10+ Keynote Speakers

3+ Training Courses

5+ Workshops

50+ Speakers

150+ Delegates

B2B Meetings

Networking with Expers

20+ Exhibitors

About the conference

The 21st Global Biomarkers and Clinical Research Summit, scheduled for September 22-23, 2025, in Paris, France, will bring together leading scientists, clinicians, and industry experts to discuss the latest advancements in biomarker research and their pivotal role in clinical practice. Biomarkers are transforming the landscape of personalized medicine, offering new avenues for early detection, diagnosis, and treatment of diseases. This summit will focus on the integration of biomarkers into clinical trials, drug development, and precision medicine, alongside emerging technologies such as AI-driven diagnostics and next-generation sequencing.

The event will feature a diverse range of topics including biomarker discovery, validation, regulatory challenges, and their clinical applications in various therapeutic areas such as oncology, cardiology, neurology, and rare diseases. Participants will have the opportunity to engage in keynote lectures, panel discussions, and hands-on workshops, fostering a collaborative environment for knowledge exchange and innovation. With contributions from academia, industry, and regulatory bodies, the summit aims to bridge the gap between research and clinical implementation, paving the way for future breakthroughs in healthcare.

Theme: ""Collaborative Innovations: Building Networks in Biomarker and Clinical Research"

Why to attend the conference

Attending the 21st Global Biomarkers and Clinical Research Summit provides a unique opportunity to stay at the forefront of biomarker research and clinical innovation. Whether you are a researcher, clinician, or industry professional, this summit will offer valuable insights into the latest scientific discoveries, technological advancements, and regulatory considerations in the field.

WhatsApp: +44 2045861247 Email Id: biomarkers@europeanmeets.com

Sessions of the conference

- Novel Biomarker Discovery Techniques
- Omics Approaches in Biomarker Identification
- Biomarkers in Precision Medicine
- Clinical Applications of Biomarkers in Oncology
- Biomarkers in Cardiovascular Diseases
- Microbiome as a Biomarker: Implications for Health
- Pharmacogenomics and Biomarkers in Drug Development
- Biomarkers in Autoimmune Disorders
- Integrating AI and Machine Learning in Biomarker Research
- Regulatory Considerations for Biomarker Validation
- Biomarkers in Infectious Diseases
- Liquid Biopsies: Techniques and Applications
- Biomarkers in Neurological Disorders
- Personalized Treatment Strategies Based on Biomarker Profiles
- Biomarkers for Early Detection of Chronic Diseases
- Biomarkers in Rare Diseases: Challenges and Opportunities
- Ethical Considerations in Biomarker Research
- Biomarker Development in Clinical Trials
- Biomarkers in Women's Health
- Biomarkers and Patient-Centric Research
- Next-Generation Sequencing in Biomarker Discovery
- Validation of Biomarkers in Real-World Settings
- Biomarkers for Response Prediction in Immunotherapy
- Biomarkers in Pediatric Medicine
- Bioinformatics Approaches in Biomarker Analysis
- Role of Proteomics in Biomarker Discovery
- Biomarkers and Patient Stratification in Clinical Practice
- Integration of Biomarkers in Health Economics and Outcomes Research
- Collaborative Models in Biomarker Research
- Future Directions in Biomarker Research and Development

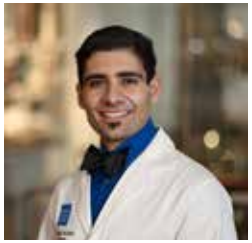

WhatsApp: +44 2045861247

OCM's & Renowned Speakers of the Conference

Mayar Al Mohajer
Baylor St. Lukeaes Medical Center, USA

Sergey Brodsky
The Ohio State University Wexner Medical Center, USA

Sean Hall
Medlab Clinical LTD, Australia

Neda Zarrin Khammeh
Baylor College of Medicine, USA

Zayde Ayvaz
Canakkale Onsekiz Mart University, Turkey

Zada Pajalic
Oslo and Akershus College of Applied Sciences, Sweden

Andreas Scherer
Project Director, University of Helsinki, Finland

Claudio Nicolini
Life President, Nanoworld Institute (Bergamo), Italy

Alain Moreau
Director of Research, Sainte-Justine University Hospital Research Center, Canada

Special Benefits

- Research Excellence Award
- Scientific Service Achievement Award)
- The Research Contribution Award
- The Upcoming Researcher Award
- The Women of Science Award
- Outstanding speaker in Biomarkers 2025
- Best Keynote Speaker in Biomarkers 2025
- Best Poster Presentation in Biomarkers 2025
- Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation in Biomarkers 2025 Young Research Forum
- Best Presentation honorarium

Publication Opportunities

We provide you with the opportunity to publish your article with our Scopus indexed journals so that you can advance upward academic mobility through access to high-quality research and publication material.

Paris City Attractions

Glimpses of the previous conference

Sponsorship and Exhibition

Diamond

- Three workshop slots (audio visual included).
- Two complimentary exhibit booths with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm)
- Four complimentary registrations
- Logo recognition on congress website front page with link, sponsorship page
- One A4 color advertisement in the congress souvenir
- Three inserts provided by the sponsor in the congress delegate bags

Platinum

- Two corporate sponsored workshop slots
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm)
- Three complimentary congress registrations
- Logo recognition on congress website front page with link and logo recognition on congress sponsorship page
- One A4 color advertisement in the congress souvenir
- Two inserts provided by the sponsor in the congress delegate bags.

Diamond

- Three workshop slots (audio visual included).
- Two complimentary exhibit booths with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm)
- Four complimentary registrations
- Logo recognition on congress website front page with link, sponsorship page
- One A4 color advertisement in the congress souvenir
- Three inserts provided by the sponsor in the congress delegate bags

Exhibition

- One complimentary congress registration
- Set up of one tailor-made exhibit booth (Booth Size 3x3 sqm)
- Logo recognition on congress website sponsorship page
- Color Advertisement in Congress souvenir
- Inclusion of your company's leaflet/insert in the congress delegate bags
- An exclusive online promotion on all our social Networking Sites
- Shape and raise your corporate image through logo branding
- Press Release on behalf of your company

Sponsorship and Exhibition

Registrations

Academic Registration	: 480 Euro
Business Registration	: 579 Euro
Registration + Article Publication	: 1599 Euro
Student Registration	: 409 Euro
Young Research Forum	: 459 Euro
Video Presentation	: 279 Euro
E-Poster	: 330 Euro
Webinar	: 379 Euro

Important Dates

Early bird Registration before	: Oct 28, 2024
General Registration before	: Nov 28, 2024
Final Registration before	: September 22, 2025
Submit abstract before	: May 28, 2025
