Annual Congress on Biofuels and Bioenergy	
Date: December 07-08 2022, Paris, France (Time Zone: UK, British Summer Time)	
DAY 1	
ORAL PRESENTATIONS	
10:00-10:25	**Title:** Analysis of the biomass and biofuel potential for green energy generation in Albania Speaker: Dr. Lorenc Gordani, Head of the Department of Professional Masters in the Faculty of Law at the Tirana Business University (TBU), Albania.
10:25-10:50	**Title: The sweet fuel: Getting fuel from sucrose (table sugar)** Speaker: Dr. Al-Baraa Akram, University: Department of Pharmaceutical Biotechnology, Portland laboratory in De Montfort University in Leicester, United Kingdom.
10:50-11:15	**Title: Effect of soil surface unevenness, clod size and its travel speed on field performance maize planters** Speaker: Dr. Isham Alzoubi, University: Department of Surveying and Geomatics Engineering, Tehran.
11:15-11:40	**Title: To be updated** Speaker:
11:40-12:05	Title: The potential of biogas technology in fuelwood saving and carbon emission reduction in Central Rift Valley, Ethiopia Speaker: Dr. Tamiru Kefalew, University: Forestry, Madda Walabu University, Bale Robe, Oromia, Ethiopia.
12:05-12:30	**Title: Speaker Slot Available** Speaker:
12:30-12:55	**Title: Speaker Slot Available** Speaker:
12:55-13:20	**Title:** Hydrodynamic behaviour of fluidization with temperature in bubbling fluidized bed gasifier for catalyst and non-catalyst rice husk gasification Speaker: Dr. Dharminder Singh, University: Department of Civil Engineering at Aryans College of Engineering.
BREAK 13:20-14-00	
14:00-14:25	**Title: To be updated** Speaker:
14:25-14:50	Title: Indian Biofuels Program: Scenarios to achieve Objectives Speaker: Dr. Phani Mohan Krishna Kancharla, Director Trade and Logistics at Anagha Datta Trade.
14:50-15:15	**Title: Speaker Slot Available** Speaker:
15:15-15:40	**Title: Comparative Appraisal of Nutrient Recovery, Bio-crude and Bio-Hydrogen Production using Coelestrella sp. in a Closed loop Biorefinery** Speaker: Dr. Hari Shankar Kopperi, University: Department of Energy and Environmental Engineering, CSIR-Indian Institute of Chemical Technology (CSIR-IICT), Hyderabad.
15:40-16:05	**Title: Speaker Slot Available** Speaker:
16:05-16:30	**Title: Speaker Slot Available** Speaker:
Awards & Closing Ceremony
