Program Announcement

Accommodation

A large number of rooms have been reserved. Discounted room rates for Asia Chemistry 2018 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by Public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Congress. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the field of Chemistry.

About Melbourne

Melbourne is the capital and most populous city in the Australian state of Victoria, it was transformed into one of the world's largest and wealthiest cities, during Victorian Gold Rush in 1850. Melbournians love the city's vibrant energy, restaurants, fashion boutiques, café-filled laneways, cool bars, unbeatable galleries, spacious parks and village-like inner suburbs, each with its own special character. Melbourne is a young city and as such it never sits still. Modern, cutting-edge designs add to the fascinating mix of heritage architecture and ensure the skyline is constantly changing.
