

2nd International Conference on

Microbiology

May 24-25, 2021 | Webinar

Theme: Advance reserach in Microbiology

Email: Contact @asiameets.com

INVITATION

Dear Attendees,

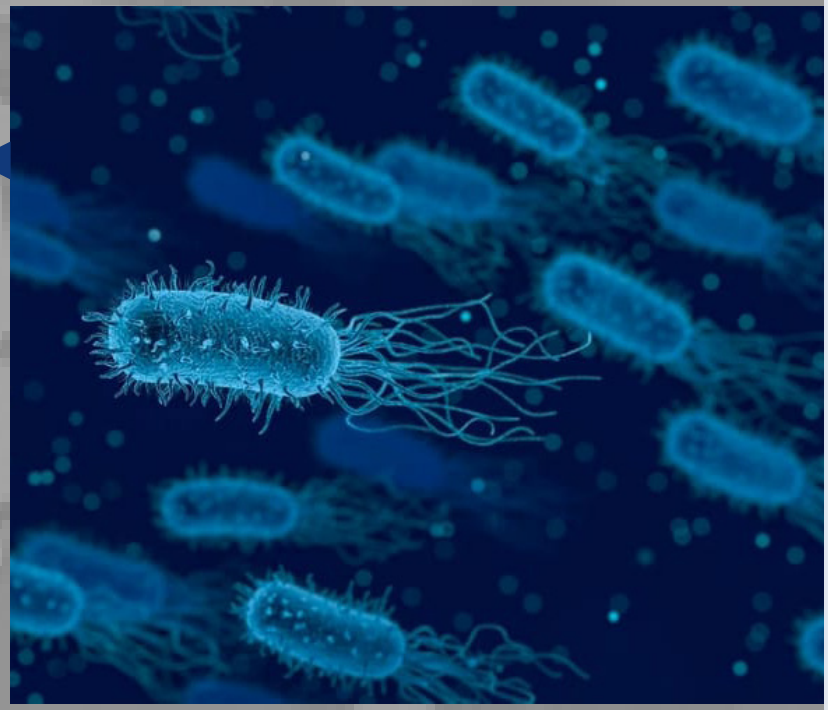

We are glad to announce the **2nd International Conference on Microbiology** to be held in **Webinar** on **May 24-25, 2021** organized in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members. **Asian Microbiology 2021** aims at sharing new ideas and technologies amongst the Dentists, Dental Surgeons, industrialists and students from research areas of Microbiology. As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. 2nd International Conference on Microbiology amid May 24-25, 2021 at Webinar. This consolidates incite keynote presentations, Oral talks, Poster presentations and Exhibitions.

Sincerely,

Asian Microbiology 2021

Organizing Committee

Asian Microbiology 2021

ABOUT US

Our International Open Access Journals

- 700+ Leading-edge Peer Reviewed Open Access Journals
- 21 Day Rapid Review Process
- 50000+ Editorial Board Team, 35000+ Reviewers team
- 30 Million Readers and High Visibility
- 1000+ Scientific Associations Collaborations
- 100000+ Likes
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

Salient Features

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages

Our International Scientific Conferences

- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

Salient Features

- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manu Scripts in our Open Access Journals

ABOUT CONFERENCES

We are glad to announce the **2nd International Conference on Microbiology** to be held in **Webinar** on **May 24-25, 2021** organized in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members. Asian Microbiology 2021 which aims to gather the most elegant societies and industries along with the renowned and honorable persons form top universities across the globe. Asian Microbiology 2021 on behalf of its organizing Committee welcomes all the Microbiology, research experts, medical educators, research fellow, postgraduates, industrialists, doctors, young scientists as well as student and corporate delegates to participate and to have a great experience. The theme of the conference is "Advance reserach in Microbiology". During Applied Microbes conferences, the International symposiums, B2B meetings, international workshops will also be organized to discuss the specific topics in the field of Microbiology.

Asian Microbiology 2021 salient features

- Meet Academia and Industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, Benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 150+ countries all through the year
- Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientist's representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking

Goals

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goals of the conference is to provide a transformative professional development experience through.
- Bringing together the world's scientific experts to catalyze and advance scientific knowledge about International Conference on Microbiology, present the most recent research findings, and promote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address regional, national and local responses to Elderly Population around the world and overcome barriers that limit access to care and services.

ABOUT CONFERENCES

Objectives

- After participating in this meeting, attendees should be able to
- Discuss and apply recent research findings related to Microbiology
- Reflect on the place of critical distance in Microbiology

Who should attend?

- Academicians including Professors, PhD Scholars, Students carrying out laboratory and field studies, Industrial Giants, healthcare professionals and the people Associated, Nobel laureates in Infectious Diseases researchers, councillor, doctors, young scientists as well as corporate delegates

Conference Sessions

- Microbiology
- Antimicrobial Resistance
- Microbiomes
- Vaccines & Antibiotics Production
- Pharmaceutical Microbiology
- Clinical Microbiology and Antimicrobials
- Industrial Microbiology
- Bacterial and Fungal Infectious Diseases
- Water Borne Diseases
- Prevention, Control and Treatment of Infectious Diseases

About hosting organization

Conference Series is the world's leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ ScientificSocieties. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by CROSSREF.
