10th World Congress on

Biosensors and Bioelectronics

May 17-18, 2019 Singapore

Theme: "Technological Developments in Biosensors and Bioelectronics"

https://biosensorscongress.conferenceseries.com/

Who Should Attend?

This activity has been designed to meet the educational needs of CEOs, CMOs, program administrators, Scientists, Academicians, Professors, Business delegates and students. Those who are currently involved in the Biosensors & Bioelctronics individuals or exploring opportunities that provide a total wellness solution are encouraged to attend.

Abstract Information: Oral / Poster Presentation Guidelines

Oral Presentations are generally split into TWO categories, as follows:

1. Plenary Lectures

- Each Plenary lecture is 25 minutes in length and comprises one presentation. We recommend you plan to present for approximately 20 minutes with 5 minutes for questions/discussion.
- Where Plenary Lectures are presented as debates, each of two speakers should plan to present for 20 minutes, allowing fi ve minutes for closing questions and conclusions. We recommend that invited speakers communicate in advance of the Moderator so that presentations may be coordinated.

2. Oral Sessions

• Each Oral Session is 60 minutes in length and comprises two presentations, of 30 minutes each. We recommend that you plan to present for approximately 15 minutes, allowing time for questions/ discussion at the end of the presentation. Please prepare you presentation in 16:9 format (screen are in format 16:9). We recommend you to save your PowerPoint presentation using PPT(X) format instead of PPS. A technician is available in every session room to provide assistance when needed. Due to the online presentation system, all speakers are kindly requested to use provided PC onsite. Please be present in the session room 15 minutes prior the start of your session and follow the instructions from the Chairs and/or technician. During your presentation a remote control will be available for controlling your presentation. Please observe the time allotted to you as you will not be permitted to speak for longer time. At the end of the Congress, all presentations will be deleted from the presentation system and computers on-site.

Speaker Preview Room

All speakers are asked to upload their presentation at the Speaker Preview Room (located in the Registration area) at least one hour before the beginning of the session or the day before in case of a morning session.

Poster Guidelines

The poster exhibition will be an integral part of Biosensors Congress 2019. The poster exhibition will be located on the exhibition area of the congress centre. The area will be clearly signposted from the registration area.

Technical Instructions:

- Posters must be prepared in Portrait style.
- Please DO NOT prepare a landscape poster
- The dimensions should be 100 cm high by 70 cm wide
- Posters should be attached to the boards with stickers, which you will be supplied to the organizers.
- Poster session schedule Posters will be displayed and presented in session.

Please plan to be at your poster and available to answer questions from delegates at the time of your assigned poster session. Posters will be displayed according to the POSTER numbers given by the organizers and will be grouped by sub topic.

Young Researchers Forum

The Young Researchers Forum offers young researchers the possibility to meet and discuss research topics and methodologies, share and develop ideas, learn from each other and gain knowledge from senior researchers.

Young Researcher Sessions are organized at the Biosensors Congress 2019, to provide a unique platform for Young Researchers/Investigators for presenting latest research projects with an in-depth analysis. Young Investigators (e.g. Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty) are the focus of this event. Participants should be below the age of 33 years. All submissions must be in English.

The prize winning papers will be considered for publication in the international journals once the paper is subjected to standard review procedures.

For further information please contact: **biosensorscongress@conferenceint.com | biosensorscongress@conferencesworld.org**

Registration Information

How to Register

Website: **https://biosensorscongress.conferenceseries.com/registration.php**

Registration Fees

- Early Registration Fee: **$699.00**
- Regular Registration Fee: **$799.00**
- Late Registration Fee: **$899.00**
- Group Discount: Register three or more attendees and receive **$50.00 off** per person
- Student Registration: **249$** (Delegate)
- Young Researchers Forum Fee: **399$**

Cancellation Policy

Cancellations must be received in writing 60 days prior to the meeting and are subject to a $100 processing fee. Refunds will not be granted after **March 18, 2019**, nor will they be given for no-shows. Please email cancellations to **biosensorscongress@conferenceint.com | biosensorscongress@conferencesworld.org**

Accommodations

Mercure Singapore on Stevens
Orchard District, 28 Stevens Road,
#01-02, Singapore 257878

To make reservations and ensure that you will have a hotel room at the same location as the conference, please choose your package and register at https://biosensorscongress.conferenceseries.com/

Payments

We accept Visa, MasterCard, American Express and checks. If paying by credit card, please utilize our online registration site located at

https://biosensorscongress.conferenceseries.com/registration.php

If you wish to pay by check, please contact biosensorscongress@conferenceint.com | biosensorscongress@conferencesworld.org

Tentative Agenda

Day 1: May 17, 2019	
08:30-09:30	Registrations
09:30-09:55	Opening Ceremony
10:00-10:40	Keynote Forum
10:40-11:00	Networking & Refreshments Break*
11:00-11:40	Keynote Forum
11:40-12:10	Amperometric Biosensor | DNA Chips and Nucleic acid Sensors
12:10-12:40	Biomaterial Science | Biosensors
12:40-13:10	Mobile diagnostics and personal health | Nanomaterials & Nanoanalytical systems
13:10-14:00	Lunch Break**
14:00-14:30	Photonic sensor technologies | Bioengineering Applications
14:30-15:00	Biophotonics | Nanobiosensors | Bio-sensing Technology
15:00-16:00	Security and Sensing | Nanotechnology in Biosensors
16:00-16:15	Network & Refreshments Break*
16:15-18:00	Poster presentations
Day 2: May 18, 2019	
09:30-10:30	Catalysis and Applications
10:30-11:30	Nanobioelectronics | Biosensing technology
11:30-11:45	Network & Refreshments Break*
11:45-12:20	Enzyme-based biosensors | Environmental biosensors
12:20-13:00	Immunosensors | BioMEMS/NEMS | Bioelectronics
13:00-13:45	Lunch Break**
13:45-16:00	Biomedical Engineering | Biosensors for Imaging
16:00-16:15	Network & Refreshments Break*
16:15-17:00	Award Ceremony
Day Concludes	
Award Ceremony	
Conference Concludes	

* Exclusive Exhibitor Event | ** Networking Event

Note: Conference schedule is subject to change.

Note: Workshops and Symposia slots are available. To book slot for Workshop and Symposium send us the proposal.

Tourist Attractions

Venue

The Nation of Singapore is referred to as the Lion City, Garden City or The Little Red Dot. It's a sovereign city-state in South Asia. Singapore has a population of 5.6 million and covers an area of 719 square kilometers. The city of Singapore comprises of peoples from all age group also with differences in culture. The population includes young experts, international students, and more couples who they are appreciate everything in their city. The city of Singapore has a million global guest per year that's why it is known as the third-largest foreign exchange market. Singapore has the second busiest container port and third-largest refining financial center. This city is also called the Tax Haven. Singapore is one of the most secure, healthiest and cleanest cities in the world. Singapore is a hub for transport, finance, and commerce globally. This city is also called as "Technology-Ready" nation, top international meetings city, best investment potential and second-most competitive country etc. English is the common language other than this Malay, Mandarin, Tamil also used. Singapore has one of the highly developed economies. Singaporean economy is known as one of the most innovative, most business-friendly, most competitive and most dynamic economies. Singapore's economy is a most important Foreign Direct Investment (FDI) outflow financier around the globe. Singapore has the world's second busiest port and one of the largest oil trader in the world. Singapore's trade to GDP ratio is among the highest in the world The diversity of food is recommended as a reason to visit the country. Due to the presence of a variety of culture the food is also different here, it includes Chinese, Malay, and Indian food clearly defined.
