Program Announcement

Accommodation

We have secured a limited number of reduced-rate hotel rooms to make your trip to Singapore affordable. Reservations made through the operations committee will permit you to avail these discounts.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Congress. The coffee and lunch areas will be located adjacent to the booths. Exhibiting or sponsoring at the 16th Asia Pacific Biotechnology Conference will provide you with a great opportunity to showcase your expertise, solutions and services to a highly pertinent audience.

About Singapore

Though physically small, Singapore is an economic giant. It has been Southeast Asia's most modern city for over a century. The city blends Malay, Chinese, Arab, Indian and English cultures and religions. Its unique ethnic tapestry affords visitors a wide array of sightseeing and culinary opportunities from which to choose. A full calendar of traditional festivals and holidays celebrated throughout the year adds to its cultural appeal. In addition, Singapore offers luxury hotels, delectable cuisine and great shopping! The island nation of the Republic of Singapore lies one degree north of the Equator in Southern Asia. The country includes the island of Singapore and 58 or so smaller islands.
