4TH ANNUAL CONGRESS ON ON BACTERIAL, VIRAL AND INFECTIOUS DISEASES

NOVEMBER 30, 2021 | WEBINAR

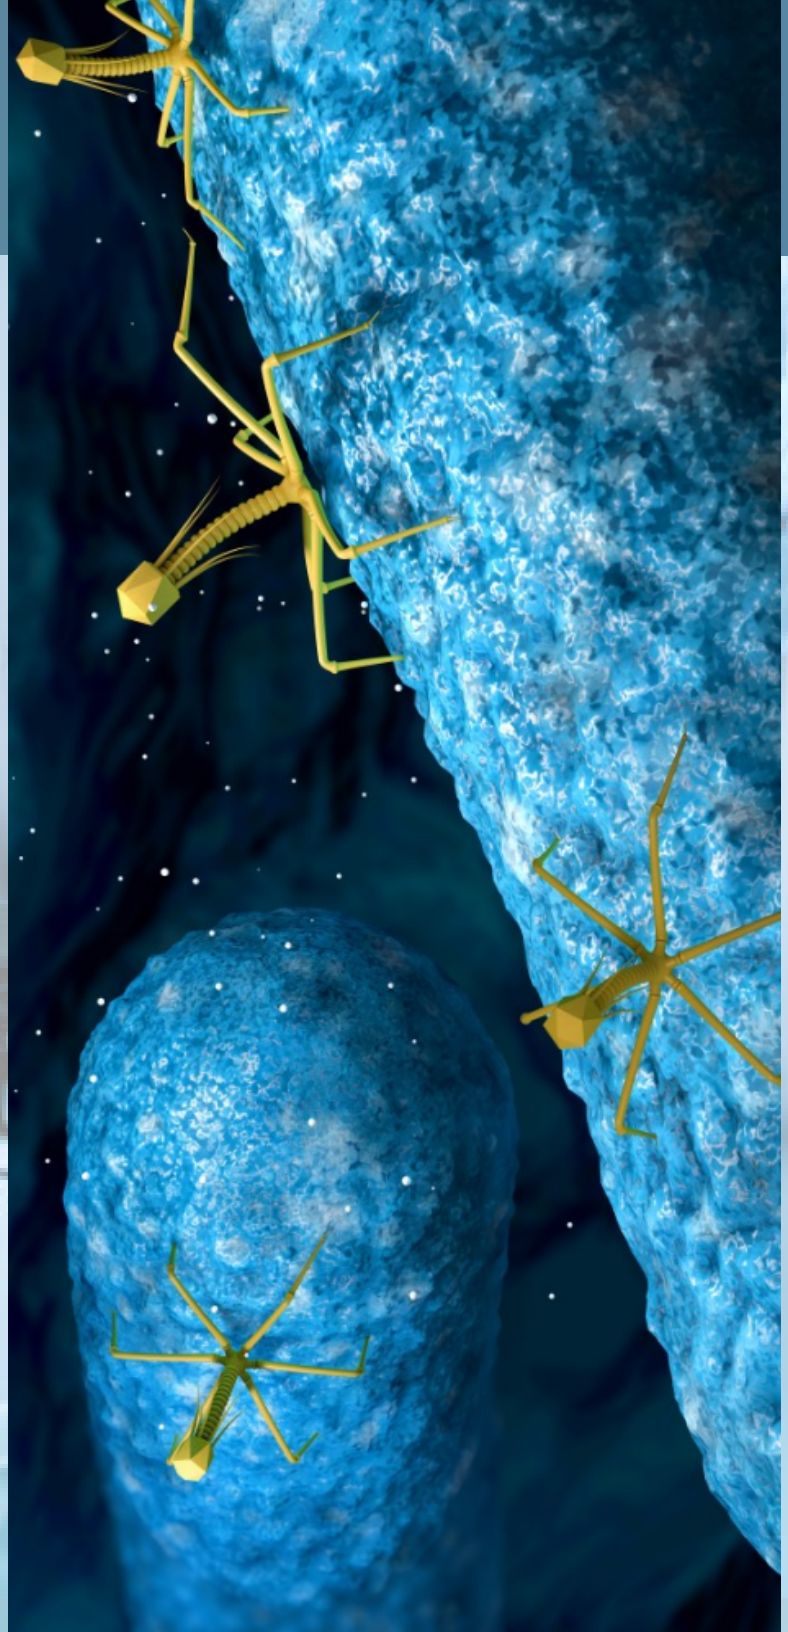

ABOUT CONFERENCE

ME Conferences is gratified to welcome you to be a part of “4th Annual Congress on Bacterial, Viral and Infectious Diseases” Webinar going to be scheduled on November 30, 2021. This Bacterial diseases 2021 Webinar will focus on the theme “A step towards advancements in novel research & eradication of Infectious Diseases” that provides a global platform to discuss about the present and future challenges.

Bacterial diseases 2021 will provide an international platform for discussion and representing their views on present and future challenges in various infectious diseases, latest diagnosis methods and modern treatments. It gives an opportunity to the young to represent their thought regarding the forensic bacteriology, forensic virology and the techniques regarding this

CONFERENCE HIGHLIGHTS

- Bacteriology
- Clinical pathology
- Biosensors and biofilms
- Bacterial Infectious diseases
- Pediatric pathology
- Microbial Molecular biology
- Recombinant protein production and Enzymology
- Foodborne Bacterial Infections
- Bacteriology of water
- Bacterial nanotechnology
- Antibacterial drugs
- Marine Microbiology and marine infectious diseases
- Soil bacteriology
- Diagnosis and treatment of infectious diseases
- Industrially important microorganisms
- Microbial immunology
- Vaccines and therapeutics
- Enzymology

TARGET AUDIENCE:

- Bacteriologists
- Infectious Diseases Specialists
- Microbiologist
- Virologists
- Mycologists
- Immunologists
- Haematologists
- Endocrinologists
- Dentists
- Orthopaedic Specialists
- Pharmacists
- Dermatologists
- Nephrologists
- Urologists
- Neurologists
- Parasitologists
- Epidemiologists
- Ophthalmologists
- Otolaryngologists
- Paediatricians
- Pathologists
- Medical & Pharmacy Companies
- Medical Devices and drug Manufacturing Companies
- Laboratory Technicians and Diagnostic Companies
- Business Entrepreneurs and Industrialists
- Tropical Medicine and Infectious Diseases
- Medical and Pharmaceutical Industries
- Health Care Professionals
- Research Associations and Institutions
- Students
