WELCOME ADDRESS

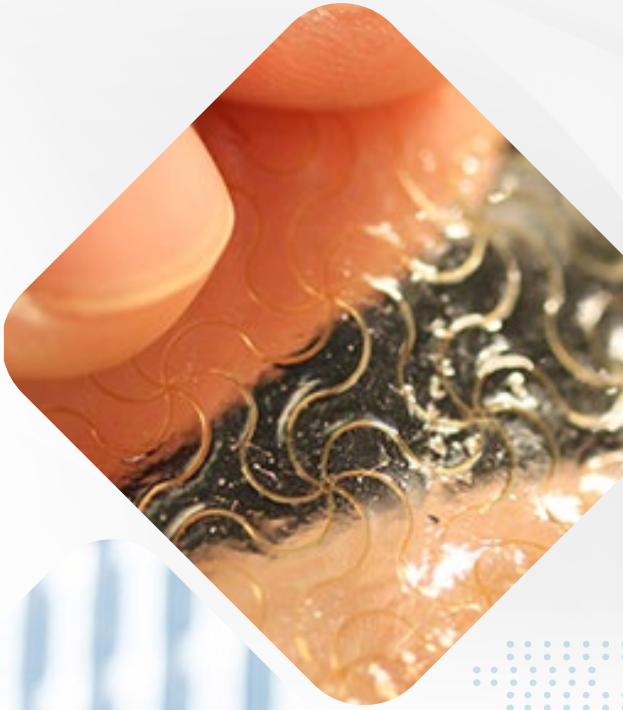

We are glad to announce the **9th Annual Conference and Expo on Biomaterials** to be held in **Vienna, Austria** during **May 30-31, 2024** organized by Conference Series llc LTD, Europe in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members.

Biomaterials 2024 will be available to discuss the latest trends and research practices applied to the address factors related to Biomaterials and related topics.

As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts. Life is full of give and take. Make it count in your professional life. Attend the Biomaterials 2024 to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to personally welcoming you to Vienna this May.

Sincerely
Biomaterials 2024

ABOUT US

About Hosting Organization

Conference Series LLC Ltd is the world's leading specialist in organizing academic, scientific and business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology, Business and many more to promote scientific research.

Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by Crossref

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 50+ countries all through the year
- Over 25 Million+ Visitors and 25000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking Add a little bit of body text.

Biomaterials 2024 salient features

- Meet academia and industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, benchmarking and networking offered at one place
- Forge connections and for global networking
- Highly organized and structured scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

ABOUT US

Goals & Objectives

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goal of the conference is to provide a transformative professional development experience.
- Bringing together the world's scientific experts to catalyze and advance scientific knowledge about Biomaterials present the most recent research findings and promote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively discuss the latest research findings.

About Conference

9th Annual Conference and Expo on is among the World's leading Scientific Conference. The two day event on Biomaterials will host Major scientific and technical sessions along with the sub-sessions on cutting edge research and latest research innovations in the field of emerging Biomaterials & its related issues across the globe. To foster the best learning environment we have designed some of the sessions this year for Biomaterials Conference which will comprises of 10 major sessions designed to offer comprehensive sessions that address current issues in various fields of Biomaterials .

Besides the attendees can find prestigious plenary and invited lectures, various shorter talks and poster sessions which will give the opportunity to most participants to present their work at the Congress. This congress on Biomaterials provides an opportunity to meet experts, professionals, academicians and researchers from all over the world. Execute new methods or revise existing methods based on best presented facts as presented at **Biomaterials 2024**.

ABOUT CONFERENCE

Who Should Attend?

Biomaterials 2024 Conference website is attracting 56000+ Professionals, Professors and Students,Industrial experts, Academic speakers, Pharmaceutical Companies, Decision-Makers, researchers, professionals, speakers, professors, business delegates and students.

Why to Attend?

- Find out what's new
- Meet experts & influencers face to face
- To present your ideas and work to others
- Networking for future collaborations
- The focus & energy of Like-Minded Individuals
- Fresh way of knowledge transfer
- Learn beyond your field or interest
- Meet, collaborate & get inspired
- Travel and extend your comfort zone

Conference Highlights

- Biomaterials
- Properties of Biomaterials
- Advanced Biomaterials
- Polymer Biomaterials
- Dental Biomaterials
- Biomaterials and Nanotechnology
- 3D Printing of Biomaterials
- Biodegradable Biomaterials
- Bioinspired Materials
- Biomaterials in Drug Delivery Systemst

TESTIMONIALS

The conference was exciting. I enjoyed so much meeting new colleagues at the venue. I would like to express my sincere gratitude to you for your assistance and opportunity. It was a good experience attending this conference.

Ocky Karna Radjasa
Diponegoro University, Indonesia

The conference was very successful and staff members were very helpful. Workflow was good. Thank you for organizing the conference for us people.

Peng Tian
United States Department of Agriculture, USA

That is excellent. This time, I will encourage my friends and colleagues to attend. I will submit abstracts for the conference too.

Zhiheng Pei
New York University School of Medicine, USA

The organization of the conference was perfect and I was very glad of the warm welcome, of the scientific and human relationships among participants.

Guan Yuntao
Tsinghua University, China

The conference was well organized and the committee was outstanding in keeping the whole event lively.

Haifeng Jia
Tsinghua University, China

It was wonderful event. I enjoyed presenting my talk. There were questions, comments, and interests in what I presented.

Hui Wang
Tsinghua University, China

ABOUT VIENNA

Vienna, the capital city of Austria, is a vibrant metropolis known for its rich history, stunning architecture, and cultural heritage. Situated on the banks of the Danube River, Vienna exudes charm and elegance, offering visitors a unique blend of imperial grandeur and modern sophistication.

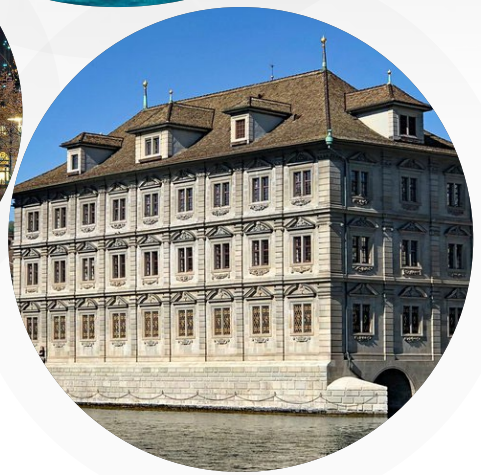

One of Vienna's most iconic landmarks is the historic Hofburg Palace, which served as the residence of the Habsburg dynasty for centuries. Today, the palace complex houses several museums, including the Imperial Apartments and the Sisi Museum, offering insights into the city's royal past.

The city's architectural beauty is further enhanced by its magnificent palaces, cathedrals, and churches. The Belvedere Palace, with its Baroque architecture and lush gardens, is a masterpiece of Austrian art and design. St. Stephen's Cathedral, with its towering spire and intricate Gothic details, is another must-visit landmark that dominates the city skyline.

Vienna is also renowned for its vibrant cultural scene, with world-class museums, theaters, and concert halls. The Kunsthistorisches Museum showcases an impressive collection of art and artifacts, including works by masters such as Rembrandt and Vermeer. The Vienna State Opera, one of the most prestigious opera houses in the world, hosts spectacular performances throughout the year.

REGISTRATIONS

Registration Payment Method:

Payment of registration fees (in EUR, USD & GBP) can be done by the following methods:

- By Credit Card: Visa, MasterCard or American Express
- By Bank Transfer
- By Pay-pal

For group registrations please contact/email us at:
events@conferenceseries.com

Academic

Only Registration: € 599
Package A (Registration + 2 Nights Accommodation): € 999
Package B (Registration + 3 Nights Accommodation): € 1199

Business

Only Registration: € 699
Package A (Registration + 2 Nights Accommodation): € 1099
Package B (Registration + 3 Nights Accommodation): € 1299

Student

Student Delegate: € 449
Young Researcher Forum: € 499

Important Dates

Abstract submission opens: February 01, 2024
Registration opens: February 01, 2024
On spot registration: May 30, 2024

Registration Benefits:

- ✓Access to all Sessions
- ✓Handbook & Conference Kit
- ✓Certificate Accreditation from the Organizing Committee
- ✓Abstracts will be published in the conference souvenir and respective international journal
- ✓Each registrant will get 50% abatement on manuscript publication fee
- ✓2 Coffee breaks (Refreshments and snacks) during the conference
- ✓Lunch during the conference
- ✓Wi-Fi access

To register online, please visit:
