Invitation

Fight-Hope for a Cure …Go Purple…Because it Matters

Dear Friends and Colleagues,

It is our great pleasure to welcome you to the **"8th International Conference on Neurology and Brain Disorders scheduled** scheduled on **September 21-22, 2018**in the breath-taking city of **Philadelphia, USA**.

Neurology and Brain Disorders is an area for interdisciplinary exchange among professionals in the fields of Neurology, Brain Disorder, Pulmonology, Pharmacology and Neuroscience

The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goals of the conference is to provide a transformative professional development experience through provoking Keynote lectures, Plenary sessions, Symposiums, International Workshops, Oral and Poster presentations and with additional Scientific sessions

Bringing together the world's scientific experts to catalyse and advance scientific knowledge about Neurology, Psychiatry, Brain Disorder and Psychotherapy techniques present the most recent research findings, and promote and enhance scientific collaborations around the world

Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address regional, national and local responses to Elderly Population around the world and overcome barriers that limit access to care and services.

During the conference, we assure you that you will experience world class facilities and hospitality at the conference.

Life is full of give and take. Make it count in your professional life. We look forward to personally welcoming you to Philadelphia, USA.

Sincerely,

Brain Disorders 2018 Committee

Morning	08:00-09:00 am	Registrations & Opening Ceremony
	09:00-09:45 am	Keynote Forum #1
	09:45-10:30am	Keynote Forum #2
	10:30-10:35 am	Group Photo@Conference Hall
	10:35-10:50 am	Morning Coffee/Tea Break & Networking
	10:50-11:40 am	International Workshop #1
		Speaker Sessions@Conference Hall
	11:40-12:15 pm	Session on: Neurology and Neuroscience
	12:15-12:50 pm	Session on: Brain Disorders and Therapeutics
	12:50-01:20 pm	Afternoon Lunch Break
		Speaker Sessions@Conference Hall
	01:20-01:55 pm	Session on: Brain and Artificial Intelligence
	01:55-02:30 pm	Session on: Brain Research and Development
	02:30-03:05 pm	Session on: Neurological Disorders and Neurodegenerative
	03:05-03:40 pm	Session on: Brain Research and Development
Evening	03:40-03:55 pm	Evening Coffee/Tea Break & Networking
	03:55-04:30 pm	International Workshop #2
		Speaker Sessions@Conference Hall
	04:30-05:05 pm	Session on: Brain Disorders and Therapeutics
	05:05-05.35 pm	Session on: Neurology and Neuroscience
		Panel Discussions

Day 2/ September 22, 2018		
Morning	08:30-09:15 am	Keynote Forum #3
	09:15-10:00 am	Keynote Forum #4
		Speaker Sessions@Conference Hall
	10:00-10:35 am	Session on: Neurology and Neuroscience
	10:35-11:15 am	Session on: Neuropharmacology and Neurological Disorders
	11:15-11:30 am	Morning Coffee/Tea Break & Networking
	11:30-12:20 pm	International Workshop #3
		Speaker Sessions@Conference Hall
	12:20-12:50 pm	Session on: Brain Disorders and Therapeutics
	12:50-01:25 pm	Session on: Neuro oncology and Neuro psychology
	01:25-02:00 pm	Afternoon Lunch Break
		Speaker Sessions@Conference Hall
	02:00-02:35 pm	Session on: Cognitive Science and Applications
	02:35-03:10 pm	Session on: Neuroscience Nursing and Psychiatry Nursing
	03:10-03:45 pm	Session on: Brain Research and Development
Evening	03:45-04:00 pm	Evening Coffee/Tea Break & Networking
	04:00-04:30 pm	Poster Presentations
		Young Research Forum (YRF)
	04:30-06:00 pm	Sessions on: Neuropsychiatry, Psychology, Brain Disorder, Neurology, Psychiatry
		Video/Virtual Presentations
		Awards and Closing Ceremony

Major Scientific sessions:

Our conference will incorporate a wide range of research, care, technology and innovation topics. This involves a broad range of scientific and multidisciplinary aspects and we do welcome new ideas and topic proposals from the presenters and include those respective sessions based on their suggestions under conference panel.

- Cognitive Science and Applications
- Human Cognition and Cognitive Neuroscience
- Neurology and Neuroscience
- Brain and Artificial Intelligence
- Brain Disorders and Therapeutics
- Neuroscience Nursing and Psychiatry Nursing
- Brain Research and Development
- Neurological Disorders and Neurodegenerative diseases
- Traumatic Brain Injury and Neurosurgery
- Brain Big Data Analytics, Curation and Management
- Neuroimaging and Brain Imaging Techniques
- Neuro-Oncology and Brain Tumor's
- Neuroimmunology and Neuroinfections
- Neuropharmacology and Neuropharmaceutics
- Neuropsychiatry and Clinical Neuropsychology
- Neurogenetics and Behavioral Genetics
- Neurotoxicology and Neuropathology
- Spine, Spine Disorders and Spine Surgery
- Clinical Trials, Case Reports and CNS Biomarkers

The conference welcomes abstracts for Keynotes, Plenary sessions, Symposia, Workshops, Oral and Poster presentations in the fields not limited to Neuroscience and Neurology but also, **Biological and Medical Sciences | Health Sciences | Behavioural and Social Sciences | Humanities and Arts | Social Research, Policy, and Practice**

We have identified a number of key topics for which we would like presenters/participants to submit their Abstracts

Abstract Submission:

Who to Attend?

- Professors, Associate Professors, Assistant Professors from Academics
- PhD Scholars, Graduates and Post Graduates
- Neurologists
- Neuroscientists
- Neurosurgeons
- Neuroradiologists
- Neuropsychiatrists & Neuropsychologists
- Psychologists, Psychiatrists and Psychotherapists
- Interventional radiologists
- Physiatrists & Pharmacists
- Emergency Medicine Specialists
- International speakers & Researchers
- Scientists
- Students, College Faculty members
- Primary care Physicians & Hospitalists
- Nurses and Nurse practitioners
- Rehabilitation Specialists
- Occupational and Speech Therapists
- Business Entrepreneurs
- Healthcare professionals and Investigators
- Counselors and Coaches
- Social Workers
- Behavioral Health Administrators
- Primary Care providers
- Directors, CEO's of Organizations
- Association Presidents and Vice Presidents
- Noble laureates in Health Care and Medicine
- Pharmaceutical Companies
- Research Institutes and Members
- Supply Chain Companies
- Manufacturing Companies
- Training Centers and Institutes
- Industry Suppliers and Vendors
- Business Entrepreneurs

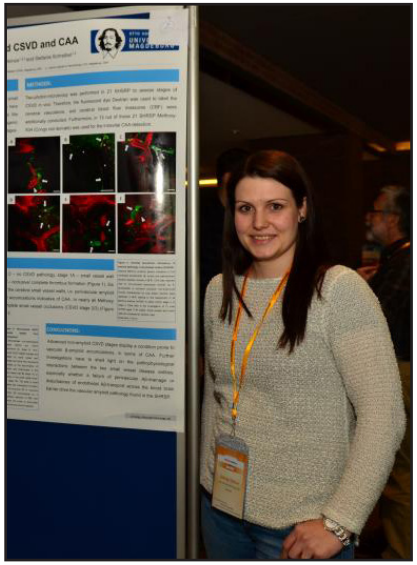

Glimpses of past conferences

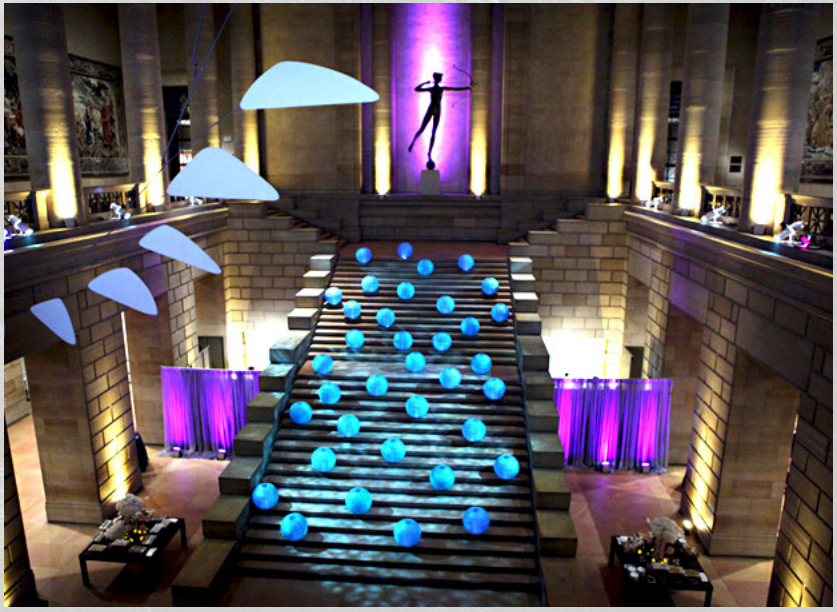

Tourist Attractions

Tourism

Philadelphia is the second-biggest city on the East Coast and fifth-biggest in the nation and the center of the country's 6th biggest metropolitan region. That implies world-class excitement choices, eateries, instructive foundations, social offerings, human services, work openings and different advantages of being in a noteworthy metropolitan territory. Trendy people, make a beeline for Northern Liberties and Fishtown. For the university sorts, there's University City, where the University of Pennsylvania and Drexel are found. Things around Rittenhouse Square and Washington Square have a tendency to be upscale and expensive. South Street is touristy, yet there are extraordinary shops and places to eat. The Northeast feels more rural. As part of the Center for Entrepreneurial Assistance, the Small Business Resource Center fills in as the single purpose of contact and is a center of data for independent venture. The Small Business Resource Center answers state-related and general business inquiries concerning all phases of private company improvement. Philadelphia is home to the University of Pennsylvania, one of the best colleges on the planet. There are additionally more than 15 four-year schools.

Venue & Hospitality:

Hilton Philadelphia Airport Address: 4509 Island Ave, Philadelphia, PA 19153
