About Us

Our International Open Access Journals

- 700+ Leading-edge Peer Reviewed Open Access Journals
- 21 Day Rapid Review Process
- 50000+ Editorial Board Team, 35000+ Reviewers team
- 30 Million Readers and High Visibility
- 1000+ Scientific Associations Collaborations
- 100000+ Likes facebook
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

Salient Features

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages

Our International Scientific Conferences

- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

Salient Features

- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manu Scripts in our Open Access Journals

Special Issues: All accepted abstracts will be published in respective Conference Series llc LTD Journals

Each abstract will be provided with digital Object Identifier by Crossref

About Tokyo

Tokyo is Japan's capital and the world's most populous metropolis. It is also one of Japan's 47 prefectures, consisting of 23 central city wards and multiple cities, towns and villages west of the city center. The Izu and Ogasawara Islands are also part of Tokyo. It has neon, skyscrapers, salaryman crowds, packed trains, cutting-edge architecture and futuristic technology. But it also has ancient shrines, plant-covered wooden houses, cycling grannies, old-school sweet shops and village-like lanes.

Tokyo is a nirvana for foodies, and has the world's highest volume of Michelin stars in a city. Shopping is another highlight – it's worth bringing an empty suitcase to fill with hard-to-resist gadgets, trendsetting garments and treasures from craft and design stores. And now there's another reason to visit: the 2020 summer Olympics will take place in Tokyo. As a result, not only is the mood refreshingly upbeat, but a raft of new developments, hotels and infrastructure upgrades are in the pipeline.

With more than 12.5 million residents to entertain, Tokyo has a lot going on. Boasting the Tokyo National Museum, the National Museum of Nature and Science, the Ueno Zoo, and the sprawling green space, Ueno Park are the special places to visit in Tokyo. Edo-Tokyo Museum and the Imperial Palace resembles the history of Tokyo. And no trip here would be complete without visiting some of Tokyo's Buddhist and Shinto sites like the Sensoji Temple and the Meiji Shrine.
