Brochure

15th Asia-Pacific Pharma Congress

July 18-20, 2018
Melbourne
Australia

Theme:
De Novo Advancements in Pharmaceutical Sciences

https://asiapacific.pharmaceuticalconferences.com/

Invitation

Conference Series welcomes you to attend the 15th Asia-Pacific Pharma Congress, which is going to be held in Melbourne, Australia during July 18-20, 2018

We cordially invite all the participants who are interested in sharing their knowledge and research in the arena of Nursing and Medicare Summit.

Asia Pharma 2018 anticipates more than 200 participants around the globe with thought provoking Keynote lectures, Oral Presentations and Poster Presentations. The attending delegates include Editorial Board Members of related International Journals.

This is an excellent opportunity for the delegates from Universities and Institutes to interact with the world class Scientists.

The intending participants can confirm their participation by registering for the conference along with your colleagues. Avail the delegate early bird offer.

The main theme of the conference is "De Novo Advancements in Pharmaceutical Sciences".

Regards,
Asia Pharma 2018
Operating Committee

12:45-13:30	Track 15: Pharmacogenetics and Genomics | Track 16: Green and Community Pharmacy Track
13:30-15:00	Track 17: Nutraceuticals and Natural Medicine
15:00-16:30	Network & Refreshments Break*
16:30-16:45	Track 18: Pharmacy Education and Practice
16:45-18:00	Track 19: Pharmaceutical Care and Health Systems | Track 20: Pharma Manufacturing and Compliance
Award Ceremony	
Conference Concludes	

About Conference

Asia Pharma 2018 will be a great event where experts from universities, top Pharmaceutical industries, research centers and from the societies and association related to Pharmaceuticals gather and share their insights. So, all are whole heartedly invited to be a part of this conference. Asia Pharma 2018 is supported with related journals and their editorial board members which provide a chance of meeting them, along with experts in Medicine, Pharmacological sciences and Pharmaceutical sciences.

Asia Pharma 2018

- Opportunity to attend the presentations delivered by eminent scientists from all over the world
- Selected contributions will be published in following Conference Series Journals
    - Journal of Pharmaceutical Care and Health Systems
    - Journal of Hospital and Clinical Pharmacy
    - Journal of Pharmaceutical Microbiology
- Participation in sessions on specific topics on which the conference is expected to achieve progress
- Global networking: In transferring and exchanging Ideas
- Share your excitement in promoting your skills in the field of designing
- Conference brings together Scientific Researchers, Business Entrepreneurs and Industry Developers

About Us

International Journals

- 900 Open Access Journals
- 21 Day rapid review process
- 30000 Editorial team, 35000 Reviewers team
- 3.5 Million readers and high visibility
- More than 100000 facebook fans
- Publication immediately after acceptance
- Quality and quick editorial, review processing

Key features

- User friendly/feasible website translation of your paper to 50 world's leading languages
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits

Conference Series Conferences

- 1000 Conferences all over the World every year
- Well organized scientific program
- Renowned speakers and scientists across the globe
- Poster presentations and world class exhibits
- Panel discussions and interactive sessions
- B2B meetings
- Perfect platform for Global Networking

Key features

- Presentation by renowned speakers from all over the world
- Poster presentations and world class exhibits
- Interactive Sessions
- Platform for global networking
- Connecting scientific community

About Melbourne

Melbourne is an amazing, diverse and beautiful destination with scenic views, impressive museums and excellent restaurants. The Royal Botanic Gardens, the Melbourne Zoo and St Kilda Beach are not to be missed. Other top attractions include the Australian Centre for the Moving Image, the Werribee Open Range Zoo, the Melbourne Cricket Ground, Degraves Street, the National Gallery of Victoria and the Melbourne Museum. With Melbourne's combination of world-class dining, art galleries, homegrown fashion and a packed sports calendar, it's no surprise Victoria's capital is regarded the world's most livable city.

Tenderly called "Grand Melbourne" amid the gold rush of the 1850s, the name is as yet utilized today for Australia's second biggest city. Situated on the banks of the Yarra River, close to the passageway to Port Phillip Bay, Melbourne is a present day city saturated with history.

Melbourne is a "city for all seasons". From meandering the concealed laneways and fantastic tree-lined boulevards to the sections of land of city patio nurseries and parklands encompassing the CBD, Melbourne is energetic, rich, and multicultural. Most visitors also venture to the bayside suburb of St. Kilda, an easy tram ride away. Melbourne is renowned for its vibrant urban lifestyle and culture, but there are also stunning sights, unique attractions and fun tours to enjoy.
