EXHIBITION OPPORTUNITY

We would like to invite you to a remarkable opportunity to promote your business, while supporting International conferences and Expo

Exhibition at International Convention 2017 affords your organization access to over 400-500 conference delegates as well as the health care institutions, students and communities who will be gathering at International Conference. You will also gain exposure from the audience attending the event. As an organization dedicated to make healthcare information open access, you are definitely an ideal partner for us in this venture.

Your organization is sure to receive exposure from media campaigns and all promotions for the event. Additional options for promoting your business/organization include the following:

- Representatives can address attendees during meal events and at the start of featured presentations
- Signs and banners can be displayed
- Flyers and other items (e.g., pens/pencils, notepads, magnets) advertising your business can be distributed in the participants' conference packet or at other points during the conference.

We are open to working with you to design creative and effective means to promote your products/services.
