About Bangkok
Bangkok is the capital and most famous city of the Kingdom of Thailand. The city occupies 1,568.7 square kilometers in the Chao Phraya River delta in Central Thailand and has a populace of more than eight million. The official cash in Bangkok is Baht (THB). Even though the Thai language is the most broadly used language of Bangkok, the migration of different non-Thai people group has prompted the penetration of numerous different languages in the place. Today, English has additionally gained momentum in different business and administrative zones and predominantly, in tourist locations.

Bangkok is linked with the other nations through the national highway and rail systems and in addition by domestic and International flights to and from the city's two international airports. Road-based transport is the principle mode of transport in Bangkok.

Bangkok is also called as "Krung Thep" which implies "City of Angels" and is a famous tourist destination, visited by a large number of guests from all around the world. The city is the well-known tourist spot of entire East Asia and represents a mix of tradition and modernity. Guests will appreciate its advanced skyscrapers, luxury hotels, and shopping malls, alongside the traditional Thai culture that still retains its own charm.

There are a lot of things to see and do in Bangkok; the city has impressive temples, galleries, showcases, shopping centers, various bars, night club, and cinemas and also, there are numerous cultural attractions, for example, national museums, the Siam Society, the Thailand Cultural Center, and the National Library. One of the most famous destinations is the floating market of Damnoen Saduak. It's where Visitors can taste local food, while an expert guide takes on a boat ride along the canals where visitors can purchase huge amounts of souvenirs for loved ones. Bangkok is a heaven for shopping lovers.
