WELCOME ADDRESS

Dear Attendees,

The Biofuels-Bioenergy 2026 Organizing Committee is absolutely delighted to welcome you to the **20th World Congress on Biofuels and Bioenergy** which will be held in **Rome, Italy** on **September 14-15, 2026,** where we will be shining a spotlight on *"Bioenergy for Sustainable Development"*.

We are looking forward to providing you with a superb environment in which to present, discuss and advance your Bioenergy research. The world class scientific programme will consolidate existing knowledge while at the same time increase your awareness of leading edge and forward looking advances in the field.

The congress is to be held in one of the world's most important global cities which stands on the River Thames in southeast England, which is called as London. It exerts considerable influence on the arts, commerce, education, entertainment, fashion, finance, healthcare, media, professional services, research and development, tourism, and transportation. What better place to combine leading edge science with an unsurpassed personal experience.

We look forward to seeing/welcoming you in 2026 for an experience of a lifetime.

With Regards
Biofuels-Bioenergy 2026
Organizing Committee

ABOUT US

About Hosting Organization

Conference Series is the world's leading specialist in organizing academic, scientific and business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology, Business and many more to promote scientific research.

Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by Crossref

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 50+ countries all through the year
- Over 25 Million+ Visitors and 25000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking Add a little bit of body text.

Biofuels-Bioenergy 2026 salient features

- Meet academia and industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, benchmarking and networking offered at one place
- Forge connections and for global networking
- Highly organized and structured scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

ABOUT US

Goals & Objectives

- The Biofuels-Bioenergy 2026 aims to bring together leading world's scientific experts, academic professionals, scientists, specialists, researchers, scholars, business delegates and students to exchange and share their experiences and research results on all aspects of Bioenergy research, Biomass & Algal Biofuel Production.
- It also provides an interdisciplinary platform for policy makers, community leaders, business activists, scientists and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of bioenergy.
- We aim to bring the research and innovations happening across the parts of the globe to facilitate interaction, knowledge sharing and exchange. We also aim to inspire university professors, students, researchers, clinicians and entrepreneurs

About Conference

20th World Congress on Biofuels and Bioenergy is among the World's leading Scientific Conference. The two day event on Bioenergy will host Major scientific and technical sessions along with the sub-sessions on cutting edge research and latest research innovations in the field of emerging Bioenergy & its related issues across the globe. To foster the best learning environment we have designed some of the sessions this year for Bioenergy conference which will comprises of 18 major sessions designed to offer comprehensive sessions that address current issues in various fields of Bioenergy.

Besides the attendees can find prestigious plenary and invited lectures, various shorter talks and poster sessions which will give the opportunity to most participants to present their work at the Congress. This congress on Bioenergy provides an opportunity to meet experts, professionals, academicians and researchers from all over the world. Execute new methods or revise existing methods based on best presented facts as presented at **Biofuels-Bioenergy 2026**.

ABOUT CONFERENCE

Who Should Attend?

Biofuels-Bioenergy 2026 Conference website is attracting 56000+ Bioproduct companies, Bioenergy Associations, Bioenergy Researchers, Bioenergy Industry, Bioenergy Scientists, Nuclear energy Engineers, Bioenergy technology Engineers, Renewable energy Organizations and Associations, Solar Energy companies, researchers, professionals, speakers, professors, business delegates and students.

Why to Attend?

- Find out what's new
- Meet experts & influencers face to face
- To present your ideas and work to others
- Networking for future collaborations
- The focus & energy of Like-Minded Individuals
- Fresh way of knowledge transfer
- Learn beyond your field or interest
- Meet, collaborate & get inspired
- Travel and extend your comfort zone

Conference Highlights

- Sustainable energy and economy
- Biogas
- Waste to Energy
- Green Energy and Economy
- Biofuels
- Biodiesel
- Processes for Bioenergy
- Energy and Environment
- Bioenergy Transition
- Entrepreneurs Investment Meet
- Bioscience and Bioengineering
- Sustainable Energy
- Sustainability and Climate Change
- Green Chemistry & Green Revolution
- Environmental science and Technology
- Pollution Control and Climate Change
- Chemical Engineering and its applications
- Advances in Renewable Chemicals
- Solar Energy
- Biomass

TESTIMONIALS

The conference was exciting. I enjoyed so much meeting new colleagues at the venue. I would like to express my sincere gratitude to you for your assistance and opportunity. It was a good experience attending this conference.

Amur Margaryan
National Science Laboratory, USA

The conference was very successful and staff members were very helpful. Workflow was good. Thank you for organizing the conference for us people.

Kuang-Hui Chi
National Yunlin University of Science & Technology, Taiwan

That is excellent. This time, I will encourage my friends and colleagues to attend. I will submit abstracts for the conference too.

Sudhanshu Sekhar Panda
University of North Georgia, USA

The organization of the conference was perfect and I was very glad of the warm welcome, of the scientific and human relationships among participants.

Ida PucciMinafra
University of Palermo, Italy

The conference was well organized and the committee was outstanding in keeping the whole event lively.

MouradTayebi
University of Surrey, England

It was wonderful event. I enjoyed presenting my talk. There were questions, comments, and interests in what I presented.

Ram Shanmugam
Texas State University, USA

ABOUT ROME

Rome is the capital and largest city of Italy, located in the central-western part of the Italian Peninsula along the banks of the Tiber River. With a population of around 2.8 million within the city and over 4.3 million in its metropolitan area, Rome is one of the most populous cities in Europe. It is often referred to as the "Eternal City" due to its long and continuous history spanning more than 2,500 years.

Founded, according to legend, in 753 BCE, Rome began as a small settlement and grew into the heart of the powerful Roman Empire. During antiquity, it became one of the largest and most influential cities in the world, serving as the political, cultural, and economic center of Western civilization. The city later became the center of the Roman Catholic Church, with Vatican City—the world's smallest independent state—located within its boundaries.

Rome is renowned for its extraordinary cultural heritage, featuring iconic landmarks such as the Colosseum, the Roman Forum, and Pantheon. These monuments reflect its ancient grandeur and have earned the historic center of Rome recognition as a UNESCO World Heritage Site.

Geographically, Rome is characterized by its rolling hills—famously known as the Seven Hills—and its proximity to the Tyrrhenian Sea. The city enjoys a Mediterranean climate, with hot, dry summers and mild, wet winters.

Today, Rome is a major global city and a leading tourist destination, attracting millions of visitors each year. It is also a center for education, politics, fashion, and international diplomacy. The city hosts numerous global events, cultural festivals, and international conferences, reinforcing its role as one of the most historically rich and culturally vibrant cities in the world.

REGISTRATIONS

Registration Payment Method:

Payment of registration fees (in EUR, USD & GBP) can be done by the following methods:

- By Credit Card: Visa, MasterCard or American Express
- By Bank Transfer
- By Pay-pal

For group registrations please contact/email us at:
biofuels-bioenergy@global-meets.com

Academic

Only Registration: € 649
Package A (Registration + 2 nights' Accommodation): € 1399
Package B (Registration + 3 nights' Accommodation): € 1499

Business

Only Registration: € 749
Package A (Registration + 2 nights' Accommodation): € 1499
Package B (Registration + 3 nights' Accommodation): € 1599

Student

Student Delegate: € 399
Young Researcher Forum: € 549

Important Dates

Abstract submission opens: June 29, 2026
Registration opens: June 29, 2026
On spot registration: September 14, 2026

Registration Benefits:

- ✓Access to all Sessions
- ✓Handbook & Conference Kit
- ✓Certificate Accreditation from the Organizing Committee
- ✓Abstracts will be published in the conference souvenir and respective international journal
- ✓Each registrant will get 50% abatement on manuscript publication fee
- ✓2 Coffee breaks (Refreshments and snacks) during the conference
- ✓Lunch during the conference
- ✓Wi-Fi access

To register online, please visit:
