ABOUT VENUE

Dublin is the capital city of Ireland. Situated on a bay on the east coast, at the mouth of the River Liffey, it situated in the province of Leinster. It is located on the south with the Dublin Mountains, a part of the Wicklow Mountains range. The urban area population of 1,173,179.

Dublin is a contemporary centre for education, the arts, administration and industry. In 2018 dublin was listed by the Globalization and World Cities Research Network (GaWC) as a global city, with a ranking of “Alpha −”, which has put the city to be placed in the top thirty cities in the world.

The Dublin locale is the financial focal point of Ireland, and was at the cutting edge of the nation’s monetary extension during the Celtic Tiger time frame. In 2009, Dublin was recorded as the fourth most extravagant city on the planet by buying influence and tenth most extravagant by close to home pay. As indicated by Mercer’s 2011 Worldwide Cost of Living Survey, Dublin is the thirteenth most costly city in the European Union (down from tenth in 2010) and the 58th most costly spot to live on the planet (down from 42nd in 2010). Starting at 2017, roughly 874,400 individuals were utilized in the Greater Dublin Area. Around 60% of individuals who are utilized in Ireland’s money related, ICT, and expert parts are situated right now.

Some of Dublin’s conventional enterprises, for example, food processing, textile manufacturing, brewing, and distilling have step by step declined, despite the fact that Guinness has been blended at the St. James’ Gate Brewery since 1759. Financial upgrades during the 1990s pulled in various worldwide pharmaceutical, data and correspondences innovation organizations to the city and Greater Dublin Area. Organizations, for example, Microsoft, Google, Amazon, eBay, PayPal, Yahoo!, Facebook, Twitter, Accenture and Pfizer now have European base camp as well as operational bases in the city, with a few situated in big business bunches like the Digital Hub and Silicon Docks. The nearness of these organizations has driven monetary extension in the city and prompted Dublin once in a while being alluded to as the “Tech Capital of Europe”.
