6th World Congress on

Chemical Engineering and Catalysis

May 13-14, 2019 | Melbourne, Australia

Theme: "Exploring latest trends in Chemical Engineering and Catalysis"

Who Should Attend?

This activity has been designed to meet the educational needs of CEOs, CMOs, Industrialists, Professors, researchers, Chemists, program administrators, and other professionals from Chemical, private practices. Those who are currently involved in the renal care individuals or exploring opportunities that provide a total wellness solution are encouraged to attend.

Abstract Information: Oral / Poster Presentation Guidelines

Oral Presentations are generally split into TWO categories, as follows:

1. Plenary Lectures

- Each Plenary lecture is 25 minutes in length and comprises one presentation. We recommend you plan to present for approximately 20 minutes with 5 minutes for questions/discussion.
- Where Plenary Lectures are presented as debates, each of two speakers should plan to present for 20 minutes, allowing fi ve minutes for closing questions and conclusions. We recommend that invited speakers communicate in advance of the Moderator so that presentations may be coordinated.

2. Oral Sessions

• Each Oral Session is 60 minutes in length and comprises two presentations, of 30 minutes each. We recommend that you plan to present for approximately 15 minutes, allowing time for questions/ discussion at the end of the presentation. Please prepare you presentation in 16:9 format (screen are in format 16:9). We recommend you to save your PowerPoint presentation using PPT(X) format instead of PPS. A technician is available in every session room to provide assistance when needed. Due to the online presentation system, all speakers are kindly requested to use provided PC onsite. Please be present in the session room 15 minutes prior the start of your session and follow the instructions from the Chairs and/or technician. During your presentation a remote control will be available for controlling your presentation. Please observe the time allotted to you as you will not be permitted to speak for longer time. At the end of the Congress, all presentations will be deleted from the presentation system and computers on-site.

Speaker Preview Room

All speakers are asked to upload their presentation at the Speaker Preview Room (located in the Registration area) at least one hour before the beginning of the session or the day before in case of a morning session.

Poster Guidelines

The poster exhibition will be an integral part of Catalysis 2019. The poster exhibition will be located on the exhibition area of the congress centre. The area will be clearly signposted from the registration area.

Technical Instructions:

- Posters must be prepared in Portrait style.
- Please DO NOT prepare a landscape poster
- The dimensions should be 100 cm high by 70 cm wide
- Posters should be attached to the boards with stickers, which you will be supplied to the organizers.
- Poster session schedule Posters will be displayed and presented in session.

Please plan to be at your poster and available to answer questions from delegates at the time of your assigned poster session. Posters will be displayed according to the POSTER numbers given by the organizers and will be grouped by sub topic.

Young Researchers Forum

The Young Researchers Forum offers young researchers the possibility to meet and discuss research topics and methodologies, share and develop ideas, learn from each other and gain knowledge from senior researchers.

Young Researcher Sessions are organized at the Catalysis 2019, to provide a unique platform for Young Researchers/Investigators for presenting latest research projects with an in-depth analysis. Young Investigators (e.g. Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty) are the focus of this event. Participants should be below the age of 33 years. All submissions must be in English.

The prize winning papers will be considered for publication in the international journals once the paper is subjected to standard review procedures.

For further information please contact: **catalysis@conferencesworld.org | catalysis@conferenceint.com**

Registration Information

How to Register

Website: **https://catalysis.chemicalengineeringconference.com//registration.php**

Registration Fees

- Early Registration Fee: **$699.00**
- Regular Registration Fee: **$799.00**
- Late Registration Fee: **$899.00**
- Group Discount: Register three or more attendees and receive **$50.00 off** per person
- Student Registration: **249$** (Delegate)
- Young Researchers Forum Fee: **399$**

Cancellation Policy

Cancellations must be received in writing 60 days prior to the meeting and are subject to a $100 processing fee. Refunds will not be granted after **June 23, 2018**, nor will they be given for no-shows. Please email cancellations to **catalysis@conferencesworld.org | catalysis@conferenceint.com**

Accommodations

MERCURE ALBERT PARK
65 QUEENS ROAD, MELBOURNE 3004 – AUSTRALIA
T. +61 (3) 8554 2820 F. +61 (3) 9510 5795

To make reservations and ensure that you will have a hotel room at the same location as the conference, please choose your package and register at https://catalysis.chemicalengineeringconference.com//registration.php

Payments

We accept Visa, MasterCard, American Express and checks. If paying by credit card, please utilize our online registration site located at

https://catalysis.chemicalengineeringconference.com//registration.php

If you wish to pay by check, please contact catalysis@conferencesworld.org | catalysis@conferenceint.com

Tentative Agenda

Day 1: May 13, 2019	
08:30-09:30	Registrations
09:30-09:55	Opening Ceremony
10:00-10:40	Keynote Forum
10:40-11:00	Networking & Refreshments Break*
11:00-11:40	Keynote Forum
11:40-12:10	Homogeneous catalysis, Molecular Catalysis | Heterogeneous Catalysis
12:10-12:40	Catalysis for Chemical Synthesis | Chemical Engineering
12:40-13:10	Environmental Catalysis and Green Chemistry | Organometallics chemistry
13:10-14:00	Lunch Break**
14:00-14:30	Catalysis and Pyrolysis
14:30-15:00	Catalysis and Zeolites
15:00-16:00	Industrial Catalysis
16:00-16:15	Network & Refreshments Break*
16:15-18:00	Poster presentations
Day 1: May 14, 2019	
09:30-10:30	Catalysis and Applications
10:30-11:30	Photoelectrochemistry, Photocatalysis and Photoreactors
11:30-11:45	Network & Refreshments Break*
11:45-12:20	Polymer Engineering
12:20-13:00	Chemical Kinetics and Reaction Engineering | Petrochemistry | Catalysis in oil and gas
13:00-13:45	Lunch Break**
13:45-16:00	Nanochemistry | Spectroscopy in Catalysis | Computational Catalysis | Metathesis of olefins
16:00-16:15	Network & Refreshments Break*
16:15-17:00	Award Ceremony
Day Concludes	
Award Ceremony	
Conference Concludes	

Tourist Attractions

Venue

Melbourne is the capital and most populous city in the Australian state of Victoria, and the second most populous city in Australia and Oceania. The name "Melbourne" refers to the area of urban agglomeration spanning 9,900 km2 (3,800 sq mi) which comprises the broader metropolitan area, as well as being the common name for its city centre. The metropolis is located on the large natural bay of Port Phillip and expands into the hinterlands toward the Dandenong and Macedon mountain ranges, Mornington Peninsula and Yarra Valley. Melbourne consists of 31 municipalities. It has a population of 4,442,918 as of 2014, and its inhabitants are called Melbournians. Founded by free settlers from the British Crown colony of Van Diemen's Land on 30 August 1835, in what was then the colony of New South Wales, it was incorporated as a Crown settlement in 1837.It was named "Melbourne" by the Governor of New South Wales, Sir Richard Bourke, in honor of the British Prime Minister of the day, William Lamb, 2nd Viscount Melbourne. It was offi cially declared a city by Queen Victoria in 1847, after which it became the capital of the newly founded colony of Victoria in 1851. During the Victorian gold rush of the 1850s, it was transformed into one of the world's largest and wealthiest cities.
