Program Announcement

Venue
Sydney, Australia

Important Dates
Abstract submission opens: October 25, 2018
Registration opens: October 25, 2018
Early bird registration: January 03, 2019
On spot registration: September 09, 2019

Accommodation
A large number of rooms have been reserved. Discounted room rates for Asia Nursing 2019 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by public transportation.

Exhibition and Sponsorship
An Exhibition will be held concurrently with the Conference. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the fields of Cardiology and Medicine.

About Sydney

Sydney is the state capital of New South Wales and the most popular city in Australia and Oceania. Located on Australia's east coast, the metropolis surrounds the world's largest natural harbor and sprawls about 70 km on its periphery towards the Blue Mountains to the west, Hawkesbury to the north and Macarthur to the south. Sydney is made up of 658 suburbs, 40 local government areas and 15 contiguous regions. Residents of the city are known as "Sydney siders". As at June 2016 Sydney's estimated population was 5,029,768. Sydney is Australia's biggest and most cosmopolitan city. It is an essential stop in any traveller's itinerary. It's also a superb introduction to Australia and New South Wales, the country's most diverse state. Sydney itself offers a mix of tours, attractions and events that allows visitors to discover this city. Surrounding the city is a wonderland of national parks, forests, mountains, river valleys and historic riverside towns. Sydney is amongst the top fifteen most-visited cities in the world, with millions of tourists coming each year to see the city's landmarks. Its natural features include Sydney Harbor, the Royal National Park, and the Royal Botanic Garden. Man-made attractions such as Sydney Tower, the Sydney Harbor Bridge, and the Sydney Opera House (which became a World Heritage Site in 2007 are also well known to international visitors.
