- *Brain mapping*
- *Neurosurgery*
- *Neuropharmacology*
- *Neuropathology*
- *Neuro Therapeutics*
- *Neurodegenerative Disorders*

Program Announcement

Accommodation

A large number of rooms have been reserved. Discounted room rates for Brain Injury 2018 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by Public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Congress. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the field of Neurology Neuroscience.

About Amsterdam

Amsterdam is the Netherlands' capital it has a population of about 851,373 within the city proper, and 1,351,587 in the urban area and 2,410,960 in the Amsterdam metropolitan area.

Why Amsterdam?

As per the period of 2010–2012, annually 34,681 patients visited the ED due to the TBI, comprising about 4% of the total injury-related ED visits per year in Netherlands. The overall incidence rate of ED visits due to TBI was 213.6 per 100,000 person years, 241.9 for males, 175.3 for females. Incidence rates were highest in children 268.2, young adults 271.6 and older patients 75–84 years 307.6 or 85 and older 578.2. The estimated total costs of TBI in Netherlands was about €314.6 million per year.

Venue

Amsterdam, Netherlands
