16th Asia Pacific Biotechnology Congress

August 15-16, 2018
Singapore

Theme:
Transcending the current frontiers of biotechnology

http://www.biotechnologycongress.com/asia-pacific/

Information

Dear Exhibitor,

Conference Series LLC LTD is delighted to welcome you to the 16th Asia Pacific Biotechnology Conference, August 15-16, 2018 at Singapore. We warmly invite you to exhibit at 16th Asia Pacific Biotechnology Congress.

Conference Series LLC LTD Conferences deliver new ideas, convictions, strategies, and tactics that directly affect how you business, in addition to an impressive roster of speakers, attendees and compelling content.

This Conference will provide a forum for exchange of ideas and authoritative views by leading scientists as well as business leaders and investors in this field.

A large fraction of the participants are high-level decision makers representing various parts of the industry. This platform will be an excellent opportunity to allow you to meet and connect with prospective customers in person instead of communicating with them over the phone.

It will also give you the chance to look at cutting edge developments in the industry and the opportunities they create. A great business always keeps an eye on their competitors, and exhibitions are one of the best opportunities to connect with competitors and understand their sales strategy, their products, and the success mantras.

A booth will also give your company virtually limitless opportunities to increase sales, reach new buyers, close deals, and strengthen your brand. Gain unmatched access to thousands of qualified buyers from every corner of the biotechnology industry seeking solutions to tomorrow's challenges.

When becoming our partner, we will do our outmost to satisfy your needs for involvement and exposure. Our sponsor packages offer pre-defined exposure opportunities, but don't hesitate to bring us your personal requests.

Sincerely,
Conference Operations Committee
16th Asia Pacific Biotechnology Conference

About Us

Journals

The Conference is supported by the Editors of
Journal of Tissue Science & Engineering
Journal of Bioprocessing & Biotechniques
Journal of Biotechnology & Biomaterials are jointly organizing the Conference.

Why with us???

- 700+ Open Access Journals
- 50000 Editorial team
- 50000 Reviewers team
- 3.5 Million readers
- Quality and quick editorial, review processing
- 21 Days rapid review process
- Publication within 7 days of acceptance

Unique features

- User friendly/feasible website-translation of your paper to 50 world's leading languages
- Audio version of published paper
- Digital articles to share and explore
- Sharing Option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits

Conferences

- 3000 Conferences all over the world in 2017-18
- Providing Delegates and Speakers across the globe with an unparallel opportunity to create new, value generating relationships
- Well organized scientific program
- Flow of knowledge across the globe
- Participation in sessions on specific topics on which the conference is expected to achieve progress
- Opportunity to attend the presentations delivered by Eminent Scientists from all over the world

Conference Highlights

- Industrial Biotechnology
- Microbial Biotechnology and Applications
- Agricultural biotechnology
- Enzyme Technology
- Protein Engineering
- Biotechnology and Bioengineering
- Biomedical Engineering
- Plant Biotechnology
- Molecular Biotechnology
- Biomass and Bio refinery
- Environmental Biotechnology
- Cancer Biotechnology
- Bioprocess Engineering
- Aquaculture and Marine Biotechnology
- Neuro Biotechnology
- Nutrition and Food Biotechnology
- Animal biotechnology
- Bioenergy and Bioremediation
- Biotechnology and Drug Design
- Medical Biotechnology
- Bioinformatics
- Nano Biotechnology
- Tissue Engineering and Regenerative Medicine
- Biotechnology in Pharmaceutical Companies
- Biotechnology and Bioeconmomy

Benefits/Advantages

1.It is a great way to advertise to a target market and create brand awareness.
2.Your organization's logo (and a brief introduction) will be featured in the 16th Asia Pacific Biotechnology conference website.
3.Advertising your company/products by linking through International Journals
4.The conference will be open to a diverse range of audience, which will allow you to interact with not only the experts, managers, and other decision makers from both Academia/Industries but also to a broader group which has little or no awareness of your products and services
5.Not all prospects respond well to telesales or direct mail. Exhibiting at this conference could give you an unprecedented level of access to important prospects.
We are looking forward for your active participation and make this event a memorable one B2B Partnering
The 16th Asia Pacific Biotechnology Congress has an excellent feature which aims at delivering unlimited opportunities for making business deals, product enhancements, cutting edge solutions for improving and elevating your company's business and partnership. This unites all the leading industry professionals, business development executives, institutional investors, capitalists and corporate investors.
We expect your comments or suggestions on the structure of our Scientific Partnering, also your reference to other delegates will be highly appreciated. We look forward to receive your replies on the following questions.
Are you interested in joining as our Scientific Partnering partner?
1. What are you looking for? (Interaction with researchers, commercial partners, venture capital companies or any collaboration)
2. Do you have any suggestions for our Scientific Partnering?
Please submit your queries by email to:
bioasiapacific@geneticconferences.com or biotechnology@geneticconferences.com

MGH-Harvard Medical School,USA
Cristina Teixeira
Department of Basic Sciences & Craniofacial Biology,New York University,USA

Sponsorship and Exhibitor Benefits Program Congress Corporate Workshops

The Congress provides sponsoring companies the chance to present organise workshops in parallel to the congress program. During this time a company's representative can present their products and technical research methods. This is an excellent opportunity to showcase new and interesting technologies to attendees. Over the past years these workshops have proven to be very popular. The corporate workshops will be presented as breakfast, lunch or dinner workshops with a maximum of three workshops per time period on the dates noted below.

Registration to these workshops is free to all Congress delegates. The workshop program will be promoted prior to the Congress via the Congress website, 16th Asia Pacific Biotechnology Congress, newsletters (Approximately 1,00,000 email recipients) and the final program book.

NOTE: No separate industry or corporate events may be held during the Conference period (August 15, 07:00AM to August 16, 11:00 PM) without an agreement in writing from the 16th Asia Pacific Biotechnology Congress Organizers.
