14TH ANNUAL CONGRESS ON BIOAVAILABILITY AND BIOEQUIVALENCE

MARCH 30-31, 2023 DUBAI, UAE

We are glad to announce the " 14th Annual Congress on Bioavailability and Bioequivalence (BABE 2022), scheduled during March 30-31, 2023 Dubai, UAE, UAE is currently a well-known event that draws participants from around the world who are interested in sharing, exchanging, and exploring new directions in neurology and neuroscience as well as recent advancements in related research. At this two-day international conference, academics and business veterans will be among the more than 30 plenary speakers at the highest level. It serves as a venue for discussing issues that arise during actual practises or research into neurological diseases in order to raise awareness and develop practical solutions.e.

TARGET AUDIENCE

- Pharmacist Allied Health Personnel
- Bioinformatics
- Neurochemistry
- Pharmacologists in Clinical and Cellular Practice Neurologist
- Biotechnology Experts
- Neuropharmacology
- Neurophysiologist
- Neuropsychologist
- Neuroradiology
- Psychobiologist
- Medical Psychologist
- Pharmaceutical Formulations Used by Psychiatrists
- Manufacturing
- delivery of drugs
- Bioavailability
- Drug Evaluation
- Delivery Equipment

Sessions and Tracks

- Bioavailability
- Bioequivalence
- Factors Can Affect Bioavailability
- Requirements for Regulatory Bioequivalence
- Protocols for Bioequivalence
- Study Plans
- Biosimilars and biologics research for BA/BE
- Meaning of BA/BE Studies
- Clinical Pathways
- Trials in Clinical Pharmacology, Therapeutics, and Medicine
- Drug Design and Development Challenges
- Pharmaceutical Metabolization
- Biosimilars
- PK and PD approach in pharmacology
- Pharmaceutical Compounds
- Clinical Trials vs. Clinical Research
- Bio waivers based on BCS and IVIVC
- Recent biosimilars strategies
- Drug Security

Reminisence of Previous Years Speakers
