About The Event

The **7th Cancer Diagnostics & Treatment Conference (Cancer Diagnostics 2026)**, is the premier international event for oncology professionals, researchers, clinicians, and industry leaders to discuss the latest advancements in cancer research and treatment.

Cancer Diagnostics 2026 will be held on **November 23-24, 2026**, at the **Miami, USA.**

The meeting provides a collaborative environment that translates scientific discoveries into clinical practice.
The conference theme, “Advancement of new techniques and tools in cancer diagnostics,” reflected the increasing use of biomarkers, personalized therapies, and novel trial methodologies to help improve patient outcomes.
The scientific program comprises keynote lectures, plenary sessions, panel discussions, and poster presentations, and deals with key topics of interest such as immunotherapy, targeted therapies, cancer genomics, liquid biopsies, nanomedicine, and precision oncology.
Emphasizing strongly on networking and collaboration, **Cancer Diagnostics 2026** proposes opportunities to connect with global experts, participate in Meet-the-Expert sessions, and interact with the leading biotechnology and pharmaceutical companies.

Conference Topics

- CurrentLandscapeand Future Directions of Oncology Research
- Oncogenic Signaling Pathways and Therapeutic Targets
- Emerging Biomarkers for Cancer Detection and Prognosis
- Cancer Prevention and Early Detection Strategies
- Immuno-Oncology and Cell-Based Therapies
- Innovations in Immuno-Oncology
- Cytokine Modulation and Immune Adjuvants in Cancer Immunotherapy
- Cancer Vaccines
- CAR-T Cell Therapy: Clinical Progress and Challenges
- Next-Generation Cell and Gene Therapies in Oncology
- Liquid Biopsy and Circulating Tumor DNA (ctDNA) Diagnostics
- Companion Diagnostics
- Artificial Intelligence and Machine Learning in Precision Oncology

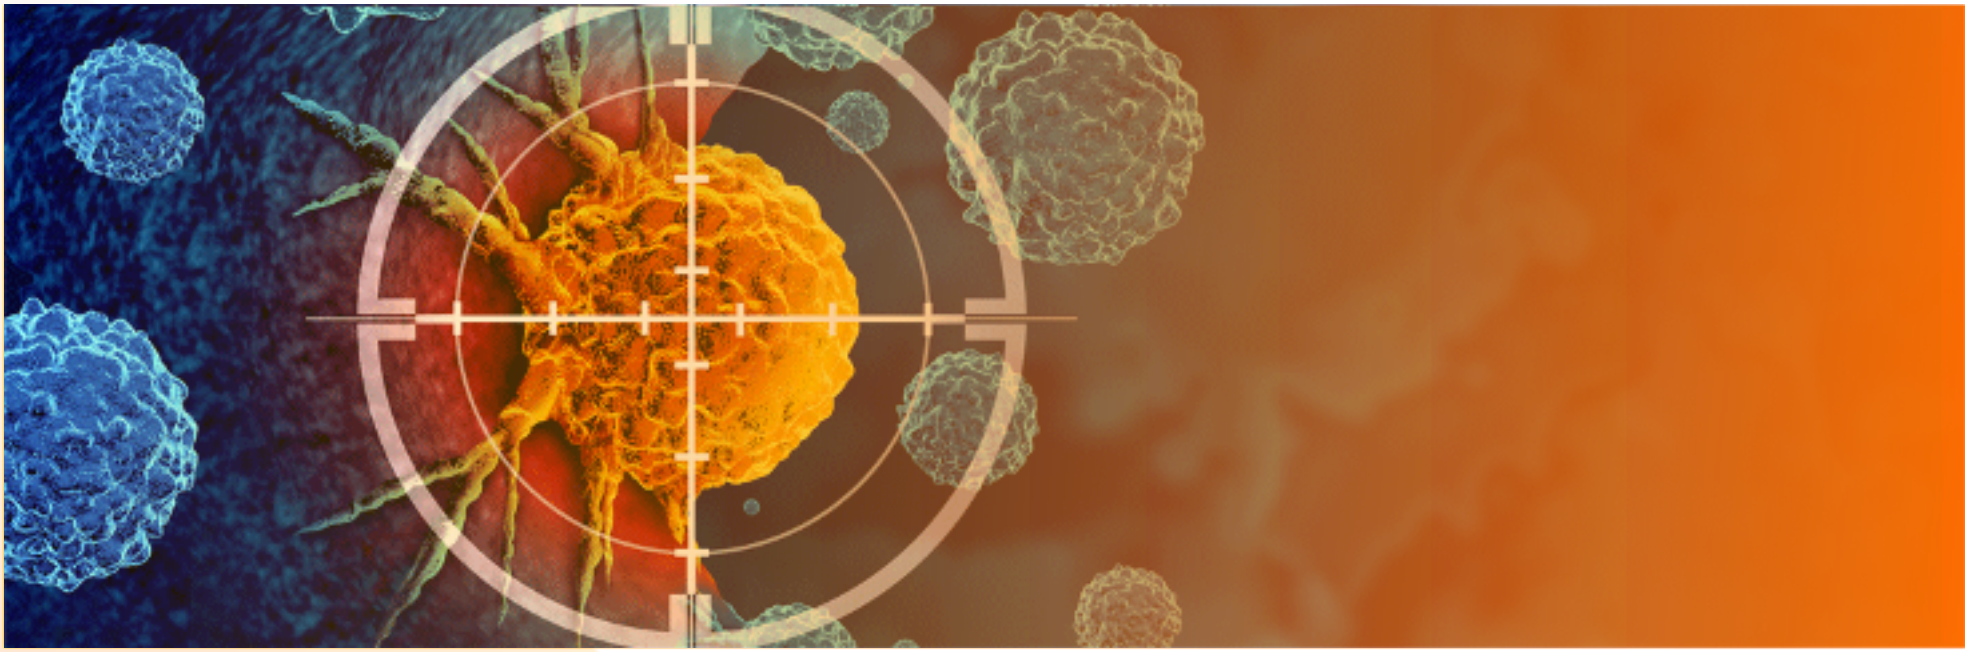

Conference Schedule

DAY 01

08:00-09:00	Registration
09:00-09:15	Opening Ceremony and Introduction
09:15-10:30	Keynote Session
10:30-10:50	Refreshment Break
10:50-12:30	Break Out Session

13:30-15:00	Break Out Session
15:00-15:30	Refreshment Break
15:30-17:00	Break Out Session

DAY 02

09:00-10:30	Keynote Session
10:30-10:50	Refreshment Break
10:50-12:30	Break Out Session
12:30-13:30	Lunch
13:30-15:00	Break Out Session
15:00-15:30	Refreshment Break
15:30-17:00	17:00 Break Out Session
17:00-18:00	18:00 Closing Ceremony

About Organizer

Conference Series is a highly established scientific conference organizer. We take high integrity in conveying your achievements to the world. We emphasize your incredible workand contribution to the science. Precision global conferences have come up with the progression, broadcast, persistence, research, and development activities in the field of cancer, neurology, nursing science, and catalysis.

We support the beacon of quality research works and efforts of the academicians, researchers, scientists, and doctors and all the future young to be experts to fearlessly confide their eminent works. Our primary goal is to make health care accessible and understandable to the people. We are ecstatic to pass on the ray of research and developments, and cutting-edge therapies throughout the world. Hence, we are here to organize and conduct high esteemed conferences.
This conference will emphasize the distinguished works and their medicinal consequences through hybrid presentations. If you're in search of a perfect podium that can reflect your professional ethics and voice your work we are here with the best team, welcoming your honourable presence.

Why to Attend the Precision Global Conferences?

1. .You will expand your horizons through the gain of new perspectives and insights into your areas of specialization.
2. A conference can be considered one of the best networking opportunities with subject matter specialists.
3. Meeting people and learning from specialists can help you connect with people and get support for your research.
4. It enables you to share your work, thereby establishing your professional reputation, as well as increasing visibility of your research within the scientific community.
5. You may come across people who are ahead and side by side with you. Learning from their successes may motivate and encourage you to improve your work to the next level.
6. One never knows what might develop out of a connection. It's important to build your professional network both in the physical world and online.
7. Attending conferences can be a catalyst for creativity, can expand your reach, can be an opportunity to strengthen your mindset, and can spark you to take challenges in novel ways.
8. World leaders are lifelong learners. Just some key notes taken during an international conference are sufficient for the development of new ideas pertaining to the same problem.
9. The conferences assist in keeping your information up to date, your perspectives focused, and your professional tactics current and practical.

Important Dates

Abstract Submission Open: **09th February 2025**
Registrations Open: **16th February 2025**

Abstract Submission:
We cordially invite you to submit the abstract through the following link:
https://cancerdiagnostics.insightconferences.com/abstract-submission.php
Or else you can email us at:
cancerdiagnostics@theannualmeet.com

The abstracts will be examined by an internal panel of reviewers. If you still have concerns about submissions reach out at **cancerdiagnostics@theannualmeet.com**

Conference Registration

Category	Price
Academic	$699
Industry	$799
