

11TH WORLD CONGRESS ON

CELL SCIENCE, STEM CELL RESEARCH & REGENERATIVE MEDICINE

DECEMBER 7-8 2018 | CHICAGO, USA

https://cellscience.conferenceseries.com/

Invitation

CHICAGO
USA
DECEMBER 7-8
2018

Dear Attendees,

We are glad to announce the **11th World Congress on Cell Science, Stem Cell Research & Regenerative Medicine** to be held in Chicago, USA from December 7-8, 2018 organized by Conference Series, USA in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members.

This conference is a unique international platform that's a confluence of all Academia, Researchers, Innovators, Regulators – coming together to present and discuss current topics in Cell Science Research, Cell & Gene Therapy, Stem Cells, Regenerative Medicine, Tissue Engineering, Applications of Tissue Engineering, Bio Imaging & Bio printing Tissues, Organs Immunotherapy, Translational Medicine, Biomaterials in Regenerative Medicine Ethical Issues and Challenges Commercialization and will be available to discuss with you the latest issues and trends in Overcoming Milestones towards Cancer "Novel Approaches in Cell Science, Stem Cell Research and Regenerative Medicine".

As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. Attend the Cell Science 2018 to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to personally welcoming you to Chicago, USA

Sincerely,
Cell Science 2018
Organizing Committee

Why With Us?

- Certification by the International Organizing Committee
- Conference Souvenir
- Quality review of **live presentations**
- Exclusive Questionnaires & Panel Discussions by **Session Chairs**
- One to one scheduled meetings with **Experts**
- More than **3000+ Conferences** happening across the globe
- Conferences organized in **Medical, Pharma, Engineering, Science, Technology and Business**
- **Renowned speakers** and scientists representing from **40 countries**
- **Highly Interactive sessions** and Panel Discussions
- **B2B Meetings** offers perfect platform for Global Networking
- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops/Symposia for students and early career researchers
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manu Scripts in our Open Access Journals
- Best Poster & Young Researcher Award Nominations
- Post your Department/University requirement in the conference website and souvenir

Special Issues : All accepted abstracts will be published inrespective Conferenceseries Journals

Each abstract will be provided with digital Object Identifier by crossref

Best Poster Award Winners

2017

Irina V Panyutin, National Institute of Health, USA

Title: Effect of ionizing radiation on the proliferation of human embryonic stem cells

Arshak R Alexanian, Cell Reprogramming & Therapeutics LLC, USA

Title: Manipulation of adult stem cells plasticity with modulators of chromatin modifying enzymes

2016

Idiberto Jose Zotarelli Filho: State University of Sao Paulo, Brazil

Title: Randomized clinical study showed ejection fraction improvement and cardiac muscle mass increasing analyzed with magnetic resonance imaging after a year of bone marrow stem cells transplantation

Inbal Wortzel: Weizmann Institute of Science, Israel

Title: Analysis of Golgi structure by imaging flow cytometry

2015

Ching-Hua Yeh, Kaohsiung Medical University, Taiwan

Title: Stem cell in form deprivation myopia (FDM) mice

Walaa Mohamed Sayed, Cairo University, Egypt

Title: Therapeutic Role of Bone Marrow-Derived Mesenchymal Stem Cells in Cyclophosphamide-Induced Cardiotoxicity in Adult Male Albino Rat: Morphological and Immunohistochemical Study

About Conference

CHICAGO
USA
DECEMBER 7-8
2018

Cell Science 2018 Conference website is attracting 25000+ online visitors ranging from Researchers, Academicians and Business professionals, who are working in this field. This unique opportunity that we extend to our speakers and attendees is not being offered by any other conference organizers. Through this the abstracts and research profiles of our speakers and organizing committee members getting global visibility which is an additional feature that you would be receiving in addition to networking opportunities before, during and after the conference.

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 70+ countries Annually
- Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking

Cell Science 2018 salient features

- Meet Academia and Industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, Benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

About Conference

CHICAGO
USA
DECEMBER 7-8
2018

Purpose

11th World Congress on Cell Science, Stem Cell Research & Regenerative Medicine is an arena for interdisciplinary exchange among professionals in the fields of Cell Science, Stem Cell and Regenerative Medicine.

Goals

The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goals of the conference is to provide a transformative professional development experience through.

- Bringing together the world's scientific experts to catalyze and advance scientific knowledge about Cell Science 2018 present the most recent research findings, and promote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address regional, national and local responses to Elderly Population around the world and overcome barriers that limit access to care and services.

Objectives

After participating in this meeting, attendees should be able to:

- Discuss emerging issues in Stem cell
- Discuss and apply recent research findings related to Cell Science Research, Cell & Gene Therapy, Stem Cells, Regenerative Medicine.
- Reflect on the place of critical distance in Cell Science, Stem Cell Research, Regenerative Medicine

About Conference

CHICAGO
USA
DECEMBER 7-8
2018

Who should attend

11th World Congress on Cell Science, Stem Cell Research & Regenerative Medicine is exclusively designed for Researchers, Academicians, Practitioners, Early Career Scholars, students along with Industries and others engaged in endeavors related to Oncology and Cancer research.

About hosting organization

Conference Series is the world's leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by crossref

Major sessions

- Cell Science Research
- Cell & Gene Therapy
- Stem Cells
- Regenerative Medicine
- Tissue Engineering
- Applications of Tissue Engineering
- Bio Imaging & Bio printing Tissues and Organs
- Immunotherapy
- Translational Medicine
- Biomaterials in Regenerative Medicine
- Ethical Issues and Challenges
- Commercialization

Past Keynote Speakers

Chicago USA December 7-8 2018

Diana Anderson
University of Bradford, UK

Leroy J Lowe
Lancaster University, UK

Michael Retsky
Harvard TH Chan School, USA

Yoshiaki Omura
New York Medical College, USA

David Dongliang Ge
Apostle Inc, USA

Frédéric Baribaud
Janssen R&D, USA

George Vasmatzis
Mayo Clinic, USA

Jianhua Luo
University of Pittsburgh School of Medicine, USA

John Michael Sauer
Critical Path Institute, USA

Kamala K Maddali
Cancer Genetics Inc., USA

Nikolai V Ivanov
Philip Morris Research & Development, Switzerland

Qing Kay Li
Johns Hopkins Medical Institutions, USA

Sergey Suchkov
Moscow State Medical University, Russia

David I Smith
Mayo Clinic, USA

Srinivas Pentyala
Stony Brook Medical Center, USA

Past Keynote Speakers

Chicago USA December 7-8 2018

Sherry Bradford
AccuTheranostics, Inc, USA

Sandra S. Hatch
University of Texas Medical Branch, USA

Elliot M. Levine
Illinois Masonic Medical Center, USA

Aaron Chevinsky
Aurora Health Care, USA

John S. Davis
Olson Center for Women's Health, USA

Denise Johnson Miller
Hackensack Meridian Health System, USA

Adrian Senderowicz
Cerulean Pharma Inc. USA

Homer S. Black
Baylor College of Medicine, USA

Colleen Huber
Naturopathic Oncologist (FNORI), USA

Hirendra Banerjee
Elizabeth City State University, USA

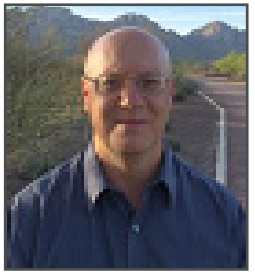

Jianyu Rao
David Geffen School of Medicine-UCLA, USA

Al Charest
Beth Israel Deaconess Medical Center, USA

Andrea Nicolini
University of Pisa, Italy

David Chafin
Roche Tissue Diagnostics, USA

G Mike Makrigiorgos
Harvard Medical School, USA

Past Moderators

Glimpses

Our Past Conferences

Cell Science 2018 | Chicago, USA

2017
8th World Congress on
Cell & Stem Cell Research
March 20-22, 2017 | Holiday Inn Orlando Airport, Orlando, Florida, USA

2016
6th World Congress on
Cell & Stem Cell Research
February 29-March 02, 2016
DoubleTree by Hilton Philadelphia Airport, Philadelphia, Pennsylvania, USA

2016
5th International Conference and Exhibition on
Cell and Gene Therapy | May 19-21, 2016
Hilton San Antonio Airport, San Antonio, Texas, USA

2015
5th World Congress on
Cell & Stem Cell Research
March 23-25, 2015
DoubleTree by Hilton Chicago - North Shore Chicago, Illinois, USA

2014
3rd International Conference and Exhibition on
Cell & Gene Therapy | October 27-29, 2014
Embassy Suites, Las Vegas, Nevada, USA

2013
3rd World Congress on
Cell Science & Stem Cell Research
November 20-22, 2013
DoubleTree by Hilton Baltimore-BWI Airport Baltimore, Maryland, USA

2012
2nd World Congress on
Cell Science & Stem Cell Research
November 12-14, 2012 Hilton San Antonio Airport, San Antonio, Texas, USA

2011
International Conference & Exhibition on
Cell Science & Stem Cell Research
29 November - 1 December, 2011
Philadelphia Airport Marriott, Philadelphia, Pennsylvania, USA

Experts Opinion on Past Conference

Christian Drapeau | *Chief Scientific Officer Stemtech International, Inc., USA*
From what I have seen, the organization was very good. I am always impressed by the quality of presenters and the opportunity for contacts that can be made at the OMICS conferences.

Paul J. Davis, MD | *Professor of Medicine, Albany Medical College, USA*
Professor of Pharmacology, Albany College of Pharmacy and Health Sciences, USA
The recent Stem Cell Congress in Chicago was, from the scientific standpoint, the highest quality and most useful of the three OMICS-sponsored conferences that I have attended. The presentations I heard were uniformly good.
I'd be pleased to see such meetings have a larger audience.

Simon Berkovich | *The George Washington University, USA*
I have received very positive feedback from Chen Shen who presented our work in Chicago and got in contact with many different people interested in our research.

Diana Anderson | *University of Bradford, UK*
I just want to say how much I enjoyed the meeting in Chicago. I always find the meetings ex¬tremely stimulating and very interactive. The quality of the presentations is very good and some of them are very thought-provoking. In general, all your meetings I attend are of high quality. I hope to come to Philadelphia next year.

Zhenyi Huo | *BestStem Biotech, China*
It was a great opportunity to meet scientists, scholars and research workers in the cellular field in Chicago last week. And also I would particularly thank you for your effort to list Best Stem Biotech as one of the supporting partners for the 5th World Congress on Cell & Stem Cell Research.
I do hope we could work as partners for future events organized by OMICS and also explore the possibility to organize the similar events in regenerative medicines in China some day. Probably, at the convenience of your executives/managers, I would like to pay a visit with them.

Kenneth K. Wu | *National Taiwan University, Taiwan*
Thank you for your kind letter. I enjoyed the meeting and the opportunity to exchange ideas with other researchers. Best wishes.

About San Francisco

CHICAGO
USA
DECEMBER 7-8
2018

Chicago is the third-most populous city in the United States. With over 2.7 million residents, it is the most populous city in the state of Illinois and the Midwestern United States, and the county seat of Cook County. The Chicago metropolitan area, often referred to as Chicago land, has nearly 10 million people and is the third-largest in the U.S. The city is an international hub for finance, commerce, industry, technology, telecommunications, and transportation: O'Hare International Airport is the second-busiest airport in the world when measured by aircraft traffic; the region also has the largest number of U.S. highways and rail road freight. Chicago hosted over 52 million international and domestic visitors, a new record for the city making it one of the top visited cities in the nation. Chicago's culture includes the visual arts, novels, film, theatre, especially improvisational comedy, and music, particularly jazz, blues, soul, and gospel and house music. It also has professional sports teams in each of the major professional leagues. Chicago has many nicknames, the best-known being the Windy City.

MEMBERSHIP

Attendees with Membership Subscriptions enjoy discounted rates and privileges.
Contact Program Manager to get Membership today..!!

Annual Membership

- Registered Member can attend upto ONE Conferences, organized by ConferenceSeries, with A Complementary Registration applicable for Package A Category.
- Registered Member will get up to a prestigious Annual Membership Certificate of Annual membership from ConferenceSeries.
- Registered Member can submit up to ONE abstracts of their research work for any of the ONE conferences he/she will attend.
- Opportunity to organize a workshop at any of our THREE Conferences.
- Registered Member will have his/her Affiliate Organization logo recognized on Main Backdrop Banner of the Conference.
- Registered Member will also receive a Complementary Networking Contact Details of all the Attendees of the Conference that he/she attends
- ONE Complementary Article Publication for a period of ONE YEAR in any ONE of our supporting International Journals of the Conference he/she attends.

Three-Year Membership

- Registered Member can attend up to 33 Conferences Across the Globe, organized by ConferenceSeries, with A Complementary Registration applicable for Package A Category.
- Registered Member will get a a prestigious THREE YEAR MEMBERSHIP Certificate from ConferenceSeries.
- Registered Member can submit up to 35 abstracts of their research work for any of the 33 Conferences he/she will attend.
- Opportunity to organize a workshop at at any of our 12 events.
- Upon his/her interest and subjected to approval from the Organizing Committee, he/she can be the prestigious Moderator for the Conference.
- Registered Member will have his/her Affiliate Organization logo recognized on Main Backdrop Banner of the Conference.
- Registered Member will also receive a Complementary Networking Contact Details of all the Attendees of the Conference that he/she attends.
- FOUR Complementary Article Publications for a period of THREE YEARS in any of our supporting International Journals of the Conference he/she attends.
- The amount can be paid in FOUR Quarterly installments during the First Year of the Membership Plan.
