8th International Conference on

Brain Injury and Neuroscience

March 14-15, 2019 | Paris, France

Theme: New Inventions in the field of Brain Injury and Neuroscience

Invitation

Dear Collegues,

Conference Series LLC Ltd is delighted to welcome you to Paris, France for the Prestigious '**8th International Conference on Brain Injury**' during March 14-15, 2019.

The conference will focus on "New Inventions in the field of Brain Injury and Neuroscience ". We are confident that you will enjoy the scientific program of this upcoming conference.

As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. Attend the Brain Injury & Neuroscience conference to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to personally welcoming you to Paris this March-2019

Sincerely,
Brain Injury 2019
Organizing Committee

Conference Highlights

Brain Injury 2019 conference will bring more scientists and also many eminent personalities to share their research work, diagnostics and treatments on Brain disorders and this will be useful for many scientists to develop treatments for the diseases.

Our main motto is to create awareness on Brain Disorders through this conference and to create successful collaborations among neurological enthusiasts, hence the conference will be a great gateway for sharing your works with other experts all around the globe

Conference Sessions

Brain Disorders
Neurodegenerative Disorder
Brain Injury
Dementia
Central Nervous System
Brain Stroke
Psychiatric Disorder
Neurological Disorders
Peripheral Neuropathy
Neuroimaging and Radiology
Neurorehabilitation
Neurosurgery
Neuropharmacology
Neuropsychiatry
Neuro Therapeutics

Brain Injury 2019

Meet Academia and Industry visionaries to get inspired
Expand your knowledge and find solutions to problems
Forge connections for global networking
Highly Organized and Structured Scientific programs Poster presentations and world class exhibitions
Knowledge, Benchmarking and Networking offered at one place

Submission

Each individual participant is allowed to submit only one paper
All submissions must be in English
The chosen topic must fit into sessions of the conference.
Showcase your research through oral/ poster presentations

Market Report

The global brain injury drugs market is based on disease, drug, route of administration, distribution channel, and region. Based on disease, the brain injury drugs market can be categorized into concussion, diffuse axonal injury (DAI), and traumatic subarachnoid haemorrhage (tSAH).

Each year brain injuries contribute a substantial number of cases worldwide. The number of deaths from brain injury stood at 14 to 30 per 100,000 of the population each year in the U.S.

The European pharmaceutical industry spent an approximately of €3.3 billion for the brain research per year, corresponding to that 79% of the total funding for brain research in Europe. Research on neuropsychiatric diseases such as depression or schizophrenia has been supported with EUR 283 million. In Europe overall, the neurological damage accounts for the 40% of people who are severely disabled and who are need in daily help. The global neuroscience market size will be reach up to the $30.80 billion by 2020 from $24.09 Billion in 2013, growing at CAGR of 2.9%.

The global market for the Neuromarketing technology is expected to reach about $22.0 million by 2021, increasing at a compound annual growth rate of 18.0% from 2016 to 2021. North America is expected to hold a significant share of global market from 2018 to 2026 due to higher mortality accounting for 30% of all deaths related brain injury.

Sponsorship and Exposure

Diamond

- An opportunity to sponsor one poster presentation award
- Three workshop slots (audio visual included).
- Two complimentary exhibit booths with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm)
- Four complimentary registrations
- Logo recognition on congress website front page with link, sponsorship page
- One A4 color advertisement in the congress souvenir
- Three inserts provided by the sponsor in the congress delegate bags

Platinum

- Two corporate sponsored workshop slots
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm)
- Three complimentary congress registrations
- Logo recognition on congress website front page with link and logo recognition on congress sponsorship page
- One A4 color advertisement in the congress souvenir
- Two inserts provided by the sponsor in the congress delegate bags.

Gold

- Two complimentary congress registrations
- One corporate sponsored workshop slot
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm)
- Logo recognition on congress website sponsorship page
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages)
- One insert provided by the sponsor in the congress delegate bags
- Priority to purchase additional sponsorship items

Exhibition

- One complimentary congress registration
- Set up of one tailor-made exhibit booth (Booth Size 3x3 sqm)
- Logo recognition on congress website sponsorship page
- Color Advertisement in Congress souvenir
- Inclusion of your company's leaflet/insert in the congress delegate bags
- An exclusive online promotion on all our social Networking Sites
- Shape and raise your corporate image through logo branding
- Press Release on behalf of your company

Program at Glance

Day 1 / March 14, 2019

	Time	Session
Morning	**08:00 - 09:00**	**Registration /Reception**
	09:00 - 09:15	*Inaugural Address*
	09:15 - 10:45	**Keynote/Plenary Talk**
	10:45 - 10:50	*Group Photo*
	10:50 - 11.00	**Coffee/Tea Break**
	11:00 - 13:00	Brain Injury
Evening	**13:00 - 13:30**	**Lunch Break**
	13:30 - 15:30	Neuroscience
	15:30 - 15:45	**Coffee/Tea Break**
	15:45 - 17:30	Neurology

Day 2 / March 15, 2019

	Time	Session
Morning	**09:00 - 10:00**	**Keynote/Plenary Talk**
	10:00 - 10:15	**Coffee/Tea Break**
	10:15 - 13:00	**Brain Disorders**
Evening	13:00 - 13:30	**Lunch Break**
	13:30 - 15:30	**Neurological Disorders**
	15:30 - 15:45	**Coffee/Tea Break**
	15:45 - 17:30	**Neurodegenerative Diseases**

Speaker Slots Available

Note: Program Schedule is subject to change with final allotment of the speaker slots

About Paris

Paris is the capital city of France, and the biggest city in France. The region is 105 sq. km, and around 2.15 million individuals live there. On the off chance that rural areas are checked, the number of inhabitants in the Paris territory ascends to 12 million individuals. The Seine River goes through the most established piece of Paris, and partitions it into two sections, known as the Left Bank and the Right Bank.

All inclusive, aftereffects of a current meta-investigation recommend that 45 million individuals lived with dementia worldwide in 2010, with numbers expected to almost double every 20 years, to 64.7 million in 2030 and 114.5 million in 2050.There are several hospitals, institutions in Paris which are working in the field of neurology and Vascular Dementia research and care.

Paris is served by Charles de Gaulle Airport – Paris's main international airport, located within portions of several communes 25 km (16 mi) to the northeast of Paris, and Orly Airport – Paris's second international airport , located partially in Orly and partially in Villeneuve-le-Roi, 7 NM (13 km; 8.1 mi) south of Paris, France. Paris has also several ports, Port of Le Havre located 1.5 miles from the center of town or the train station. The Port du Louvre is a walkway running along the River Seine immediately to the south of the Louvre in Paris, France.

We look forward to seeing you in Paris-The City of Love!
