Program Announcement

Accommodation

A large number of rooms have been reserved. Discounted room rates for Asian Hematology 2020 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by Public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Congress. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the field of Hematology and Cell Therapy

About Osaka

Japan's second-biggest city, Osaka is located in the Kansai region of Honshu island, and is the capital city of the vast Osaka Prefecture. The city is sited next to the Yodo River and alongside Osaka Bay, being divided into two main areas, the northern Kita region, and to the south, the Minami area, separated by the Tosabori-gawa and the Dojimagawa rivers.

Osaka's Minami district is particularly tourist friendly and boasts plenty of entertainment, busy shopping arcades and many top nightclubs, which are centered around both Shinsaibashi and Namba. South of Minami lies another collection of sights to explore, being centered around the prominent Tenno-ji Station and incorporating the neighborhoods of both Den-Den Town and Shin-Sekai.
