WELCOME ADDRESS

Dear Attendees,

The Brain Disorders 2026 Organizing Committee is absolutely delighted to welcome you to the **15th International Conference on Brain Disorders and Therapeutics** which will be held as **London, UK** on **August 24-25, 2026,** where we will be shining a spotlight on *"The Mind-Body Connection: Mental Health and Neurological Disorders"*.

We are looking forward to providing you with a superb environment in which to present, discuss and advance your Brain Disorders research. The world class scientific programme will consolidate existing knowledge while at the same time increase your awareness of leading edge and forward looking advances in the field.

We look forward to seeing/welcoming you in London, UK for an experience of a lifetime.

With Regards
Brain Disorders 2026

ABOUT US

About Hosting Organization

Conference Series is the world's leading specialist in organizing academic, scientific and business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology, Business and many more to promote scientific research.

Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by Crossref

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 50+ countries all through the year
- Over 25 Million+ Visitors and 25000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking Add a little bit of body text.

Brain Disorders 2026 salient features

- Meet academia and industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, benchmarking and networking offered at one place
- Forge connections and for global networking
- Highly organized and structured scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

ABOUT US

Goals & Objectives

- The Brain Disorders 2026 aims to bring together leading world's scientific experts, academic professionals, scientists, specialists, researchers, scholars, business delegates and students to exchange and share their experiences and research results on all aspects of Brain Disorders.
- It also provides an interdisciplinary platform for policy makers, community leaders, business activists, scientists and educators to present and discuss the most recent innovations, trends and concerns as well as practical challenges encountered and solutions adopted in the fields of Brain Disorders.
- We aim to bring the research and innovations happening across the parts of the globe to facilitate interaction, knowledge sharing and exchange. We also aim to inspire university professors, students, researchers, clinicians and entrepreneurs.

About Conference

15th International Conference on Brain Disorders and Therapeutics is among the World's leading Scientific Conference. The two day event on Brain Disorders will host major scientific and technical sessions along with the sub-sessions on cutting edge research and latest research innovations in the field of Brain Disorders & its related issues across the globe. To foster the best learning environment we have designed some of the sessions this year for Brain Disorders conference which will comprises of 15 major sessions designed to offer comprehensive sessions that address current issues in various fields of Brain Disorders.

Besides the attendees can find prestigious plenary and invited lectures, various shorter talks and poster sessions which will give the opportunity to most participants to present their work at the Congress. This congress on Brain Disorders provides an opportunity to meet experts, professionals, academicians and researchers from all over the world. Execute new methods or revise existing methods based on best presented facts as presented at **Brain Disorders 2026**.

ABOUT CONFERENCE

Who Should Attend?

Brain Disorders 2026 Conference website is attracting 56000+ Business Delegates, Industrial Leaders, Brain Researchers, Neuro-oncologists, CEO's and R&D Heads from Industries, Directors, Neurologist, Neuro-radiologist, Neurosurgeons, Psychiatrist, Head of department, Brain Coach, Physicians, Professors and Students from Academia in the research of brain disorders and neurology.

Why to Attend?

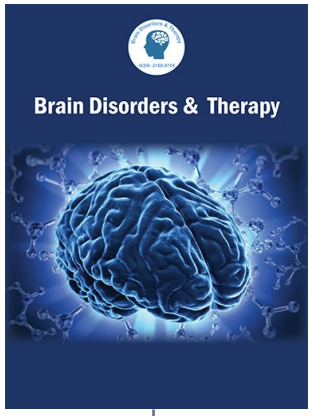

- Find out what's new
- Meet experts & influencers face to face
- To present your ideas and work to others
- Networking for future collaborations
- The focus & energy of Like-Minded Individuals
- Fresh way of knowledge transfer
- Learn beyond your field or interest
- Meet, collaborate & get inspired
- Travel and extend your comfort zone

Conference Highlights

- Brain Complications
- Neurodegenerative Diseases
- Neuroplasticity Mechanisms
- Neurorehabilitation Techniques
- Psychiatric Disorders and Neurobiology
- Addiction & Brain Disorders
- Mental Health
- Neurogenesis and Brain Repair
- Neuropharmacology
- Pediatric Neurology
- Neurodegeneration & Aging Disorders
- Brain Disorders
- Computational Psychiatry
- Neurodiversity in Clinical Practice
- Neuroinflammation and Neurodegeneration
- Intelligent Neural Interfaces
- Neurodevelopmental Disorders
- Aging and Cognitive Decline

TESTIMONIALS

The conference was exciting. I enjoyed so much meeting new colleagues at the venue. I would like to express my sincere gratitude to you for your assistance and opportunity. It was a good experience attending this conference.

Amur Margaryan
National Science Laboratory, USA

The conference was very successful and staff members were very helpful. Workflow was good. Thank you for organizing the conference for us people.

Kuang-Hui Chi
National Yunlin University of Science & Technology, Taiwan

That is excellent. This time, I will encourage my friends and colleagues to attend. I will submit abstracts for the conference too.

Sudhanshu Sekhar Panda
University of North Georgia, USA

The organization of the conference was perfect and I was very glad of the warm welcome, of the scientific and human relationships among participants.

Ida PucciMinafra
University of Palermo, Italy

The conference was well organized and the committee was outstanding in keeping the whole event lively.

MouradTayebi
University of Surrey, England

It was wonderful event. I enjoyed presenting my talk. There were questions, comments, and interests in what I presented.

Ram Shanmugam
Texas State University, USA

ABOUT LONDON

London, often regarded as one of the world's most historic and cosmopolitan cities, is the capital of the United Kingdom, located along the banks of the River Thames in southeastern England. With a history that dates back nearly two thousand years to its Roman origins as Londinium, the city has evolved into a global center for culture, finance, and tourism. Today, London seamlessly blends its rich past with modern development, making it one of the most influential and visited cities in the world.

The heart of London is filled with iconic landmarks and attractions that draw millions of visitors each year. Famous sites such as Buckingham Palace, the Tower of London, Westminster Abbey, and the London Eye showcase the city's royal heritage and architectural brilliance. The city's diverse neighborhoods, from historic Westminster to vibrant Covent Garden, offer unique experiences, while museums like the British Museum and National Gallery provide world-class cultural insights.

Beyond its landmarks, London is also known for its lively entertainment, shopping, and dining scenes. The West End theatre district hosts globally acclaimed performances, while luxury shopping areas like Oxford Street and Knightsbridge attract visitors from around the world. The city's multicultural environment ensures a wide variety of cuisines, events, and festivals, reflecting traditions from across the globe and making London a dynamic and inclusive destination.

Despite its bustling urban life, London offers plenty of green spaces and cultural depth. Parks such as Hyde Park and Regent's Park provide relaxation amid the city's energy, while historic sites and museums reveal layers of history shaped by empires, wars, and cultural evolution. As a result, London is more than just a capital city—it is a timeless destination where history, modernity, and diversity come together to create an unforgettable experience for every visitor.

REGISTRATIONS

Registration Payment Method:

Payment of registration fees (in EUR, USD & GBP) can be done by the following methods:

- By Credit Card: Visa, MasterCard or American Express
- By Bank Transfer
- By Pay-pal

For group registrations please contact/email us at:
braindisorders@europeannualconference.com

Academic

Speaker Registration : Euros 899
Delegate Registration : Euros 699
Package A (Registration + 2 Nights of Accommodation) : Euros 1249
Package B (Registration + 3 Nights of Accommodation) : Euros 1350

Business

Speaker Registration : Euros 930
Delegate Registration : Euros 766
Package A (Registration + 2 Nights of Accommodation) : Euros 1344
Package B (Registration + 3 Nights of Accommodation) : Euros 1415
Exhibitor : Euros 1299

Student

Student Delegate: Euros 479
Young Researcher Forum: Euros 399

Important Dates

Abstract submission opens: June 29, 2026
Registration opens: June 29, 2026
On spot registration: August 24, 2026

Registration Benefits:

- ✓Access to all Sessions
- ✓Handbook & Conference Kit
- ✓Certificate Accreditation from the Organizing Committee
- ✓Abstracts will be published in the conference souvenir and respective international journal
- ✓Each registrant will get 50% abatement on manuscript publication fee
- ✓2 Coffee breaks (Refreshments and snacks) during the conference
- ✓Lunch during the conference
- ✓Wi-Fi access
