Program

14th Asia Pacific Oncologists Annual Meeting

November 20-22, 2017 Melbourne, Australia

Seating is Limited
Register Today!

Conference Series
One Commerce Center-1201
Orange St. #600, Wilmington
Zip 19899, Delaware, USA
General Number: 1-650-889-4686
Email: cancersummit@conferenceseries.net

Conference Highlights

- Pathophysiology of Cancer
- Neurological Cancer
- Oropharyngeal Cancer
- Blood and Bone Cancer
- Lung cancer
- Renal and Hepatocellular cancer
- Breast Oncology
- Pancreatic and Colorectal Cancer
- Reproductive Cancers
- Cancer Therapy
- Cancer Screening & Diagnosis
- Cancer : Innovations
- Nursing Oncology
- Oncology Market Access and Pricing
- Entrepreneurs Investment Meet

** Speaker Slots are Available **

Organizing Committee Members

Nira Ben-Jonathan
University of Cincinnati
USA

Fazlul H. Sarkar
Wayne State University
USA

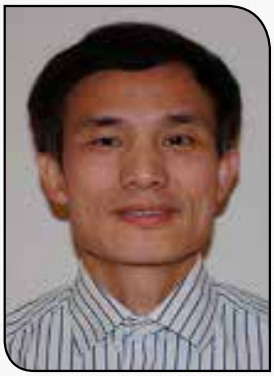

Rajendra Sharma
University of North Texas
USA

Bharat B Aggarwal
University of Texas
USA

Masahiro Hiraoka
Kyoto University
Japan

Peng Huang
Sun Yat-sen University
School of Medicine
China

Jun Zhu
Icahn School of Medicine at
Mount Sinai
USA

Chieko Kai
University of Tokyo
China

Norma Alejandra Chasseing
University Buenos Aires
Argentina

Tentative Program

Keynote Forum

09:30-10:00 **Title: A Novel Oncolytic Modified Measles Virus Is A Promising Candidate For Cancer Therapy**
Chieko Kai, University of Tokyo, Japan

10:00-10:30 **Title: Mechanistic role of BR-DIM in human prostate cancer: Clinical experience**
Fazlul H Sarkar, Wayne State University, USA

Panel Discussion

Group Photo

Sessions:

Pathophysiology of Cancer I Oropharyngeal cancer I Cancer Therapy I Nursing Oncology I Breast Oncology

Session Chair: Michael Bilous, University of Sydney, Australia
Session Co-chair: Vincent Balaya, University Paris Descartes, France

Session Introduction

10:30-10:55 **Title: Breast papillary lesions: an analysis of 70 cases**
Mauricio Camus A, Pontifical Catholic University of Chile, Chile

Networking & Refreshments Break 10:55-11:10 @ Foyer

11:10-11:35 **Title: Integration of palliative care in cancer treatment in developing countries: A global experience in Africa public health (case study of Rwanda)**
Christian Ntizimira, Rwanda Palliative Care and Hospice Organization/Kibagabaga Hospital, Rwanda

11:35-12:00 **Title: Association of VEGF Gene as Prognostic Marker in subjects with Oral Submucous Fibrosis (OSMF) of North Karnataka Population**
Devishree V Rai, SDM College of Dental Sciences and Hospital, India

12:00-12:25 **Title: Frontiers of Next Generation Sequencing in Translational Oncology**
Kahlil Lawless, Illumina Inc, Singapore

12:25-12:50 **Title: Comprehensive detection of expressed mutations by anchored multiplex PCR and next-generation sequencing**
Craig Pierson, ArcherDX Inc., USA

12:50-13:15 **Title: Overview of cosmetic outcome of hypofractionated breast irradiation vs. chest wall irradiation in Saudi female: Single institute experience**
AbdulAziz AlHamad, Prince Sultan Military Medical City, Saudi Arabia

Panel Discussion

Lunch Break 13:15-14:15 @ The Link in Level Ground Lobby

14:15-14:40 **Title: Combretastatin A-4 inspired novel 2-aryl-3-arylamino-imidazo-pyridines/pyrazines as tubulin polymerization inhibitors, antimitotic and anticancer agents**
Sarita Das, KIIT University, India

14:40-15:05 **Title: Metastatic nonpalpable invasive lobular breast carcinoma presenting as rectal stenosis: A case report**
Makoto Sumazaki, Toho University School of Medicine, Japan

Networking & Refreshments Break 15:05-15:20 @ Foyer

15:20-15:45 **Title: Luteal versus folicular phase surgical oophorectomy plus tamoxifen in premenopausal women with metastatic hormone receptor- positive breast cancer**
Syed Mozammel Hossain, Khulna Medical College and Hospital, Bangladesh

15:45-16:10 **Title: Sentinel Lymph Node Biopsy in cervical cancer: an update**
Vincent Balaya, University Paris Descartes, France

16:10-16:35 **Title: Interleukin-6 secreted by cancer-associated fibroblasts induces endometrial cancer growth**
Ivy Chung, University of Malaya, Malaysia

Panel Discussion

Day 2 October 18, 2016

Studio 10

Keynote Forum

10:00-10:30 **Title: The unique clinical features and distinctive hemostatic dysfunction in acute promyelocytic leukemia**
Hau C Kwaan, Northwestern University-Feinberg School of Medicine, USA

Sessions:

Pancreatic and Colorectal Cancer I Reproductive Cancers I Nursing Oncology I Cancer Therapy I Scenario of Cancer

Session Chair: Michael Bilous, University of Sydney, Australia
Session Co-chair: Vincent Balaya, University Paris Descartes, France

Networking & Refreshments Break 10:30-10:45 @ Foyer

10:45-11:10 **Title: Metastatic Spread of Abdominal Tumors to Thoracal and Mammary Lymph Nodes**
Gaspar Banfalvi, University of Debrecen, Hungary

11:10-11:35 **Title: Identification of tumor cellular origins by Anchored Multiplex PCR and next-generation sequencing**
Craig Pierson, ArcherDX Inc., USA

11:35-12:00 **Title: Introduction to HER2 testing in gastric cancer**
Michael Bilous, University of Sydney, Australia

12-0012:25 **Title: Targeting cancer stem cells in hepatocellular carcinoma: Therapeutic opportunities and challenges**
Thamil Selvee Ramasamy, University of Malaya, Malaysia

12:25-12:50 **Title: A Study on the supportive care needs of cancer patients in a tertiary care hospital of south India**
Sumitha Subramaniam, Manipal University, India

12:50-13:15 **Title: Ultrasonographic features in the pre-operative diagnosis of primitive fallopian tube carcinoma**
Vincent Balaya, University Paris Descartes, France

Panel Discussion

Lunch Break 13:15-14:15 @ The Link in Level Ground Lobby

14:15-14:40 **Title: A novel approach for overcoming drug resistance in gastrointestinal cancers**
Fazlul H. Sarkar, Wayne State University, USA

14:40-15:05	**Title: Gene expression changes in metabolic and hypoxic related genes in response to long term hypoxia in MCF7 breast cancer cell line** **Malek Zihlif,** University of Jordan, Jordan
15:05-15:30	**Title: Comparative Review on the Use of Biotherapy and Plant Based Therapy On Cancer Cell Lines** **Zubaida Hassan,** Modibbo Adama University of Technology, Nigeria

Networking & Refreshments Break 15:30-15:45 @ Foyer

15:45-16:10	**Title: Surgical margins in breast conserving treatment for invasive and DCIS tumors** **Mauricio Camus A,** Pontifical Catholic University of Chile, Chile

Poster Presentations 16:10-16:40

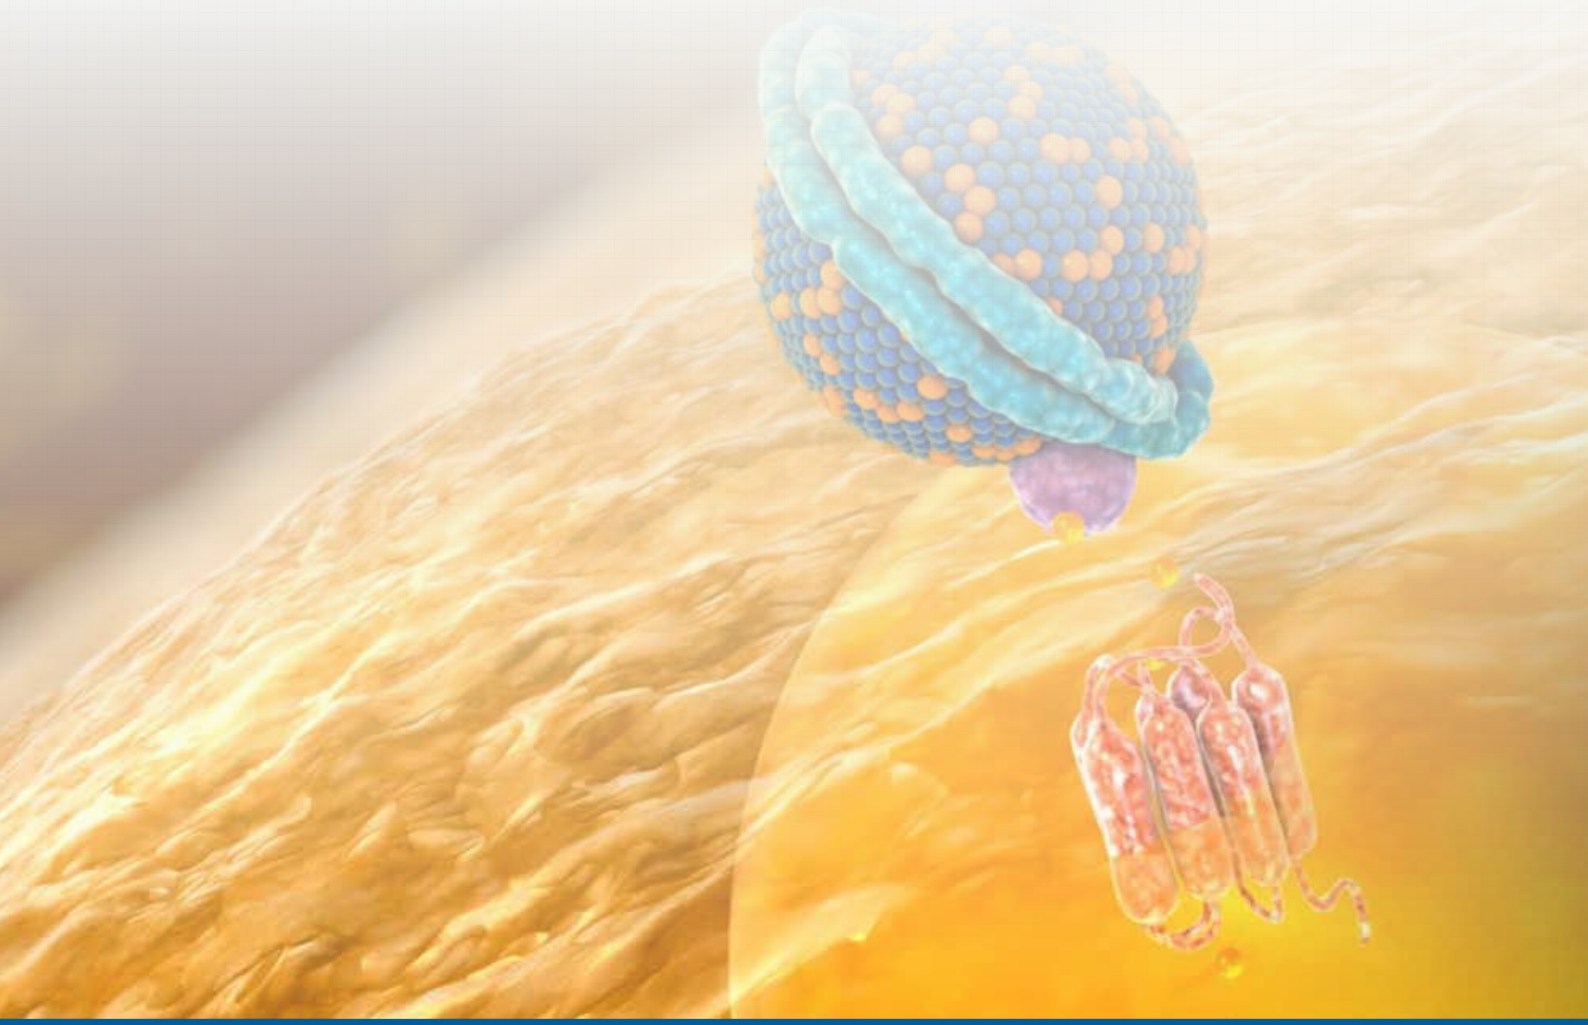

Panel Discussion

Award Ceremony

Day 3 October 19, 2016

Studio 10

Networking and Lunch @ 12:00-13:00

Why to Attend???

- Present your research, transfer your capability, hear case studies and improve practical information to ensure success in cancer management.
- Participate in workshops led by an experts
- Expand your network for clinical support, collaboration and education
- Keep up to date and make empowered and educated decisions on what is happening in the field of cancer
- Access more than twenty hours of networking with cancer professionals from different countries across all fields.

Abstract Information: Oral / Poster Presentation Guidelines

Oral Presentations are generally split into TWO categories, as follows:

1. Plenary Lectures

Each Plenary lecture is 25 minutes 20 minutes for talks and 5 minutes for Questions/discussion, where these are presented as debates as well based on the two speakers decision. Speakers should communicate in advance of the Moderator so that presentations may be coordinated.

2. Oral Sessions

Each Oral Session is 60 minutes in length and comprises two presentations, of 30 minutes each.

Please prepare you presentation in 16:9 format (screen are in format 16:9). We recommend saving in PowerPoint presentation using PPT(X) format instead of PPS.

3. Speaker Preview Room

All speakers are asked to upload their presentation at the Speaker Preview Room (located in the Registration area) at least one hour before the beginning of the session or the day before in case of a morning session.

Poster Guidelines

The poster exhibition will be an integral part of Conference

The poster exhibition will be located on the exhibition area of the congress centre. The area will be clearly signposted from the registration area.

Technical Instructions:

- Posters must be prepared in Portrait style.
- Please DO NOT prepare a landscape poster
- The dimensions should be 100 cm high by 70 cm wide
- Posters should be attached to the boards with stickers, which you will be supplied to the organizers.
- Poster session schedule Posters will be displayed and presented in session.

Please plan to be at your poster and available to answer questions from delegates at the time of your assigned poster session. Posters will be displayed according to the POSTER numbers given by the organizers and will be grouped by sub topic.

Young Researchers Forum

The Young Researchers Forum offers young researchers the possibility to meet and discuss research topics and methodologies, share and develop ideas, learn from each other and gain knowledge from senior researchers.

Young Researcher Sessions are organized at the Conference, to provide a unique platform for Young Researchers/ Investigators for presenting latest research projects with an in-depth analysis. Young Investigators (e.g. Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty) are the focus of this event. Participants should be below the age of 33 years. All submissions must be in English.

The prize winning papers will be considered for publication in the international journals once the paper is subjected to standard review procedures.

Stay Connected Before, During and After the Event!

Program

Day 1: November 20, 2017

Opening Ceremony

Conference Souvenir Launch
New Perspective frontiers in the area of Biologics and Biosimilars
Keynote Forum (& Exhibitions Full day)
(Panel discussions and Reviews)
Coffee Break: Networking & Refreshments
Group Photo

Speaker Forum

Sessions Chair's Introduction
Track 1: Pathophysiology of Cancer
Track 2: Neurological Cancer
Track 3: Oropharyngeal Cancer
Track 4: Blood and Bone Cancer
Track 5: Lung Cancer
Panel discussions and Reviews

Lunch Break

Young Research Forum
(Panel discussions and Reviews)
Coffee Break: Networking & Refreshments
B2B Meetings
Certificates Felicitation by the organizing Committee

Day 2: November 21, 2017

Introduction

Keynote Forum (& Exhibitions Full day)
(Panel discussions and Reviews)
Coffee Break: Networking & Refreshments

Speaker Forum

Sessions Chair's Introduction
Track 6: Renal and Hepatocellular Cancer
Track 7: Breast Oncology
Track 8: Pancreatic and Colorectal Cancer
Track 9: Reproductive Cancers
Track 10: Cancer Therapy
Panel discussions and Reviews

Lunch Break

Young Research Forum
(Panel discussions and Reviews)

About Melbourne

Affectionately called “marvellous Melbourne” all through the gold rush of the 1850s, the call continues to be used today for Australia’s Second biggest metropolis. Positioned at the banks of the Yarra River, close to the entrance to Port Phillip Bay, Melbourne is a present day metropolis steeped in records. ECU settlement started out in 1935, but the discovery of gold in 1851 saw a population growth with many prospectors settling in Melbourne. With huge wealth generated from the close by goldfields, majestic buildings have been built all through the town. Many of these buildings nonetheless stand nowadays, and Melbourne is regarded as having extra examples of Victorian architecture than any other town in Australia. Melbourne is a “town for all seasons”. From wandering the hidden laneways and grand tree-coated streets to the acres of metropolis gardens and parklands, Melbourne is vibrant, stylish, and multicultural.

Melbourne prices profoundly in training, diversion, social coverage, progressive work, tourism and sport, making it the sector’s most reasonable city as indicated by way of the economist intelligence unit. it is a major budgetary focus within the Asia-pacific district, and positions a few of the foremost 30 city areas on earth inside the international financial centres index. Alluded to as Australia’s “social capital”, it’s far the beginning of Australian impressionism, australian hints football, the australian film and broadcast groups, and australian contemporary move, for example, the Melbourne shuffle. it’s far perceived as an UNESCO metropolis of literature and a noteworthy network for street workmanship, music and theatre. It’s far domestic to a hefty part of Australia’s largest and maximum seasoned social institutions, as an instance, the Australian centre for the moving picture, Melbourne cricket floor, the national gallery of Victoria, the nation library of Victoria and the UNESCO world background-recorded royal exhibition constructing. The number one visitor air terminal serving the city and the country is Melbourne airport (likewise known as tullamarine airport), which is the second one busiest in Australia, and the port of Melbourne is Australia’s busiest seaport for containerised and standard load. Melbourne has a broad delivery set up. the primary metropolitan put together end is flinders road station, and the precept territorial prepare and mentor stop is southern pass station. Melbourne moreover has the world’s biggest city cable car arrange.
