About Rome

Rome is the capital city of Italy. It is the fourth most populous city in the European Union by population within city limits. It is the centre of the Metropolitan city of Rome, having population 4,355,725 residents, thus making it the most populous metropolitan city in Italy. Rome is located in the central-western portion of the Italian Peninsula. The Vatican city is an independent country inside the boundaries of Rome, the only existing example of a country within a city. Cosmopolitan city with nearly 3000 years of globally influential art, architecture and culture on display. Ancient ruins such as the forum and the colosseum evoke the power of the former Roman Empire. Rome is famous for being the home of the ancient Roman Empire, the Seven Hills, La Dolce Vita, the Vatican city and Three Coins in the Fountain.
