WELCOME ADDRESS

Dear Attendees,

We are glad to announce the **28th Global Congress on Biotechnology** to be held in **Zurich, Switzerland** during **October 24-25, 2024** organized by Conference Series llc LTD, Europe in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members.

Biotechnology 2024 is a premier gathering of biotechnology researchers, scholars, young scientists, business associates, delegates and students from around the world. This event provides a platform for participants to explore novel therapeutics and gain valuable insights into future challenges across various branches of biotechnology. We are delighted to invite you to Biotechnology 2024, where you can immerse yourself in a wealth of information and knowledge in the field of biotechnology.

As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions and livelier interaction with industry leaders and experts. Life is full of give and take. Make it count in your professional life. Attend the Biotechnology 2024 to network with your peers, exchange expertise and experiences and arm yourself with the latest information to take your department to the next level.

We look forward to personally welcoming you to Zurich, Switzerland this October.

Sincerely
Biotechnology 2024
Organizing Committee

ABOUT US

About Hosting Organization

Conference Series is the world's leading specialist in organizing academic, scientific and business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology, Business and many more to promote scientific research.

Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by Crossref

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 50+ countries all through the year
- Over 25 Million+ Visitors and 25000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking

Biotechnology 2024 salient features

- Meet academia and industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, benchmarking and networking offered at one place
- Forge connections and for global networking
- Highly organized and structured scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

ABOUT US

Goals & Objectives

- The Biotechnology 2024 aims to bring together leading world's scientific experts, academic professionals, scientists, specialists, researchers, scholars, business delegates and students to exchange and share their experiences and research results on all aspects of Biotechnology & Biomaterials.
- It also provides an interdisciplinary platform for policy makers, community leaders, business activists, scientists and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of Genomics.
- We aim to bring the research and innovations happening across the parts of the globe to facilitate interaction, knowledge sharing and exchange. We also aim to inspire university professors, students, researchers, clinicians and entrepreneurs.

About Conference

28th Global Congress on Biotechnology is among the World's leading Scientific Conference. The two day event on Biotechnology will host Major scientific and technical sessions along with the sub-sessions on cutting edge research and latest research innovations in the field of Biotechnology & its related issues across the globe. To foster the best learning environment we have designed some of the sessions this year for Genomics conference which will comprises of 15 major sessions designed to offer comprehensive sessions that address current issues in various fields of Biotechnology.

Besides the attendees can find prestigious plenary and invited lectures, various shorter talks and poster sessions which will give the opportunity to most participants to present their work at the Congress. This congress on Biotechnology provides an opportunity to meet experts, professionals, academicians and researchers from all over the world. Execute new methods or revise existing methods based on best presented facts as presented at **Biotechnology 2024**

ABOUT CONFERENCE

Who Should Attend?

Biotechnology 2024 Conference website is attracting 56000+Genomic Students, Biotechnology Researchers, Biotechnology Faculty, Genomics Scientists, Biotechnology Colleges, Pharmacology Scientists, Pharmacology Health Professionals, Biotechnology Associations and Societies, Biotechnology, specialists, researchers, professionals, speakers, professors, business delegates and students.

Why to Attend?

- Find out what's new
- Meet experts & influencers face to face
- To present your ideas and work to others
- Networking for future collaborations
- The focus & energy of Like-Minded Individuals
- Fresh way of knowledge transfer
- Learn beyond your field or interest
- Meet, collaborate & get inspired
- Travel and extend your comfort zone

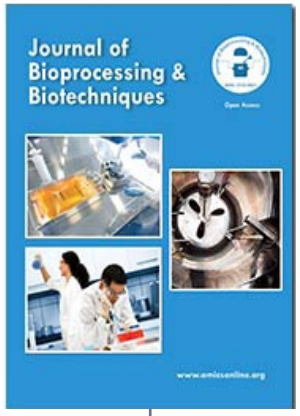

Conference Highlights

- Biopharmaceuticals
- Covid-19 Drug Development
- Nanoparticles in Biopharmaceuticals
- Agriculture Biotechnology
- Advances in Biotech Manufacturing
- Evolution of drugs and Drug Labs
- Drug Regulations & Quality Assurance
- Clinical Trials and Clinical Research
- Cosmetic Biotechnology
- Biotechnology for Nutrition and Food Sciences
- Food Biotechnology
- Genetic Engineering
- Industrial and Environmental Biotechnology
- Biotechnology in Dentistry
- Genetics and Molecular Biotechnology

TESTIMONIALS

The conference was exciting. I enjoyed so much meeting new colleagues at the venue. I would like to express my sincere gratitude to you for your assistance and opportunity. It was a good experience attending this conference.

Amur Margaryan
National Science Laboratory, USA

The conference was very successful and staff members were very helpful. Workflow was good. Thank you for organizing the conference for us people.

Kuang-Hui Chi
National Yunlin University of Science & Technology, Taiwan

That is excellent. This time, I will encourage my friends and colleagues to attend. I will submit abstracts for the conference too.

Sudhanshu Sekhar Panda
University of North Georgia, USA

The organization of the conference was perfect and I was very glad of the warm welcome, of the scientific and human relationships among participants.

Ida PucciMinafra
University of Palermo, Italy

The conference was well organized and the committee was outstanding in keeping the whole event lively.

MouradTayebi
University of Surrey, England

It was wonderful event. I enjoyed presenting my talk. There were questions, comments, and interests in what I presented.

Ram Shanmugam
Texas State University, USA

ABOUT ZURICH

Zurich, the largest city in Switzerland, is a stunning destination in winter. With its snow-capped mountains, sparkling lake and charming old town, it offers a Variety of attractions and activities for all tastes. Another signature of Zurich is its watchmaking tradition. You can admire the craftsmanship and elegance of Swiss watches in the many boutiques and museums or even learn how to make your own timepiece in a workshop.

Zurich is also a city of culture and art. It has over 50 museums and 100 art galleries, as well as the Zurich Opera House and the Schauspielhaus Zurich, the main theater. Zurich is surrounded by nature and offers many opportunities for outdoor Activities. You can enjoy the views of the Alps, the lake, and the Limmat River or explore the nearby mountains and forests. Zurich benefits from the high level of investment in education which is typical of Switzerland in general and provides skilled labour at all levels. The city is home to two major universities, thus enabling access to graduates and high technology research. Zurich is home to several international sport federations.

REGISTRATIONS

Registration Payment Method:

Payment of registration fees (in EUR, USD & GBP) can be done by the following methods:

- By Credit Card: Visa, MasterCard or American Express
- By Bank Transfer
- By Pay-pal

For group registrations please contact/email us at:
events@conferenceseries.com

Academic

Speaker Registration: € 599
Regular Issue Publication + Registration: € 2500
Delegate: € 549

Business

Speaker Registration: € 699
Regular Issue Publication + Registration: € 2740
Delegate: € 649

Student

Student Delegate: € 349
Young Researcher Forum: € 449

Important Dates

Abstract submission opens: June 01, 2024
Registration opens: June 01, 2024
On spot registration: october 24, 2024

Registration Benefits:

- ✓Access to all Sessions
- ✓Handbook & Conference Kit
- ✓Certificate Accreditation from the Organizing Committee
- ✓Abstracts will be published in the conference souvenir and respective international journal
- ✓Each registrant will get 50% abatement on manuscript publication fee
- ✓2 Coffee breaks (Refreshments and snacks) during the conference
- ✓Lunch during the conference
- ✓Wi-Fi access

To register online, please visit:
