Invitation

Dear Colleagues,

The Organizing Committee of Chemistry Congress 2019 welcomes you to attend the “11th World Congress on Chemistry” which is going to be held in Amsterdam, Netherlands during January 23-24, 2019 organized by Conferenceseries LLC ltd, UK in colloboration with generous support and cooperation from enthusiastic academicians and editorial Board Members who are interested in sharing their insights pertaining to new trends in Chemistry. Chemistry congress aims to bring together the prominent researchers academic scientists, and research scholars to exchange and share their experiences on all aspects of Chemistry. Chemistry 2019 is a unique opportunity to discuss best practices within the laboratory research and those in other related fields of chemistry. The intending participants can confirm their participation by registering for the conference along with colleagues.

On behalf of Chemistry 2019, Conferenceseries LLC Ltd is glad to invite contributions from the enthusiastic academicians, scientists to organize International Symposiums/Workshops that are both empirical and conceptual in exploring new dimensions of chemistry.

We look forward to personally welcoming you to Amsterdam, Netherlands.

Sincerely

Chemistry Congress 2019

About us

Our International Open Access Journals

- 700+ Leading-edge Peer Reviewed Open Access Journals
- 21 Day Rapid Review Process
- 50000+ Editorial Board Team, 35000+ Reviewers team
- 30 Million Readers and High Visibility
- 1000+ Scientific Associations Collaborations
- 100000+ facebook fans Likes
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

Salient Features

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages

Our International Scientific Conferences

- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

Salient Features

- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals

About Conference

Chemistry Congress 2019 is being organized underlining the theme "Accelerating Innovations & Fostering Advances in Chemistry and its related fields".

The program is a grand amalgamation of formats ranging from keynote sessions featuring many well-known and thought provoking speakers to intense and highly interactive discussions which are intended in a way where scientists and researchers from both academia and industry can interact creating a platform for exchange of thoughts.

Chemistry Congress 2019 salient features

- Meet Academia and Industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, Benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

How Conference Series llc LTD Conferences differs from others?

- 3000+ Conferences across the globe in 30+ countries all through the year
- Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking

Goals

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goals of the conference is to provide a transformative professional development experience through
- Bringing together scientific experts all over the world to catalyze and advance scientific knowledge about Chemistry & its related fileds by presenting the most recent research findings. Our aim is to promote and enhance scientific collaborations around the world.
- Bringing together academicians, scientists, researchers, business experts to promote and enhance programmatic collaborations by focusing on strategic relevance and modern optimization paradigms of chemistry and its related fields.

About Conference

Objectives

After participating in this meeting, attendees should be able to discuss emerging issues in Chemistry and its related fields Research.

Discuss and apply recent research findings related to Chemistry.

Reflect on the place of critical distance between Chemistry and its interrelated fields.

Who should attend

World Conference on Chemistry is exclusively designed for Chemists, Professors, Researchers, Scientists, Industrialists, Associations & Societies, Druggists, Academicians, Research Scholars, Students, Business Entrepreneurs,

in the field of Organic Chemistry, Inorganic Chemistry, Medicinal Chemistry, Physical Chemistry, Analytical Chemistry, Theoretical Chemistry, Biochemistry, Biotechnology, Chemical Engineering, Materials Science, Nanotechnology from all over the world at Chemistry Congress.

About hosting organization

Conference Series llc LTD is the world's leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by Crossref

Major Sessions

- Analytical and bioanalytical Chemistry
- Biochemistry
- Chemistry Education
- Environmental and Green Chemistry
- Clinical Chemistry
- Nanoscience and Materials Chemistry
- Organic and Inorganic Chemistry
- Physical and Theoretical Chemistry
- Electrochemistry
- Medicinal Chemistry
- Industrial Chemistry
- Natural Products Chemistry
- Synthetic Chemistry
- Nutrition and Food Chemistry Technology
- Petrochemistry
- Forensic Chemistry
- Polymer Chemistry
- Biorganic Chemistry
