lunch Break**
13:45-16:00	Deep Learning | Artificial Intelligence in Block Chain Technology | Enterprise Artificial Intelligence
16:00-16:15	Network & Refreshments Break*
16:15-18:00	Ethics of Artificial Intelligence | Role of AI in Industry | Future Scope of AI | Artificial Intelligence in Healthcare

Day Concludes

About Conference

Artificial Intelligence 2020 regards each one of the individuals to go to the "International conference on Automation and Artificial Intelligence" amidst May 21-22, 2020 at London, UK which melds brief keynote presentations, speaker talks, Exhibition, Symposia, Workshops, Speaker sessions. Artificial Intelligence 2020 will join world-class professors, scientists, researchers, students, Deans, Professors, Researchers and Academicians to discuss in the fields of Automation and Artificial Intelligence. The assembling of this event will be dealt with around the subject Innovations and advancements in Artificial Intelligence.

Artificial Intelligence 2020

- *Opportunity to attend the presentations delivered by eminent scientists from all over the world*
- *Selected contributions will be published in following Conference Series Journals*
    - *Journal of Information Technology & Software Engineering*
    - *Journal of Global Research in Computer Science*
    - *Journal of Computer Science & Systems Biology*
- *Participation in sessions on specific topics on which the conference is expected to achieve progress*
- *Global networking: In transferring and exchanging Ideas*
- *Share your excitement in promoting your skills in the field of designing*
- *Conference brings together Scientific Researchers, Business Entrepreneurs and Industry Developers*

About Us

International Journals

- 900 Open Access Journals
- 21 Day rapid review process
- 30000 Editorial team, 35000 Reviewers team
- 3.5 Million readers and high visibility
- More than 100000 facebook fans
- Publication immediately after acceptance
- Quality and quick editorial, review processing

Key features

- User friendly/feasible website translation of your paper to 50 world's leading languages
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits

Conference Series Conferences

- 1000 Conferences all over the World every year
- Well organized scientific program
- Renowned speakers and scientists across the globe
- Poster presentations and world class exhibits
- Panel discussions and interactive sessions
- B2B meetings
- Perfect platform for Global Networking

Key features

- Presentation by renowned speakers from all over the world
- Poster presentations and world class exhibits
- Interactive Sessions
- Platform for global networking
- Connecting scientific community

London

London, the capital of United Kingdom is one of the most famous places in the whole world situated on the bank of River Thames in the south-eastern part of Great Britain. Since, two millennia London has been a region with some of the major settlements which are taking place. London, being one of the leading metropolises having contributions in a wide range of fields like finance, healthcare, education, media, arts, entertainment, commerce, fashion, R&D, tourism, transportation and professional services. The maximum places in London are devoted to parks and open spaces which are meant to relax on fine days. Historically London was split between Hertfordshire, Essex, Kent, Middlesex, and Surrey, which in the present date makes up Greater London, which is governed by the Mayor of London and the London Assembly. It is having a diverse range of people and culture with more than 300 languages being spoken in the region.
