33rd World Congress on

Cardiology & Heart Diseases

March 27-28, 2020 | Prague, Czech Republic

SCIENTIFIC PROGRAM

33rd World Congress on Cardiology & Heart Diseases	
Day 1: March 27, 2020	
Hall 1-	
09:00-09:20	**Registrations**
09:20-09:40	**Opening Ceremony**
Keynote Session	
09:40-10:10	**Title: Wellens Syndrome in UKI University Hospital, Jakarta Indonesia** **Frits R.W Suling**, UKI University Hospital, Indonesia
10:10-10:40	**Title: Proteomic Profiling of Junctional Proteins in HMGB1-stimulated Human Coronary Artery Endothelial Cells** **Raluca Maria Boteanu,** Institute of Cellular Biology and Pathology, Romania
Group Photo - 10:40-11:00 **Coffee Break : 11:00-11:20**	
Session Introduction	
Sessions : Heart Disease | Heart diagnosis | Cardiovascular Disease | Pediatric Cardiology | Heart Devices | Vascular Biology	
Session Chair : To be announced	
Session Co-Chair : To be announced	
11:20-11:50	**Title: Coronary Arteriovenous Fistula with Congenital Peripheral Arteriovenous Malformation in a 20-year-old: A Rare Case** **Zabrina Kay L. Rodriguez,** Heart and Vascular Institute, Philippines
11:50-12:20	**Title: Association of socioeconomic status with incident stroke: does it vary with different measurements of SES?** **Weiju Zhou,** University of Wolverhampton, UK
12:20-12:50	**Title: Risk Factors, Management and Clinical outcomes of Acute Myocardial Infarction in Hajj Pilgrims vs Residents of Makkah** **Walaa Eldeen Sayed,** Cardiac Centre, Kingdom of Saudi Arabia
12:50-13:20	**Title: Evaluation of Factors Involved in the Imbalance of New Oral Anticoagulant and Vitamin K Antagonist** **Soukeina Bassam,** Lebanese University, Lebanon
Lunch Break : 13:20-13:50	
13:50-14:20	**Title: Sex differences in De Novo heart failure after stemi** **Sara.Abouradi,** Casablanca University School of Medicine, Morocco
14:20-14:50	**Title: Pattern of tirofiban use in patients with Acute Myocardial Infarction undergoing Coronary Angiography and Angioplasty and its impact on outcomes**

	Rajaa Matahen, King Abdullah Medical City, Saudi Arabia
14:50-15:20	**Title: Oral antiplatelet agent hypersensitivity and cross-reactivity managed by successful desensitization**
	Rajaa Matahen, King Abdullah Medical City, Saudi Arabia
	Coffe Break : 15:20-15:40
15:40-16:10	**Title: An Incisional Negative Pressure Wound Therapy (INPWT) for Coronary Artery Bypass Grafting Patients**
	Ahmed N. Khallaf, Fayoum University, Fayoum, Egypt
16:10-16:40	**Title: Assessment of protectve effects of Warm Terminal Blood Cardioplegia on Myocardial Protection in CABG**
	Mohammad Sadegh Pour Abbasi, Kashan University of medical sciences, Iran
16:40-17:10	**Title: Factors and criteria for predicting cardiovascular diseases in children living in the conditions of the ecological zone of the Aral Sea**
	Matkarimova, Tashkent Pediatric Medical Institute, Tashkent
	Award Function & Closing Ceremony
	Day 2: March 28, 2020
	Hall 1-
09:00-09:20	**Registrations**
09:20-09:40	**Opening Ceremony**
	Keynote Session
09:40-10:10	**Title: Supplementation with pequi oil does not induce blood pressure reduction in normotensive men after strength training**
	Márcio Rabelo Mota, University Center of Brasília, Brazil
10:10-10:40	**Title: Omental Adipose Removal Decreases High Blood Pressure in Hypertensive Patients Independent of Body Mass Index**
	Li Jiang, Hospital of Nanjing Medical Universtiyy, China
	Group Photo - 10:40-11:00
	Coffee Break : 11:00-11:20
	Session Introduction
Sessions : Heart Disease | Heart diagnosis | Cardiovascular Disease | Pediatric Cardiology |	
Session Chair : To be announced	
Session Co-Chair : To be announced	
11:20-11:50	**Title: Left atrial cyst in a young Filipino Adult, an unusual presentation of mitral valve prolapse: A Therapeutic Challenge**

	Keith Angela ManzonKeith, Medical Intern at SLU Hospital of the Sacred Heart, Philippines
11:50-12:20	**Title: Spontaneos coronary artery dissection in a 30 year old otherwish healthy post partum female at perpetual succour hospital**
	Jane Lou E. Gargaritano, Perpetual Succour Hospital Department of Internal Medicine, Philippines
12:20-12:50	**Title: Feasibility, Safety, and Effectiveness of a Novel Mobile Application in Cardiac Rehabilitation**
	Irene Nabutovsky, Ariel University, Israel
12:50-13:20	**Title: "The Valley of death"- Anomalous LMCA in an inter-arterial route**
	Dimuthu De Silva, Sri Jayewardenepura General Hospital, Sri Lanka
	Lunch Break : 13:20-13:50
13:50-14:20	**Title: Cor Triatriatum Sinister and Patent Ductus Arteriosus in a 23 year-old Filipino**
	Aila V. Velasco, Louis University, Philippines
14:20-14:50	**Title: Early outcome of minimally invasive aortic valve replacement through mini sternotomy and mini thoracotomy versus conventional approach**
	Ahmed Nabil Khallaf, Fayoum University, Egypt
14:50-15:20	**Title: Patients Risk Factors as Predictors of Surgical Wound Infection Following Open Heart Surgery**
	Ahmed M. El Ashkar, Beni-suef University, Egypt
	Coffe Break : 15:20-15:40
15:40-16:10	**Title: Left Ventricular Function as an Independent Prognostic Factor for Coronary Artery Bypass Surgery**
	Ahmed M. El Ashkar, Beni-suef University, Egypt
16:10-16:40	**Title: One Year Follow Up after Septal Myectomy for Hypertrophic Obstructive Cardiomyopathy**
	Ahmed N. Khallaf, Fayoum University, Egypt
16:40-17:10	**Title: Fifteen years of experience in repair of aortopulmonary window in children**
	Mohammad Sadegh Pour Abbasi, Kashan University of medical sciences, Iran
	Award Function & Closing Ceremony

NETWORKING WITH ATTENDEES

"This is a tentative program. For more details kindly contact to cardiology@globalannualmeet.com"

Organizing Committee Members

Alexandra Lucas | Vascular Research
University of Florida, USA

Dayue Darrel Duan | University of Nevada, USA

Grigorios Korosoglou | GRN Hospital
Weinheim, Germany

Ulrich Rudolf Mahlknecht | Head of Department
Schwanenstraße Solingen, Germany

Luisa Mestroni | University of Colorado, USA

Syed Wamique Yusuf | University of Texas, USA

Shailesh Jain | Health Science Center HSC-Permian Basin, USA

Yidong Wei | Tongji University, China

Arun Aggarwal | The University of Sydney, Australia

Mehran Roxana | Mount Sinai University, USA

PAST AFFILIATES

Ovidio Alberto Garcia
Villarreal Hospital Zambrano-Hellion, Mexico

Xiao-Hua Wang
Soochow University, China

Marius Berman
Papworth Hospital, UK

Liutsiia Feiskhanova
Kazan State Medical University, Russia

Charles Gayme
University of Mississippi Medical Center, USA

Paweł Buszman
University of Silesia, Poland

Jun-Yang Liou
National Health Research Institutes, Taiwan

Vijaya Pamidimukkala
Lalitha Super Specialities Hospital Pvt Ltd, India

Galya Atanasova
Medical University Pleven, Bulgaria

Ingrid E. Dumitriu
St. George's, University of London, UK

Peter P Karpawich
Wayne State University, USA

Jacob Ostrowsky
Rainbow Babies & Children's Hospital, USA

Rainer G. H. Moosdorf
University Hospital Marburg, Germany

Mila Jakovljevic
Polyclinic for Cardiovascular Diseases and Prevention, Croatia

Carola Y. Förster
University of Wurzburg, Germany

Stavros G Drakos
University of Utah, USA
