WELCOME ADDRESS

Dear Attendees,

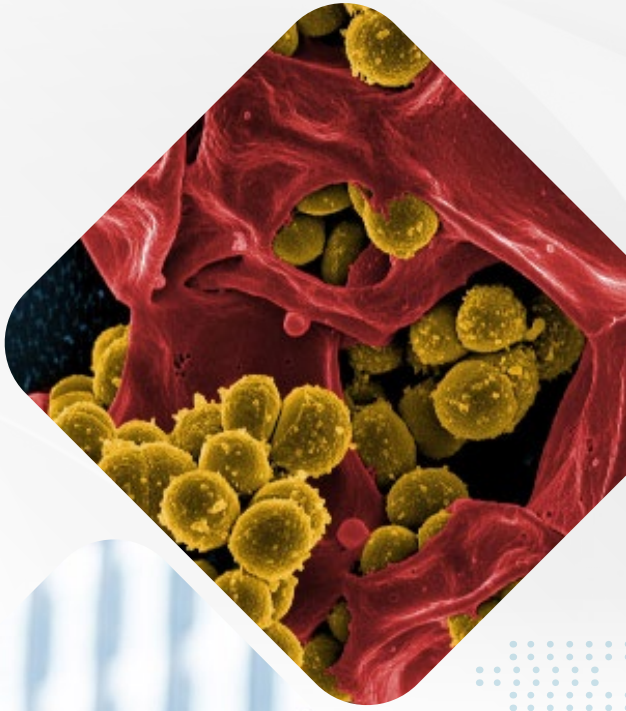

The Bacteriology 2025 Organizing Committee is absolutely delighted to welcome you to the **9th International Conference on Bacteriology and Microbiology** which will be held in **Paris, France** on **November 13-14, 2025,** where we will be shining a spotlight on "Microbial Frontiers: Exploring Bacteria in Health, Industry, and the Environment".

We are looking forward to providing you with a superb environment in which to present, discuss and advance your bacteriology research. The world class scientific programme will consolidate existing knowledge while at the same time increase your awareness of leading edge and forward looking advances in the field.

The congress is to be held in one of the world's most important global cities which offers a blend of imperial traditions, music, and endearing charm, which is called as Paris. It exerts considerable influence on the arts, commerce, education, entertainment, fashion, finance, healthcare, media, professional services, research and development, tourism, and transportation. What better place to combine leading edge science with an unsurpassed personal experience.

We look forward to seeing/welcoming you in 2025 for an experience of a lifetime.

With Regards
Bacteriology 2025
Organizing Committee

ABOUT US

About Hosting Organization

Conference Series is the world's leading specialist in organizing academic, scientific and business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology, Business and many more to promote scientific research.

Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by Crossref

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 50+ countries all through the year
- Over 25 Million+ Visitors and 25000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking Add a little bit of body text.

Bacteriology 2025 salient features

- Meet academia and industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, benchmarking and networking offered at one place
- Forge connections and for global networking
- Highly organized and structured scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

ABOUT US

Goals & Objectives

- The Bacteriology 2025 aims to bring together leading world's scientific experts, academic professionals, scientists, specialists, researchers, scholars, business delegates and students to exchange and share their experiences and research results on all aspects of bacteriology.
- It also provides an interdisciplinary platform for policy makers, community leaders, business activists, scientists and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of Bacteriology.
- We aim to bring the research and innovations happening across the parts of the globe to facilitate interaction, knowledge sharing and exchange. We also aim to inspire university professors, students, researchers, clinicians and entrepreneurs.

About Conference

9th International Conference on Bacteriology and Microbiology is among the World's leading Scientific Conference. The two day event on Bacteriology and Microbiology will host Major scientific and technical sessions along with the sub-sessions on cutting edge research and latest research innovations in the field of bacteriology & its related issues across the globe. To foster the best learning environment we have designed some of the sessions this year for Bacteriology conference which will comprises of 15 major sessions designed to offer comprehensive sessions that address current issues in various fields of Bacteriology and microbiology.

Besides the attendees can find prestigious plenary and invited lectures, various shorter talks and poster sessions which will give the opportunity to most participants to present their work at the Congress. This congress on Bacteriology provides an opportunity to meet experts, professionals, academicians and researchers from all over the world. Execute new methods or revise existing methods based on best presented facts as presented at **Bacteriology 2025**.

ABOUT CONFERENCE

Who Should Attend?

Bacteriology 2025 Conference website is attracting 56000+ bacteriologist, histopathologist, public health experts, microbiologists, virologists, clinical microbiologists, pathologists, epidemiologists, laboratory scientists, specialists, researchers, professionals, speakers, professors, business delegates and students.

Why to Attend?

- Find out what's new
- Meet experts & influencers face to face
- To present your ideas and work to others
- Networking for future collaborations
- The focus & energy of Like-Minded Individuals
- Fresh way of knowledge transfer
- Learn beyond your field or interest
- Meet, collaborate & get inspired
- Travel and extend your comfort zone

Conference Highlights

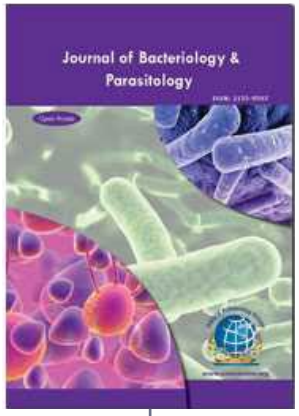

- Advances in Bacteriology and Microbiology
- Microbial Pathogenesis and Host Interactions
- Clinical Microbiology and Infectious Diseases
- Antimicrobial Resistance and Antibiotic Alternatives
- Microbiome and Human Health
- Industrial Microbiology and Biotechnology
- Environmental Microbiology and Bioremediation
- Bacterial and Microbial Genomics & Proteomics
- Food Microbiology and Safety
- Medical and Pharmaceutical Microbiology
- Microbial Ecology and Evolution
- Synthetic and Systems Microbiology
- Plant and Agricultural Microbiology
- Veterinary Microbiology and Animal Health
- Public Health Microbiology and Epidemiology

TESTIMONIALS

The conference was exciting. I enjoyed so much meeting new colleagues at the venue. I would like to express my sincere gratitude to you for your assistance and opportunity. It was a good experience attending this conference.

Amur Margaryan
National Science Laboratory, USA

The conference was very successful and staff members were very helpful. Workflow was good. Thank you for organizing the conference for us people.

Kuang-Hui Chi
National Yunlin University of Science & Technology, Taiwan

That is excellent. This time, I will encourage my friends and colleagues to attend. I will submit abstracts for the conference too.

Sudhanshu Sekhar Panda
University of North Georgia, USA

The organization of the conference was perfect and I was very glad of the warm welcome, of the scientific and human relationships among participants.

Ida PucciMinafra
University of Palermo, Italy

The conference was well organized and the committee was outstanding in keeping the whole event lively.

MouradTayebi
University of Surrey, England

It was wonderful event. I enjoyed presenting my talk. There were questions, comments, and interests in what I presented.

Ram Shanmugam
Texas State University, USA

ABOUT PARIS

Paris is the capital and largest city of France, situated along the Seine River in the north-central region. Known as “The City of Light,” it is famous for its iconic landmarks such as the Eiffel Tower, Louvre Museum, and Notre-Dame Cathedral. Paris is a global center for fashion, art, and gastronomy, with over 130 museums and numerous historic sites attracting millions of visitors each year. With a population of about 2.1 million, it serves as France’s cultural, economic, and political hub, blending tradition with modernity.

The city is home to prestigious universities like the Sorbonne and Sciences Po, making it a key center for education and research. Paris also plays a major role in international diplomacy, hosting organizations such as UNESCO and the OECD. It is a top destination for global conferences and events, further cementing its influence on the world stage. With its charming streets, renowned cafés, and vibrant lifestyle, Paris continues to be one of the most admired and visited cities in the world.

REGISTRATIONS

Registration Payment Method:

Payment of registration fees (in EUR, USD & GBP) can be done by the following methods:

- By Credit Card: Visa, MasterCard or American Express
- By Bank Transfer

For group registrations please contact/email us at:
events@conferenceseries.com

Academic

Only Registration: € 599
Package A (Registration + 2 nights' Accommodation): € 899
Package B (Registration + 3 nights' Accommodation): € 1049

Business

Only Registration: € 699
Package A (Registration + 2 nights' Accommodation): € 999
Package B (Registration + 3 nights' Accommodation): € 1149

Student

Student Delegate: € 399
Young Researcher Forum: € 349

Important Dates

Abstract submission opens: March 20, 2025
Registration opens: March 20, 2025
On spot registration: November 13, 2025

Registration Benefits:

- ✓Access to all Sessions
- ✓Handbook & Conference Kit
- ✓Certificate Accreditation from the Organizing Committee
- ✓Abstracts will be published in the conference souvenir and respective international journal
- ✓Each registrant will get 50% abatement on manuscript publication fee
- ✓2 Coffee breaks (Refreshments and snacks) during the conference
- ✓Lunch during the conference
- ✓Wi-Fi access

To register online, please visit:
