

Invitation

Dear Attendees,

Conference Series LLC Ltd welcomes you to attend the **7th International Conference and Exhibition on Bacteriology & Antibiotics** during **April 26-27, 2019** at **Vancouver, Canada**. We cordially invite all the participants who are interested in sharing their knowledge and research in the arena of Bacteriology & Antibiotics.

Bacteriology 2019 anticipates more than 300 participants around the globe with thought provoking Keynote lectures, Oral and Poster presentations. The attending delegates include Editorial Board Members of related Conference Series LLC Ltd Journals.

This is an excellent opportunity for the delegates from Universities and Institutes to interact with the world class Scientists. The intending participants can confirm their participation by registering for the conference along with your colleagues. Avail the delegate early bird offer.

The main theme of the conference is "**Challenges and New Concepts in Bacteriology & Antibiotics Research**".

As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and vibrant interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. Attend the Bacteriology Conference to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to personally welcoming you to **Vancouver** this **April**.

Sincerely,

Bacteriology 2019 | Organizing Committee
