12th international conference on

Cancer Stem Cell & Oncology Research

June 15-16, 2020 Berlin | Germany

Invitation

Dear Attendees,

Conference Series LLC Ltd welcomes you to attend the **12th International Conference on Cancer Stem Cell & Oncology Research June 15-16, 2020 Berlin | Germany.** We cordially invite all the participants who are interested in sharing their knowledge and research in the oncology .

cancer stem cell 2020 anticipates more than 100 participants around the globe with thought provoking keynote lectures, oral and poster presentations. The attending delegates include editorial board members of related open access journals.

This is an excellent opportunity for the delegates from universities, institutes and industries to interact with the world class scientists. The intending participants can confirm their participation by registering for the conference along with your colleagues. Avail the delegate early bird offer. The main theme of the conference is **"Innovation in Cancer Research and Projections of Novel Therapeutic Approaches"**

As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. Attend the cancer stem cell 2020 to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level. We look forward to personally welcoming you to Berlin this June .

Sincerely,

cancer stem cell 2020

Organizing Committee

About Us

Our International Open Access Journals

- 700+ Leading-edge Peer Reviewed Open Access Journals
- 21 Day Rapid Review Process
- 50000+ Editorial Board Team, 35000+ Reviewers team
- 30 Million Readers and High Visibility
- 1000+ Scientific Associations Collaborations
- 100000+ facebook fans Likes
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

Salient Features

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages

Our International Scientific Conferences

- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

Salient Features

- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manu Scripts in our Open Access Journals

Special Issues : All accepted abstracts will be
published inrespective UK: Conference Series LLC Ltd Journals
Each abstract will be provided with digital Object Identifier by Crossref

About Conference

The **cancer stem cell** Conference interacts with members across the globe focused **on most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of Cancer Stem Cells and Oncology Research**. This is the single best opportunity to reach the largest participants. Sharing the knowledge and demonstrations, information and B2B meetings with industrialists and potential clients to make a splash with innovative products live and brand recognition at this event. World-renowned speakers, the most recent techniques, and the latest advancements in **oncology** are hallmarks of this conferenc

cancer stem cell 2020 salient features

- Meet academia and industr salient features y visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly organized and structured scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 30+ countries all through the year
- Over 25 million+ visitors and 20000+unique visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for global networking

Goals

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goal of the conference is to provide a transformative professional development experience.
- Bringing together the world's scientific experts to catalyse and advance scientific knowledge about healthcare measures present the most recent research findings, and promote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address regional, national and local responses to elderly population around the world and overcome barriers that limit access to care and services.

About Conference

Objectives

After participating in this meeting, attendees should be able to

- Discuss emerging issues in the field of oncology
- Discuss and apply recent research findings related to cancer stem cell and oncology research
- discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of Cancer Stem Cells and Oncology Research.

Who should attend

The cancer stem cell conference interacts with members across the globe focused on learning about innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of Cancer Stem Cells and Oncology Research. This is the single best opportunity to reach the largest participants. Sharing the knowledge and demonstrations, information and B2B meetings with industrialists and potential clients to make a splash with innovative products live and brand recognition at this event.

All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by Crossref

Major Sessions

- Cancer stem cell & oncology
- Types of Cancer
- Clinical oncology
- Cancer biomarkers
- Epigenetics of cancer stem cells
- Cancer genomics
- Gastric cancer stem cells
- Colorectal cancer
- Ovarian cancer stem cells
- Prostate cancer stem cells
- Bladder cancer
- Pancreatic cancer stem cells
- Breast Cancer stem cell
- Radiation oncology and skin cancer
- Neuro oncology
- Pediatric oncology
- Hemato-oncology and blood cancer
- Cancer cell plasticity
- Gene therapy
- Stem cell and regenerative medicine
- Advances in stem cell and their Niches
- Clinical research and trials in stem cells and cancer
- Advancement in developmental biology and stem cells
- Recent Advances in Cancer Stem Cell
- Therapies targeting cancer stem cells

Supporting Journals

- Journal of Oncology Research and Treatment
- Journal of Integrative Oncology
- Journal of Cancer Science & Therapy

About Berlin, Germany

Why Berlin ?

Berlin, the capital of Germany and the country's largest city, is also a major Centre of politics, culture, media, and science. According to figures from the International Congress and Convention Association in 2015 Berlin became the leading organizer of conferences in the world hosting 195 international meetings
Berlin is home to many magazine, newspaper, book and scientific/academic publishers, as well as their associated service industries. The city has a high density of internationally renowned research institutions, in 2012, around 65,000 professional scientists were working in research and development in the city.
Berlin had 788 hotels with 134,399 beds in 2014 .The city recorded 28.7 million overnight hotel stays and 11.9 million hotel guests in 2014. Tourism figures have more than doubled within the last ten years and Berlin has become the third most-visited city destination in Europe.
