WELCOME ADDRESS

Dear Attendees,

The Breast Cancer 2025 Organizing Committee is absolutely delighted to welcome you to the **5th World Congress on Breast Cancer** which will be held in **Berlin, Germany** on **July 14-15, 2025,** where we will be shining a spotlight on *"Global Collaboration: Tackling Disparities in Breast Cancer Care"*.

We are looking forward to providing you with a superb environment in which we present, discuss and advance your Breast Cancer research. The world class scientific programme will consolidate existing knowledge while at the same time increase your awareness of leading edge and forward looking advances in the field.

The congress is to be held in one of the world's most important global cities and is also the heart of France, Paris. It exerts considerable influence on the finance, diplomacy, commerce, fashion, gastronomy and science. For its leading role in the arts and sciences, as well as its very early system of street lighting, it became known as "the City of Light". What better place to combine leading edge science with an unsurpassed personal experience.

We look forward to seeing/welcoming you in 2025 for an experience of a lifetime.

With Regards
Breast Cancer 2025

ABOUT BERLIN

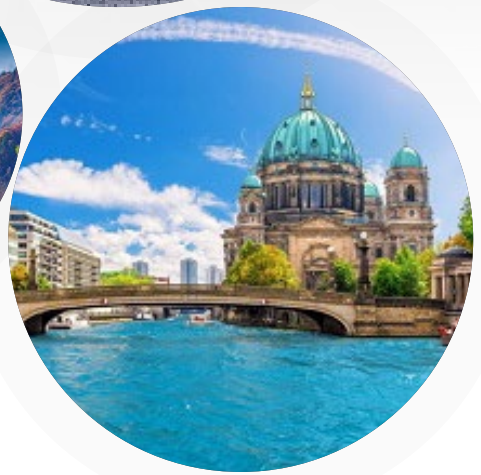

Berlin, the capital of Germany, is a city rich in history, culture, and innovation. Known for its turbulent past, Berlin played a central role in both World War II and the Cold War. The Berlin Wall, which once divided the city into East and West, stood as a symbol of division until its fall in 1989. Today, remnants of the wall, such as the East Side Gallery, serve as powerful reminders of the city's past while also showcasing vibrant street art that reflects Berlin's spirit of freedom and creativity.

Beyond its historical significance, Berlin is a global hub for arts, music, and fashion. The city is home to numerous world-class museums, such as the Pergamon Museum and the Neues Museum, which house priceless artifacts. Its underground music scene, electronic clubs, and theaters make it a hotspot for creative expression. Berlin's annual events, including the Berlinale Film Festival, attract international artists and cinephiles, further solidifying its reputation as a cultural powerhouse.

In addition to its arts and history, Berlin is a dynamic metropolis known for its green spaces and modern architecture. The city boasts vast parks like Tiergarten, where residents and visitors can enjoy nature in the heart of the city. The iconic Brandenburg Gate and Reichstag building stand alongside modern structures like the Sony Center, symbolizing Berlin's blend of old and new. The city's efficient public transport system and bike-friendly infrastructure make it easy to explore its many districts, each with a unique character.
