Invitation

Conference Series welcomes you to attend the 2nd World Congress on Nano Science and Nano Technology, which is going to be held in Tokyo, Japan during August 22-23, 2018.

We cordially invite all the participants who are interested in sharing their knowledge and research in the arena of Nano Science and Nano Technology.

Asia pacific Nano Congress 2018 anticipates more than 200 participants around the globe with thought provoking Keynote lectures, Oral Presentations and Poster Presentations. The attending delegates include Editorial Board Members of related International Journals.

This is an excellent opportunity for the delegates from Universities and Institutes to interact with the world class Scientists.

The intending participants can confirm their participation by registering for the conference along with your colleagues. Avail the delegate early bird offer.

The main theme of the conference is "Recent developments in Nano Science and Nano Technology".

Regards,
Asia pacific Nano Congress 2018
Operating Committee

Tentative Agenda

August 22, 2018 Monday

Time	Session
08:30-09:30	Registrations
09:30-11:30	Keynote Forum
	Group Photo
11:30-11:45	Network & Refreshments Break*
11:45-13:00	Materials science and Nanotechnology | Advanced Nano Materials and Nano Particles | Applications of Nanotechnology
13:00-13:45	Lunch Break**
13:45-16:00	DNA Nanotechnology | Molecular Nanotechnology
16:00-16:15	Network & Refreshments Break*
16:15-18:00	Nanotechnology in Tissue Engineering | Regenerative Nanomedicine and Medical Nanotechnology
	Day Concludes

August 23, 2018 Tuesday

Time	Session
08:30-09:30	Registrations
09:30-10:30	Keynote Forum
10:30-11:30	Nano technology in Energy and Environment | Nanotechnology in Agriculture and Food Industry | Nano Biotechnology
11:30-13:00	Nanotechnology in Waste water treatment | Nano Electronics and Microsystems
13:00-13:45	Lunch Break**
13:45-16:00	Nanodevices and Nanosensors | Computational Nanotechnology
16:00-16:15	Network & Refreshments Break*
16:15-18:00	Nanosafety | Nano Physics
	Day Concludes

About Conference

The field of Nano Science and Nano Technology is growing rapidly and its development is making tremendous impacts in Pollution. The importance and significance can be gauged by the fact that it has made huge advancements over the course of time and is continuing to influence various sectors.

Asia pacific Nano Congress 2018

- *Opportunity to attend the presentations delivered by eminent scientists from all over the world*
- *Selected contributions will be published in following Conference Series Journals*
    - *Journal of Nanomedicine & Nanotechnology*
    - *Journal of Nanomedicine & Bio therapeutic Discovery*
    - *Journal of Material Sciences & Engineering*
- *Participation in sessions on specific topics on which the conference is expected to achieve progress*
- *Global networking: In transferring and exchanging Ideas*
- *Share your excitement in promoting your skills in the field of designing*
- *Conference brings together Scientific Researchers, Business Entrepreneurs and Industry Developers*

About Us

International Journals

- 900 Open Access Journals
- 21 Day rapid review process
- 30000 Editorial team, 35000 Reviewers team
- 3.5 Million readers and high visibility
- More than 100000 facebook fans
- Publication immediately after acceptance
- Quality and quick editorial, review processing

Key features

- User friendly/feasible website translation of your paper to 50 world's leading languages
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits

Conference Series Conferences

- 1000 Conferences all over the World every year
- Well organized scientific program
- Renowned speakers and scientists across the globe
- Poster presentations and world class exhibits
- Panel discussions and interactive sessions
- B2B meetings
- Perfect platform for Global Networking

Key features

- Presentation by renowned speakers from all over the world
- Poster presentations and world class exhibits
- Interactive Sessions
- Platform for global networking
- Connecting scientific community

About Tokyo

"Tokyo" is Japan's capital and the world's most populous metropolis. It is also one of Japan's 47 prefectures, consisting of 23 central city wards and multiple cities, towns and villages west of the city center. The Izu and Ogasawara Islands are also part of Tokyo. It has neon, skyscrapers, salaryman crowds, packed trains, cutting-edge architecture and futuristic technology. But it also has ancient shrines, plant-covered wooden houses, cycling grannies, old-school sweet shops and village-like lanes.

Tokyo is a nirvana for foodies, and has the world's highest volume of Michelin stars in a city. Shopping is another highlight – it's worth bringing an empty suitcase to fill with hard-to-resist gadgets, trendsetting garments and treasures from craft and design stores. And now there's another reason to visit: the 2020 summer Olympics will take place in Tokyo. As a result, not only is the mood refreshingly upbeat, but a raft of new developments, hotels and infrastructure upgrades are in the pipeline.

With more than 12.5 million residents to entertain, Tokyo has a lot going on. Boasting the Tokyo National Museum, the National Museum of Nature and Science, the Ueno Zoo, and the sprawling green space, Ueno Park are the special places to visit in Tokyo. Edo-Tokyo Museum and the Imperial Palace resembles the history of Tokyo. And no trip here would be complete without visiting some of Tokyo's Buddhist and Shinto sites like the Sensoji Temple and the Meiji Shrine.

Abstract Submission

https://nanoscience.conferenceseries.com/ abstract-submission.php

Note: All the relevant abstracts will be accepted and published in respective conference proceedings.

Registration

https://nanoscience.conferenceseries.com/ registration.php

Important Dates

Abstract submission opens: November 01, 2017
Registration opens: November 01, 2017
Early bird registration: February 20, 2018
On spot registration: August 22, 2018

Venue

Tokyo, Japan
