WELCOME ADDRESS

Dear Attendees,

The Breast Cancer 2025 Organizing Committee is absolutely delighted to welcome you to the **14th World Congress on Breast Cancer** which will be held in **Vancouver, Canada** on **April 07-08, 2025,** where we will be shining a spotlight on *"Global Perspectives on Breast Cancer Research and Care"*.

We are looking forward to providing you with a superb environment in which to present, discuss and advance your Breast Cancer research. The world class scientific programme will consolidate existing knowledge while at the same time increase your awareness of leading edge and forward looking advances in the field.

The congress is to be held in one of the world's most vibrant global cities, situated on the stunning west coast of Canada and known as Vancouver. Nestled between the Pacific Ocean and the majestic Coast Mountains, Vancouver is celebrated for its breathtaking natural beauty. It is a hub of innovation and influence in arts, commerce, education, entertainment, fashion, finance, healthcare, media, professional services, research and development, tourism, and transportation. What better place to merge groundbreaking science with an unforgettable personal experience?

We look forward to seeing/welcoming you in 2025 for an experience of a lifetime.

With Regards
Breast Cancer 2025

ABOUT US

About Hosting Organization

Conference Series is the world's leading specialist in organizing academic, scientific and business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology, Business and many more to promote scientific research.

Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by Crossref

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 50+ countries all through the year
- Over 25 Million+ Visitors and 25000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking Add a little bit of body text.

Breast Cancer 2025 salient features

- Meet academia and industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, benchmarking and networking offered at one place
- Forge connections and for global networking
- Highly organized and structured scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

ABOUT US

Goals & Objectives

- The Breast Cancer 2025 aims to bring together leading world's scientific experts, academic professionals, scientists, specialists, researchers, scholars, business delegates and students to exchange and share their experiences and research results on all aspects of Breast Cancer, Oncology, Women's Health.
- It also provides an interdisciplinary platform for policy makers, community leaders, business activists, scientists and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of Breast Cancer.
- We aim to bring the research and innovations happening across the parts of the globe to facilitate interaction, knowledge sharing and exchange. We also aim to inspire university professors, students, researchers, clinicians and entrepreneurs

About Conference

14th World Congress on Breast Cancer is among the World's leading Scientific Conference. The two day event on Breast Cancer will host Major scientific and technical sessions along with the sub-sessions on cutting edge research and latest research innovations in the field of Breast Cancer & its related issues across the globe. To foster the best learning environment we have designed some of the sessions this year for Cancer conference which will comprises of 18 major sessions designed to offer comprehensive sessions that address current issues in various fields of Breast Cancer.

Besides the attendees can find prestigious plenary and invited lectures, various shorter talks and poster sessions which will give the opportunity to most participants to present their work at the Congress. This congress on Breast Cancer provides an opportunity to meet experts, professionals, academicians and researchers from all over the world. Execute new methods or revise existing methods based on best presented facts as presented at **Breast Cancer 2025**.

ABOUT CONFERENCE

Who Should Attend?

Breast Cancer 2025 Conference website is attracting 56000+ Doctors, Directors, Deans, Professors, Associate Professors, Registered Nurses, Research Fellows, Instructors and many more from leading universities, companies and medical research institutions, hospitals sharing their novel researches in the arena of Nursing, Healthcare, Medicine, specialists, researchers, professionals, speakers, professors, business delegates and students.

Why to Attend?

- Find out what's new
- Meet experts & influencers face to face
- To present your ideas and work to others
- Networking for future collaborations
- The focus & energy of Like-Minded Individuals
- Fresh way of knowledge transfer
- Learn beyond your field or interest
- Meet, collaborate & get inspired
- Travel and extend your comfort zone

Conference Highlights

- Breast Cancer Staging
- Radiology
- Breast Cancer Awareness
- Breast Cancer Detection, Prevention and Diagnosis
- Breast Cancer Surgery
- Male Breast Cancer Research
- Breast Cancer and Cell Biology
- Breast Cancer and Immunology
- Breast Cancer Nursing
- Breast Cancer Management
- Epidemiology of breast cancer and Risk Factors
- Inflammatory Breast Cancer
- Mammography
- Diet and lifestyle effect on Breast Cancer
- Breast Cancer Risk
- Breast Cancer-Clinical Trials
- Case Studies

TESTIMONIALS

The conference was exciting. I enjoyed so much meeting new colleagues at the venue. I would like to express my sincere gratitude to you for your assistance and opportunity. It was a good experience attending this conference.

Amur Margaryan
National Science Laboratory, USA

The conference was very successful and staff members were very helpful. Workflow was good. Thank you for organizing the conference for us people.

Kuang-Hui Chi
National Yunlin University of Science & Technology, Taiwan

That is excellent. This time, I will encourage my friends and colleagues to attend. I will submit abstracts for the conference too.

Sudhanshu Sekhar Panda
University of North Georgia, USA

The organization of the conference was perfect and I was very glad of the warm welcome, of the scientific and human relationships among participants.

Ida PucciMinafra
University of Palermo, Italy

The conference was well organized and the committee was outstanding in keeping the whole event lively.

MouradTayebi
University of Surrey, England

It was wonderful event. I enjoyed presenting my talk. There were questions, comments, and interests in what I presented.

Ram Shanmugam
Texas State University, USA

ABOUT VANCOUVER

Vancouver is the largest city in British Columbia and one of the most prominent cities in Canada, situated on the west coast along the Pacific Ocean. Surrounded by stunning natural landscapes of mountains, forests, and water, Vancouver is recognized as one of the world's most significant global cities. It has been celebrated as one of the most livable, innovative, sustainable, and culturally diverse cities in the world.

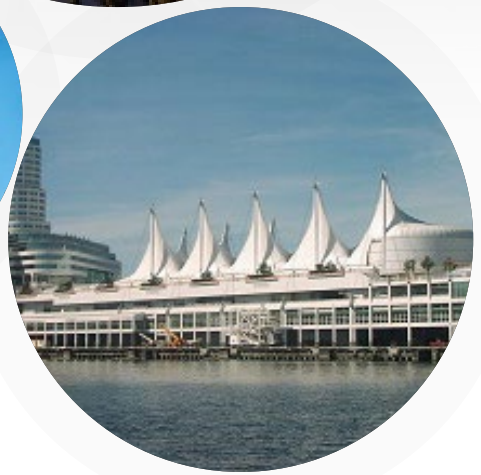

Vancouver exerts a remarkable influence in business, education, technology, fashion, finance, healthcare, media, professional services, research and development, tourism, and transportation. The city consistently ranks high among North American urban centers for its economic performance and is a major hub for film and television production, earning it the nickname "Hollywood North."

With a rich multicultural population, Vancouver boasts a wide variety of cultures, with over 200 languages spoken throughout the region. The city's financial sector is centered in its bustling downtown core, which also serves as a focal point for international trade due to its strategic location as a gateway to the Asia-Pacific region.

As one of the top tourist destinations in the world, Vancouver attracts millions of visitors annually. Its vibrant arts and cultural scene, world-class educational institutions, and unparalleled outdoor activities make it a key destination for people seeking both academic excellence and personal enrichment. Vancouver is a shining example of innovation, sustainability, and opportunity.
