WELCOME ADDRESS

Dear Attendees,

The Ceramics 2024 Organizing Committee is absolutely delighted to welcome you to the **10th International Conference and Expo on Ceramics and Composite Materials** which will be held in **Madrid, Spain** on **October 10-11, 2024,** where we will be shining a spotlight on *"Advancements in the techniques and processes for fabricating ceramic materials"*.

We are looking forward to providing you with a superb environment in which to present, discuss and advance your Ceramics and Composite Materials research. The world class scientific programme will consolidate existing knowledge while at the same time increase your awareness of leading edge and forward looking advances in the field.

The congress is to be held in one of the world's most important global cities London, UK. It exerts considerable influence on the arts, commerce, education, entertainment, fashion, finance, healthcare, media, professional services, research and development, tourism, and transportation. What better place to combine leading edge science with an unsurpassed personal experience.

We look forward to seeing/welcoming you in 2024 for an experience of a lifetime.

With Regards
Ceramics 2024
Organizing Committee

ABOUT US

About Hosting Organization

Conference Series is the world's leading specialist in organizing academic, scientific and business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology, Business and many more to promote scientific research.

Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by Crossref

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 50+ countries all through the year
- Over 25 Million+ Visitors and 25000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking Add a little bit of body text.

Ceramics 2024 salient features

- Meet academia and industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, benchmarking and networking offered at one place
- Forge connections and for global networking
- Highly organized and structured scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

ABOUT US

Goals & Objectives

- The Ceramics 2024 aims to bring together leading world's scientific experts, academic professionals, scientists, specialists, researchers, scholars, business delegates and students to exchange and share their experiences and research results on all aspects of Ceramics.
- It also provides an interdisciplinary platform for policy makers, community leaders, business activists, scientists and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of Ceramics.
- We aim to bring the research and innovations happening across the parts of the globe to facilitate interaction, knowledge sharing and exchange. We also aim to inspire university professors, students, researchers, clinicians and entrepreneurs

About Conference

10th International Conference and Expo on Ceramics and Composite Materials is among the World's leading Scientific Conference. The two day event on Ceramics and Composite materials will host Major scientific and technical sessions along with the sub-sessions on cutting edge research and latest research innovations in the field of Materials Science & its related issues across the globe. To foster the best learning environment we have designed some of the sessions this year for Materials Science conference which will comprises of 18 major sessions designed to offer comprehensive sessions that address current issues in various fields of Ceramics.

Besides the attendees can find prestigious plenary and invited lectures, various shorter talks and poster sessions which will give the opportunity to most participants to present their work at the Congress. This congress on Ceramics and Composite Materials provides an opportunity to meet experts, professionals, academicians and researchers from all over the world. Execute new methods or revise existing methods based on best presented facts as presented at **Ceramics 2024**.

ABOUT CONFERENCE

Who Should Attend?

Ceramics 2024 Conference website is attracting 56000+ Researchers, academicians, students and business professionals, Engineers

Why to Attend?

- Find out what's new
- Meet experts & influencers face to face
- To present your ideas and work to others
- Networking for future collaborations
- The focus & energy of Like-Minded Individuals
- Fresh way of knowledge transfer
- Learn beyond your field or interest
- Meet, collaborate & get inspired
- Travel and extend your comfort zone

Conference Highlights

- Ceramics
- Advanced Ceramic Materials
- Ceramics and Composites
- Ceramic Coatings
- Glass Ceramics
- Porous Ceramics
- Armour Ceramics
- Ceramics Applications
- Functional Ceramics and Inorganics
- Ultra-High Temperature Ceramics

TESTIMONIALS

The conference was exciting. I enjoyed so much meeting new colleagues at the venue. I would like to express my sincere gratitude to you for your assistance and opportunity. It was a good experience attending this conference.

Amur Margaryan
National Science Laboratory, USA

The conference was very successful and staff members were very helpful. Workflow was good. Thank you for organizing the conference for us people.

Kuang-Hui Chi
National Yunlin University of Science & Technology, Taiwan

That is excellent. This time, I will encourage my friends and colleagues to attend. I will submit abstracts for the conference too.

Sudhanshu Sekhar Panda
University of North Georgia, USA

The organization of the conference was perfect and I was very glad of the warm welcome, of the scientific and human relationships among participants.

Ida PucciMinafra
University of Palermo, Italy

The conference was well organized and the committee was outstanding in keeping the whole event lively.

MouradTayebi
University of Surrey, England

It was wonderful event. I enjoyed presenting my talk. There were questions, comments, and interests in what I presented.

Ram Shanmugam
Texas State University, USA

ABOUT MADRID

Madrid, the bustling capital of Spain, is a city that effortlessly blends historical grandeur with modern dynamism. Known for its rich cultural heritage, lively atmosphere, and passionate spirit, Madrid is a destination that offers something for everyone. Whether you are a history buff, an art enthusiast, a foodie, or simply a traveler seeking vibrant experiences, Madrid has it all.Madrid's history is a captivating tapestry woven with the influences of various eras and cultures. The Royal Palace, a symbol of the city's regal past, is an architectural marvel and the official residence of the Spanish royal family. The nearby Almudena Cathedral stands as a testament to Madrid's religious and architectural heritage. Stroll through the Plaza Mayor, a grand square that has witnessed centuries of public events, markets, and celebrations.Madrid's vibrant lifestyle is reflected in its lively streets, bustling plazas, and energetic nightlife. The Gran Via, often referred to as the "Spanish Broadway," is a hub of shopping, dining, and entertainment. For a more bohemian vibe, explore the neighborhood of Malasaña, known for its eclectic mix of boutiques, cafes, and nightlife venues. Madrid's nightlife is legendary, with a plethora of bars, clubs, and live music venues that keep the city buzzing until the early hours.

REGISTRATIONS

Registration Payment Method:

Payment of registration fees (in EUR, USD & GBP) can be done by the following methods:

- By Credit Card: Visa, MasterCard or American Express
- By Bank Transfer
- By Pay-pal

For group registrations please contact/email us at:
events@conferenceseries.com

Academic

Only Registration: € 599
Regular Issue Publication + Registration: € 1819
Special Issue Publication + Registration: € 2200

Business

Only Registration: € 699
Regular Issue Publication + Registration: € 2380
Special Issue Publication + Registration: € 2470

Student

Student Delegate: € 399
Young Researcher Forum: € 349

Important Dates

Abstract submission opens: June 14, 2024
Registration opens: June 14, 2024
On spot registration: October 11, 2024

Registration Benefits:

- ✓Access to all Sessions
- ✓Handbook & Conference Kit
- ✓Certificate Accreditation from the Organizing Committee
- ✓Abstracts will be published in the conference souvenir and respective international journal
- ✓Each registrant will get 50% abatement on manuscript publication fee
- ✓2 Coffee breaks (Refreshments and snacks) during the conference
- ✓Lunch during the conference
- ✓Wi-Fi access

To register online, please visit:
