- *Robotic Oncology*
- *Managing Cancer Care & Patient Support*

About Vancouver...

Nestled on the west coast of Canada, Vancouver is a captivating city renowned for its stunning natural beauty, multicultural ambiance, and vibrant urban culture. Situated between the majestic Coast Mountains and the sparkling waters of the Pacific Ocean, Vancouver boasts a picturesque landscape that serves as a breathtaking backdrop for the 7th International Conference on Anti-Cancer Drugs & Therapies.

As one of Canada's most cosmopolitan cities, Vancouver offers a rich tapestry of cultural experiences, world-class dining, and diverse entertainment options. From exploring the historic neighborhoods of Gastown and Chinatown to strolling along the scenic seawall at Stanley Park, visitors are treated to a multitude of memorable experiences.

Vancouver's healthcare sector is marked by excellence, innovation, and inclusivity, making it an ideal setting for discussions on the future of healthcare delivery and management. The city is home to leading medical institutions, research centers, and academic hospitals that are at the forefront of medical innovation and patient care.

Moreover, Vancouver's commitment to sustainability, environmental stewardship, and healthy living aligns seamlessly with the themes of health and wellness that will be explored at the congress. Attendees can expect to be inspired by the city's dedication to promoting a healthy lifestyle and fostering a sense of community well-being.
