WELCOME ADDRESS

Dear Attendees,

The Brain Disorders 2024 Organizing Committee is absolutely delighted to welcome you to the **13th International Conference on Brain Disorders and Therapeutics** which will be held as **Rome, Italy** on **December 12-13, 2024,** where we will be shining a spotlight on *"Intersection of Mental Health and Neurology"*.

We are looking forward to providing you with a superb environment in which to present, discuss and advance your Brain Disorders research. The world class scientific programme will consolidate existing knowledge while at the same time increase your awareness of leading edge and forward looking advances in the field.

We look forward to seeing/welcoming you in 2024 for an experience of a lifetime.

With Regards
Brain Disorders 2024

ABOUT US

About Hosting Organization

Conference Series LLC Ltd is the world's leading specialist in organizing academic, scientific and business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology, Business and many more to promote scientific research.

Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by Crossref

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 50+ countries all through the year
- Over 25 Million+ Visitors and 25000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking Add a little bit of body text.

Brain Disorders 2024 salient features

- Meet academia and industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, benchmarking and networking offered at one place
- Forge connections and for global networking
- Highly organized and structured scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

ABOUT US

Goals & Objectives

- The Brain Disorders 2024 aims to bring together leading world's scientific experts, academic professionals, scientists, specialists, researchers, scholars, business delegates and students to exchange and share their experiences and research results on all aspects of Brain Disorders.
- It also provides an interdisciplinary platform for policy makers, community leaders, business activists, scientists and educators to present and discuss the most recent innovations, trends and concerns as well as practical challenges encountered and solutions adopted in the fields of Brain Disorders.
- We aim to bring the research and innovations happening across the parts of the globe to facilitate interaction, knowledge sharing and exchange. We also aim to inspire university professors, students, researchers, clinicians and entrepreneurs.

About Conference

13th International Conference on Brain Disorders and Therapeutics is among the World's leading Scientific Conference. The two day event on Brain Disorders will host major scientific and technical sessions along with the sub-sessions on cutting edge research and latest research innovations in the field of Brain Disorders & its related issues across the globe. To foster the best learning environment we have designed some of the sessions this year for Brain Disorders conference which will comprises of 15 major sessions designed to offer comprehensive sessions that address current issues in various fields of Brain Disorders.

Besides the attendees can find prestigious plenary and invited lectures, various shorter talks and poster sessions which will give the opportunity to most participants to present their work at the Congress. This congress on Brain Disorders provides an opportunity to meet experts, professionals, academicians and researchers from all over the world. Execute new methods or revise existing methods based on best presented facts as presented at **Brain Disorders 2024**.

ABOUT CONFERENCE

Who Should Attend?

Brain Disorders 2024 Conference website is attracting 56000+ Business Delegates, Industrial Leaders, Brain Researchers, Neuro-oncologists, CEO's and R&D Heads from Industries, Directors, Neurologist, Neuro-radiologist, Neurosurgeons, Psychiatrist, Head of department, Brain Coach, Physicians, Professors and Students from Academia in the research of brain disorders and neurology.

Why to Attend?

- Find out what's new
- Meet experts & influencers face to face
- To present your ideas and work to others
- Networking for future collaborations
- The focus & energy of Like-Minded Individuals
- Fresh way of knowledge transfer
- Learn beyond your field or interest
- Meet, collaborate & get inspired
- Travel and extend your comfort zone

Conference Highlights

- BRAIN DISORDERS
- BRAIN CANCER & TUMORS
- NEUROLOGICAL DISORDERS
- NEUROIMMUNOLOGY
- NEUROSURGERY
- TRAUMATIC BRAIN INJURY
- MENTAL RETARDATION
- NEUROINFLAMMATION
- PATHOPHYSIOLOGY OF BRAIN DISORDERS
- CEREBROSPINAL COMPLICATIONS
- BRAIN COMPLICATIONS
- NEURODEGENERATION & AGING DISORDERS
- PEDIATRIC NEUROLOGY
- NEUROPHARMACOLOGY
- NEUROLOGY OF BRAIN
- NOVEL TREATMENT STRATEGIES
- ADDICTION & BRAIN DISORDERS
- ANALYSIS, ASSESSMENT AND DIAGNOSIS OF BRAIN DISORDERS

TESTIMONIALS

The conference was exciting. I enjoyed so much meeting new colleagues at the venue. I would like to express my sincere gratitude to you for your assistance and opportunity. It was a good experience attending this conference.

Amur Margaryan
National Science Laboratory, USA

The conference was very successful and staff members were very helpful. Workflow was good. Thank you for organizing the conference for us people.

Kuang-Hui Chi
National Yunlin University of Science & Technology, Taiwan

That is excellent. This time, I will encourage my friends and colleagues to attend. I will submit abstracts for the conference too.

Sudhanshu Sekhar Panda
University of North Georgia, USA

The organization of the conference was perfect and I was very glad of the warm welcome, of the scientific and human relationships among participants.

Ida PucciMinafra
University of Palermo, Italy

The conference was well organized and the committee was outstanding in keeping the whole event lively.

MouradTayebi
University of Surrey, England

It was wonderful event. I enjoyed presenting my talk. There were questions, comments, and interests in what I presented.

Ram Shanmugam
Texas State University, USA

ABOUT ROME

Rome, the capital city of Italy, is one of the most historically and culturally rich cities in the world. Often referred to as "The Eternal City," Rome's history spans more than 2,500 years, making it a treasure trove of ancient monuments, art, and culture. Situated in the central-western part of the Italian Peninsula, along the shores of the Tiber River, Rome serves as a living museum where every corner tells a story of its glorious past. Rome's history is deeply intertwined with the foundations of Western civilization. It was the heart of the Roman Republic and the Roman Empire, which dominated the Mediterranean region and significantly influenced the development of Western culture, law, politics, and engineering. The remnants of this illustrious past are visible throughout the city, with landmarks such as the Colosseum, the Roman Forum, and the Pantheon standing as testaments to its ancient glory.

Rome's neighborhoods each offer a unique charm and character. The historic center, with its narrow cobblestone streets and picturesque piazzas, contrasts with modern districts like EUR, known for its Fascist-era architecture and business centers. The Trastevere district, with its vibrant nightlife and bohemian atmosphere, is a favorite among both locals and tourists.

Rome boasts a vibrant arts scene, with numerous theaters, galleries, and music venues. The Teatro dell'Opera di Roma hosts world-class opera and ballet performances. The city's many festivals, such as the Rome Film Fest and the Estate Romana, celebrate cinema, music, and the arts, drawing international and local artists alike.

REGISTRATIONS

Registration Payment Method:

Payment of registration fees (in EUR, USD & GBP) can be done by the following methods:

- By Credit Card: Visa, MasterCard or American Express
- By Bank Transfer
- By Pay-pal

For group registrations please contact/email us at:
braindisorders@europeannualconference.com

Academic

Speaker Registration : Euros 599
Delegate Registration : Euros 549
Package A (Registration + 2 Nights of Accommodation) : Euros 899
Package B (Registration + 3 Nights of Accommodation) : Euros 1049

Business

Speaker Registration : Euros 699
Delegate Registration : Euros 609
Package A (Registration + 2 Nights of Accommodation) : Euros 949
Package B (Registration + 3 Nights of Accommodation) : Euros 1099
Exhibitor : Euros 1299

Student

Student Delegate: Euros 299
Young Researcher Forum: Euros 399

Important Dates

Abstract submission opens: February 01, 2024
Registration opens: February 01, 2024
On spot registration: August 22, 2024

Registration Benefits:

- ✓Access to all Sessions
- ✓Handbook & Conference Kit
- ✓Certificate Accreditation from the Organizing Committee
- ✓Abstracts will be published in the conference souvenir and respective international journal
- ✓Each registrant will get 50% abatement on manuscript publication fee
- ✓2 Coffee breaks (Refreshments and snacks) during the conference
- ✓Lunch during the conference
- ✓Wi-Fi access
