WELCOME ADDRESS

Dear Attendees,

The Cell Therapy 2024 Organizing Committee is absolutely delighted to welcome you to the **14th International Conference and Exhibition on Advanced Cell and Gene Therapy** which will be held in **Rome, Italy** on **September 12-13, 2024,** where we will be shining a spotlight on ***"Global Collaborations and Future Directions in Gene Therapy"***.

We are looking forward to providing you with a superb environment in which to present, discuss and advance your Cell Therapy research. The world class scientific programme will consolidate existing knowledge while at the same time increase your awareness of leading edge and forward looking Advances in the field of Cell and Gene Therapy.

The congress is to be held in one of the world's most important global cities which stands on the River Thames in southeast England, which is called as London. It exerts considerable influence on the arts, commerce, education, entertainment, fashion, finance, healthcare, media, professional services, research and development, tourism, and transportation. What better place to combine leading edge science with an unsurpassed personal experience.

We look forward to seeing/welcoming you in 2024 for an experience of a lifetime.

With Regards
Cell Therapy 2024
Organizing Committee

ABOUT US

About Hosting Organization

Conference Series LLC Ltd is the world's leading specialist in organizing academic, scientific and business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology, Business and many more to promote scientific research.

Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by Crossref

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 50+ countries all through the year
- Over 25 Million+ Visitors and 25000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking Add a little bit of body text.

Cell Therapy 2024 salient features

- Meet academia and industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, benchmarking and networking offered at one place
- Forge connections and for global networking
- Highly organized and structured scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

ABOUT US

Goals & Objectives

- The Cell Therapy 2024 aims to bring together leading world's scientific experts, academic professionals, scientists, specialists, researchers, scholars, business delegates and students to exchange and share their experiences and research results on all aspects of Advanced Cell and Gene Therapy.
- It also provides an interdisciplinary platform for policy makers, community leaders, business activists, scientists and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of Cell Therapy .
- We aim to bring the research and innovations happening across the parts of the globe to facilitate interaction, knowledge sharing and exchange. We also aim to inspire university professors, students, researchers, clinicians and entrepreneurs

About Conference

14th International Conference and Exhibition on Advanced Cell and Gene Therapy is among the World's leading Scientific Conference. The two day event on Cell Therapy will host Major scientific and technical sessions along with the sub-sessions on cutting edge research and latest research innovations in the field of Advanced Cell and Gene Therapy & its related issues across the globe. To foster the best learning environment we have designed some of the sessions this year for Cell Therapy conference which will comprises of 18 major sessions designed to offer comprehensive sessions that address current issues in various fields of Cell Therapy.

Besides the attendees can find prestigious plenary and invited lectures, various shorter talks and poster sessions which will give the opportunity to most participants to present their work at the Congress. This congress on Cell Therapy provides an opportunity to meet experts, professionals, academicians and researchers from all over the world. Execute new methods or revise existing methods based on best presented facts as presented at **Cell Therapy 2024**.

ABOUT CONFERENCE

Who Should Attend?

Cell Therapy 2024 Conference website is attracting 56000+ Cell Therapy influencer's including Cell Therapy researchers and academicians, Doctorates in Gene Therapy experts, Stem Cell Lab Directors/ Associates, Professors of Life sciences, Stem Cell Researchers, Cell Therapy Faculty, Medical Colleges, Associations and Societies, Business Entrepreneurs, Training Institutes, Professors and Students.

Why to Attend?

- Find out what's new
- Meet experts & influencers face to face
- To present your ideas and work to others
- Networking for future collaborations
- The focus & energy of Like-Minded Individuals
- Fresh way of knowledge transfer
- Learn beyond your field or interest
- Meet, collaborate & get inspired
- Travel and extend your comfort zone

Conference Highlights

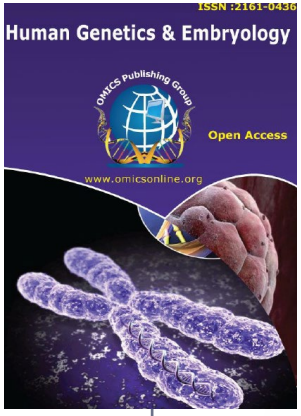

- Drug Delivery Strategies for Gene Therapies
- Cellular Reprogramming and Induced Pluripotent Stem Cells
- Gene Therapy for Ophthalmic Diseases
- Public Health Implications of Gene Editing
- Regulatory Landscape for Cell and Gene Therapies
- Manufacturing Challenges and Solutions in Cell and Gene Therapy
- Bioinformatics in Cell and Gene Therapy
- Cell Therapy for Cardiovascular Diseases
- Patient Advocacy and Engagement in Clinical Trials
- CAR-T Cell Therapy: Current Status and Future Directions
- The Evolution of Cell and Gene Therapy
- Vector Development for Gene Therapy
- Clinical Trials in Cell and Gene Therapy
- Ethical Considerations in Genome Editing
- Cell-Based Therapies for Neurological Disorders
- Immunotherapy in Cancer Treatment

TESTIMONIALS

The conference was exciting. I enjoyed so much meeting new colleagues at the venue. I would like to express my sincere gratitude to you for your assistance and opportunity. It was a good experience attending this conference.

Amur Margaryan
National Science Laboratory, USA

The conference was very successful and staff members were very helpful. Workflow was good. Thank you for organizing the conference for us people.

Kuang-Hui Chi
National Yunlin University of Science & Technology, Taiwan

That is excellent. This time, I will encourage my friends and colleagues to attend. I will submit abstracts for the conference too.

Sudhanshu Sekhar Panda
University of North Georgia, USA

The organization of the conference was perfect and I was very glad of the warm welcome, of the scientific and human relationships among participants.

Ida PucciMinafra
University of Palermo, Italy

The conference was well organized and the committee was outstanding in keeping the whole event lively.

MouradTayebi
University of Surrey, England

It was wonderful event. I enjoyed presenting my talk. There were questions, comments, and interests in what I presented.

Ram Shanmugam
Texas State University, USA

ABOUT ROME

Rome's significance goes beyond its temporal power; it holds immense spiritual importance as the heart of the Roman Catholic Church. Vatican City, an independent enclave within the city, houses St. Peter's Basilica, the epicenter of the Catholic faith, and the Vatican Museums, which showcase centuries of artistic treasures amassed by the Church. The Sistine Chapel, with Michelangelo's iconic frescoes, is a place of profound contemplation.

Amidst its historic grandeur, Rome remains a vibrant and thriving city. Bustling markets, lively neighborhoods, and the ever-present hum of daily life create a dynamic energy that complements its historical significance. The narrow alleyways of Trastevere offer a glimpse into the city's local life, while upscale shopping districts like Via Condotti cater to modern tastes.

Whether you're strolling along the Spanish Steps, tossing a coin into the Trevi Fountain to ensure your return, or gazing at the sunset from Gianicolo Hill, Rome casts a spell that transcends time. The play of light on ancient ruins, the resonance of church bells, and the laughter of people savoring la dolce vita - all these elements come together to create an unforgettable experience that captures the essence of Rome, the Eternal City.

REGISTRATIONS

Registration Payment Method:

Payment of registration fees (in EUR, USD & GBP) can be done by the following methods:

- By Credit Card: Visa, MasterCard or American Express
- By Bank Transfer
- By Pay-pal

For group registrations please contact/email us at:
events@conferenceseries.com

Academic

Speaker Registration: € 599
Delegate: € 499
Regular Issue Publication + Registration: € 2200

Business

Speaker Registration: € 649
Delegate Registration : € 549

Student

Student Delegate: € 349

Important Dates

Abstract submission opens: June 15, 2024
Registration opens: September 12, 2024
On spot registration: September 12, 2024

Registration Benefits:

- ✓Access to all Sessions
- ✓Handbook & Conference Kit
- ✓Certificate Accreditation from the Organizing Committee
- ✓Abstracts will be published in the conference souvenir and respective international journal
- ✓Each registrant will get 50% abatement on manuscript publication fee
- ✓2 Coffee breaks (Refreshments and snacks) during the conference
- ✓Lunch during the conference
- ✓Wi-Fi access

To register online, please visit:
