WELCOME ADDRESS

Dear Attendees,

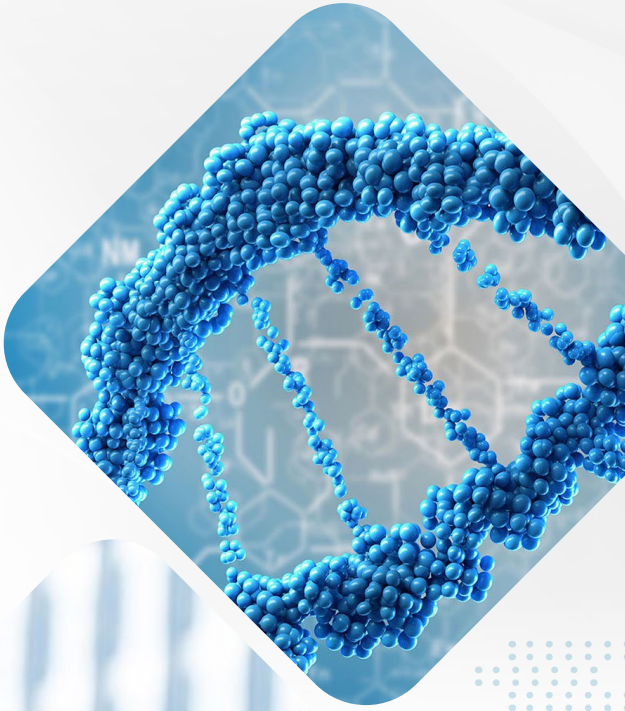

We are glad to announce the **30th Global Congress on Biotechnology** to be held in **Berlin, Germany** during **August 27-28, 2026** organized by Conference Series llc LTD, Europe in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members.

Biotechnology 2026 is a premier gathering of biotechnology researchers, scholars, young scientists, business associates, delegates and students from around the world. This event provides a platform for participants to explore novel therapeutics and gain valuable insights into future challenges across various branches of biotechnology. We are delighted to invite you to Biotechnology 2026, where you can immerse yourself in a wealth of information and knowledge in the field of biotechnology.

As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions and livelier interaction with industry leaders and experts. Life is full of give and take. Make it count in your professional life. Attend the Biotechnology 2026 to network with your peers, exchange expertise and experiences and arm yourself with the latest information to take your department to the next level.

We look forward to personally welcoming you to Berlin, Germany this August..

Sincerely
Biotechnology 2026

ABOUT US

About Hosting Organization

Conference Series is the world's leading specialist in organizing academic, scientific and business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology, Business and many more to promote scientific research.

Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by Crossref

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 50+ countries all through the year
- Over 25 Million+ Visitors and 25000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking

Biotechnology 2026 salient features

- Meet academia and industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, benchmarking and networking offered at one place
- Forge connections and for global networking
- Highly organized and structured scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

ABOUT US

Goals & Objectives

- The Biotechnology 2026 aims to bring together leading world's scientific experts, academic professionals, scientists, specialists, researchers, scholars, business delegates and students to exchange and share their experiences and research results on all aspects of Biotechnology & Biomaterials.
- It also provides an interdisciplinary platform for policy makers, community leaders, business activists, scientists and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of Genomics.
- We aim to bring the research and innovations happening across the parts of the globe to facilitate interaction, knowledge sharing and exchange. We also aim to inspire university professors, students, researchers, clinicians and entrepreneurs.

About Conference

30th Global Congress on Biotechnology is among the World's leading Scientific Conference. The two day event on Biotechnology will host Major scientific and technical sessions along with the sub-sessions on cutting edge research and latest research innovations in the field of Biotechnology & its related issues across the globe. To foster the best learning environment we have designed some of the sessions this year for Genomics conference which will comprises of 15 major sessions designed to offer comprehensive sessions that address current issues in various fields of Biotechnology.

Besides the attendees can find prestigious plenary and invited lectures, various shorter talks and poster sessions which will give the opportunity to most participants to present their work at the Congress. This congress on Biotechnology provides an opportunity to meet experts, professionals, academicians and researchers from all over the world. Execute new methods or revise existing methods based on best presented facts as presented at **Biotechnology 2026**

ABOUT CONFERENCE

Who Should Attend?

Biotechnology 2026 Conference website is attracting 56000+Genomic Students, Biotechnology Researchers, Biotechnology Faculty, Genomics Scientists, Biotechnology Colleges, Pharmacology Scientists, Pharmacology Health Professionals, Biotechnology Associations and Societies, Biotechnology, specialists, researchers, professionals, speakers, professors, business delegates and students.

Why to Attend?

- Find out what's new
- Meet experts & influencers face to face
- To present your ideas and work to others
- Networking for future collaborations
- The focus & energy of Like-Minded Individuals
- Fresh way of knowledge transfer
- Learn beyond your field or interest
- Meet, collaborate & get inspired
- Travel and extend your comfort zone

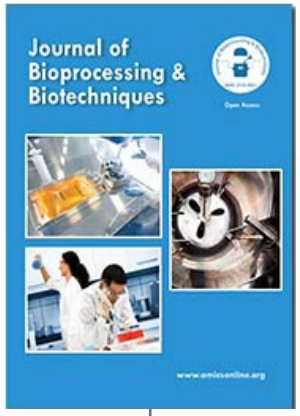

Conference Highlights

- Genetic Engineering & Genome Editing
- Synthetic & Systems Biology
- Stem Cell Innovations
- Biopharmaceutical Development
- CRISPR & Gene Therapy Applications
- Industrial Biotechnology & Bioprocessing
- Environmental & Green Biotechnology
- Bioinformatics & Computational Biology
- Tissue Engineering & Regenerative Medicine
- Molecular Diagnostics & Biomarkers
- Microbial Biotechnology & Fermentation
- Personalized & Precision Medicine
- Agricultural Biotechnology & Crop Improvement
- Translational Biotechnology & Commercialization
- Nanobiotechnology & Drug Delivery

TESTIMONIALS

The conference was exciting. I enjoyed so much meeting new colleagues at the venue. I would like to express my sincere gratitude to you for your assistance and opportunity. It was a good experience attending this conference.

Amur Margaryan
National Science Laboratory, USA

The conference was very successful and staff members were very helpful. Workflow was good. Thank you for organizing the conference for us people.

Kuang-Hui Chi
National Yunlin University of Science & Technology, Taiwan

That is excellent. This time, I will encourage my friends and colleagues to attend. I will submit abstracts for the conference too.

Sudhanshu Sekhar Panda
University of North Georgia, USA

The organization of the conference was perfect and I was very glad of the warm welcome, of the scientific and human relationships among participants.

Ida PucciMinafra
University of Palermo, Italy

The conference was well organized and the committee was outstanding in keeping the whole event lively.

MouradTayebi
University of Surrey, England

It was wonderful event. I enjoyed presenting my talk. There were questions, comments, and interests in what I presented.

Ram Shanmugam
Texas State University, USA

ABOUT BERLIN

Berlin, the capital and largest city of Germany, is a dynamic destination known for its rich history and modern cultural vibrancy. The city played a pivotal role in events such as World War II and the Cold War, and today visitors can explore iconic landmarks like the Brandenburg Gate, the Berlin Wall, and Checkpoint Charlie. These sites stand as powerful reminders of Berlin's past while showcasing its transformation into a unified and progressive city.

Berlin is also a major center for art, culture, and innovation, offering over 170 museums and galleries, particularly on Museum Island. Renowned cultural institutions like the Berlin State Opera contribute to its artistic excellence, while vibrant neighborhoods and street art reflect its contemporary creativity. Surrounded by green spaces such as the Tiergarten, the city provides ample opportunities for outdoor activities and relaxation. Additionally, Berlin is a hub for education and research, with prestigious institutions like Humboldt University of Berlin and Technical University of Berlin, making it an attractive destination for students, professionals, and global innovators.

REGISTRATIONS

Registration Payment Method:

Payment of registration fees (in EUR, USD & GBP) can be done by the following methods:

- By Credit Card: Visa, MasterCard or American Express
- By Bank Transfer
- By Pay-pal

For group registrations please contact/email us at:
biotech@conferencesinternational.org

Academic

Speaker Registration: € 1024
Regular Issue Publication + Registration: € 1600
Delegate: € 798

Business

Speaker Registration: € 1034
Regular Issue Publication + Registration: € 2000
Delegate: € 810

Student

Student Delegate: € 780
Young Researcher Forum: € 699

Important Dates

Abstract submission opens: January 1, 2026
Registration opens: January 1, 2026
On spot registration: August 27, 2026

Registration Benefits:

- ✓Access to all Sessions
- ✓Handbook & Conference Kit
- ✓Certificate Accreditation from the Organizing Committee
- ✓Abstracts will be published in the conference souvenir and respective international journal
- ✓Each registrant will get 50% abatement on manuscript publication fee
- ✓2 Coffee breaks (Refreshments and snacks) during the conference
- ✓Lunch during the conference
- ✓Wi-Fi access

To register online, please visit:
