About the conference

We are incredibly happy to extend this invitation to you for the "17th International Conference on Chemistry Meeting," which will take place in Paris, France, on February 25–26, 2027. In 2027, there will be a meeting of chemists, analysts, researchers, academics, delegates, chemistry educators, pharmaceutical industry delegates, gifted young scientists, and student groups from all over the world under a single roof where reviewers from all over the world can gather, organize, view, and present news logical advancements, as well as business people to present all of the updates in chemistry. We should gather to discuss, learn from, and hear the expert's reviews.

Theme: "Revolutionizing Chemistry: Innovations Shaping the Future".

Why to attend the conference

Chemistry Meeting-2027 is a global standard conference which plays a great platform to discuss and learn about latest advancements and novel approaches in Organic Chemistry, Inorganic Chemistry, Analytical Chemistry, Materials Chemistry, and Green Chemistry: Green chemical principles, Physical Chemistry, Bio Chemistry, Theoretical Chemistry and Medicinal Chemistry. It aims to bring together leading academic scientists, researchers and research scholars to exchange and share their experiences and research results on all aspects of chemistry and related fields.
